For over 50 years Giles documented and satirised the most momentous events in British and world history: wars, moonlandings, sporting achievements, strikes, elections, fashion trends and entertainment, they've all been subject to his wit and artistry. Now, in this special collection, you can follow the exploits of Giles' most beloved characters such as granny, the tearaway kids and Chalky during these times, and relive some of the greatest news stories from the 20th century, decade by decade, cartoon by cartoon. As a special feature, the introduction focuses on some of the famous people who have contributed forewords to his compilations over the years, including the likes of Frank Sinatra, Prince Charles, Sir John Betjeman and many more leading politicians, comedians, actors and celebrities. Guaranteed to delight his many thousands of fans, *The History of the World According to Giles* takes you on a funny and fascinating journey through the remarkable events that shaped the final 50 years of

the last century.

The Bridesmaid's Daughter Manchester University Press

Now a major television series, *CARDINAL*, and the first book in the John Cardinal series. When four teenagers go missing in the small northern town of Algonquin Bay, the extensive police investigation comes up empty. Everyone is ready to give up except Detective John Cardinal, an all-too-human loner whose persistence only serves to get him removed from homicide. Haunted by a criminal secret in his own past and hounded by a special investigation into corruption on the force, Cardinal is on the brink of losing his career—and his family. Then the mutilated body of thirteen-year-old Katie Pine is pulled out of an abandoned mineshaft. And only Cardinal is willing to consider the horrible truth: that this quiet town is home to the most vicious of serial killers. The case as it unfolds proves eerily reminiscent of the Moors murders in Britain, as an unassuming young man and his belligerently loyal girlfriend scout young victims for their macabre games. With the media, the provincial police and his own department questioning his every move, Cardinal follows increasingly tenuous threads towards the unthinkable. Time isn't only running out for him, but for another young victim, tied up in a basement wondering when and how his captors will kill him.

Few contemporaries captured Britain's indomitable wartime spirit as well or as wittily as the cartoonist Carl Giles. Now, for the first time, the very best of the cartoons he produced between 1939 and 1945 are brought together, including many that have not seen the light of day in over 75 years. As a young cartoonist at Reynold's News and then the Daily Express, Giles's work provided a crucial morale boost – and much-needed laughs – to a population suffering daily privations and danger, and Giles's War shows why. Here are his often hilarious takes on the great events of the war – from the Fall of France, via D-Day, to the final Allied victory – but also his wryly amusing depictions of ordinary people in extraordinary times, living in bombed-out streets, dealing with food shortages, coping with blackouts, railing against bureaucracy and everyday annoyances. It's a brilliantly funny chronicle of our nation's finest hour, as well as a fitting tribute to one of our greatest cartoonists.

'I told my players during the break: Since we're here anyway, we might actually play a bit of football.' The Little Red Book of Klopp celebrates the best witticisms, sayings, and insults from Liverpool manager Jürgen Klopp, accompanied by illustrations of the great man himself. Jürgen Klopp has almost single-handedly injected the passion back into English football with his charisma and high-tempo brand of the beautiful game. He has taken Liverpool back to the top of European football by winning the 2019 UEFA Champions League Final and his team won the Premier League in 2020. Matched only by his success on the pitch, Klopp has become renowned for his outspoken sayings off it, usually accompanied by his characteristic facial expressions and passionate arm waving. 'Let's talk about six, baby! Let's talk about you and me'

At the bottom of your backyard, you might just hear a sound... A chirrup from the treetops or a scuttle on the ground! If you step a little closer, maybe you can see a ladybug, a dragonfly, a beetle, or a bee! It's creepy-crawly fun! Meet the marvelous bugs that live in your backyard in this energetic collection of poems that introduces fifteen amazing insects. Vibrantly illustrated, each humorous verse features a different insect and also includes an interesting fact about them.

