## OCONNOR JAMIE

*Ritter Runkel in seiner Zeit* Leipziger Universitätsverlag