The Labour Party welcomed the Russian Revolution in 1917: it paved the way for the birth of a socialist superpower and ushered in a new era in Soviet governance. Labour excused the Bolshevik excesses and prepared for its own revolution in Britain. In 1929, Stalin deported hundreds of thousands of men, women and children to work in labour camps. Subjected to appalling

treatment, thousands died. When news of the camps leaked out in Britain, there were protests demanding the government ban imports of timber cut by slave labourers. The Labour government of the day dismissed mistreatment claims as Tory propaganda and blocked appeals for an inquiry. Despite the Cabinet privately acknowledging the harsh realities of the work camps, Soviet denials were publicly repeated as fact. One Labour minister even defended them as part of 'a remarkable economic experiment'. Labour and the Gulag explains how Britain's Labour Party was seduced by the promise of a socialist utopia and enamoured of a Russian Communist system it sought to emulate. It reveals the moral compromises Labour made, and how it turned its back on the people in order to further its own political agenda.

** Shortlisted for the Military History Matters Book of the Year Award ** 'Magnificent. Narrative history at its vivid and compelling best' Fergal Keane The first major history of the International Brigades: a tale of blood, ideals and tragedy in the fight against fascism. The Spanish Civil War was the first armed battle in the fight against fascism, and a rallying cry for a generation. Over 35,000 volunteers from sixty-one countries around the world came to defend democracy against the troops of Franco, Hitler and Mussolini. Ill-equipped and disorderly, yet fuelled by a shared sense of purpose and potential glory, these disparate groups of idealistic young men and women formed a volunteer army of a size and type unseen since the Crusades, known as the International Brigades. Were they heroes or fools? Saints or bloodthirsty adventurers? And what exactly did they achieve? In this magisterial history, Giles Tremlett tells – for the first time – the story of the Spanish Civil War through the experiences of this remarkable group. Drawing on the Brigades' archives in Moscow, as well as first-hand accounts, The International Brigades captures all the human drama of a historic mission to halt fascist expansion in Europe.

Molly Giles's engaging collection of stories was the winner not only of the Flannery O'Connor Award for Short Fiction but also of the 1985 San Francisco Bay Area Book Reviewers Association (BABRA) Award for Fiction and the 1986 Boston Globe Fiction Award. Many of the stories in Rough Translations have been anthologized and adapted for radio performance. A master of the complexities of language, Molly Giles writes of the missed connections in life and of the rough translations that we employ when we try to convey, through words and gestures, what we are thinking and what we want from our loved ones.

In this mystery in the award-winning series featuring a twelfth-century Benedictine monk, Brother Cadfael must travel to the heart of a leper colony to root out the secret behind a savage murder. Setting out for the Saint Giles leper colony outside Shrewsbury, Brother Cadfael has more pressing matters on his

mind than the grand wedding coming to his abbey. But as fate would have it, Cadfael arrives at Saint Giles just as the nuptial party passes the colony's gates. When he sees the fragile bride looking like a prisoner between her two stern guardians and the bridegroom—an arrogant, fleshy aristocrat old enough to be her grandfather—he quickly discerns this union may be more damned than blessed. Indeed, a savage murder will interrupt the May-December marriage and leave Cadfael with a dark, terrible mystery to solve. Now, with the key to the killing hidden among the lepers of Saint Giles, the monk must ferret out a sickness not of the body, but of a twisted soul.

A book on the life and writings of Giles Firmin (1613/14-1697), situating him in the intellectual milieu of late seventeenth century puritanism.

The History of the World According to Giles Random House

- A perfect gift for any wine lover who revels in the stories about wine - Full of humorous, philosophical, literary and knowledgeable articles and extracts, all from great writers - A modern day tribute to Cyril Ray's - *The Compleat Imbiber* An elegantly bound collection of fine wine writing past and present - the perfect gift for wine lovers everywhere (or the wine lovers in their life). With contributions from Michael Broadbent on good and bad vintages, Ian Maxwell Campbell on Bordeaux vs Burgundy, George Orwell and PG Wodehouse on the complementary pleasures of wine and tea, Randall Graham on the search for California's 'magic grape' and Andrew Caillard MW on the art of the wine label, it brims with wit and wisdom from some of the most erudite wine writers ever to raise a glass. Also includes Steven Spurrier, Jason Tesauro, Jane MacQuitty, Giles MacDonogh, Philippe de Rothschild, Fiona Morrison MW, Dan Keeling, Charles Walter Berry and many more. Like Cyril Ray's classic *Compleat Imbiber* before it, *In Vino Veritas* might rightfully be described as 'the quintessential late-evening or bedtime book for those who like wine'. 'Denied wine's bridge to gregariousness, "cabined, cribbed, confined, bound in to saucy doubts and fears," as Macbeth once complained, we need an antidote, and rummaging around in this anthology of wine writing is a good

one: It's a set of keys to open the windows and let some sun shine in.' - *World of Fine Wine*

"This book made me want to step aside, hand over the mic, and listen to Wes. A must-read." --Mariama J. Lockington, author of *For Black Girls Like Me* Brand-new kicks, ripped denim shorts, Supreme tee-- Wes Henderson has the best style in sixth grade. That--and hanging out with his crew (his best friends since little-kid days) and playing video games--is what he wants to be thinking about at the start of the school year, not the protests his parents are always dragging him to. But when a real estate developer makes an offer to buy Kensington Oaks, the neighborhood Wes has lived his whole life, everything changes. The grownups are supposed to have all the answers, but all they're doing is arguing. Even Wes's best friends are fighting. And some of them may be moving. Wes isn't about to give up the only home he's ever known. Wes has always been good at puzzles, and he knows there has to be a missing piece that will solve this puzzle and save the Oaks. But can he find it . . . before it's too late? Exploring community, gentrification, justice, and friendship, *Take Back the Block* introduces an irresistible 6th grader and asks what it means to belong--to a place and a movement--and to fight for what you believe in. * "Outstanding."—School Library Journal, Starred Review * "Transformative."—Kirkus Reviews, Starred Review "Filled with hope, friendship, and grit." --Stacy McAnulty, best-selling author of *The Miscalculations of Lightning Girl* "Timely and penetrating." --Kelly Starling Lyons, author of *Sing a Song: How Lift Every Voice and Sing Inspired Generations* "Chrystal Giles's sparkling debut will have you standing up and cheering." --Lisa Yee, award winning author of *Millicent Min, Girl Genius* "Chrystal Giles really nailed it. I loved this book." --Linda Williams Jackson, award winning author of *Midnight Without a Moon* "Necessary and inspiring. An empowering read." --Ashley Herring Blake, author of the *Stonewall Honor Book* *Ivy Aberdeen's Letter to the World* "Wes will welcome middle grade readers into his delightful circle of friends, his strong and loving family, and his powerful community." --Barbara Dee, author of the ALA Notable Children's Book *Maybe He Just Likes You*

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. The 'bog bodies' of north-western Europe have captured the imaginations of poets and archaeologists alike, allowing us to come face-to-face with individuals from the past. Their exceptional preservation permits us to examine minute details of their lives and deaths, making us reflect poignantly on our own mortality. But, as this book argues, the bodies must be resituated within a turbulent world of endemic violence and change. Reinterpreting the latest continental research and new discoveries, and featuring a ground-breaking 'cold case' forensic study of Worsley Man, Manchester Museum's 'bog head', it brings the bogs to life through both natural history and folklore, revealing them as places that were rich and fertile yet dangerous. The book also argues that these remains do not just pose practical conservation problems but also philosophical dilemmas, compounded by the critical debate on if – and how – they should be displayed.

In Vino Veritas Pan Macmillan

Tooling across the American southwest in their giant Winnebago, Max and his nephew, Owen, seem harmless enough, the actorly old fellow spouting Shakespeare like a faucet while his young charge trots him through select tourist destinations along the road. But appearances, as you might imagine, can be deceiving. Old Max is actually a master thief, and young Owen's summer vacation is his careful apprenticeship in a life of crime. Pulling heists is scary enough, but ominous signs point to the alarming

fact that The Subtractors are on their tail, criminal bogeymen who stop at nothing to steal from other thieves. The road trip soon turns into a chase, by turns comic and horrifying. The most

disturbing twist: Owen's slow realization that the person he loves most in the world is the one who can do him the most harm.
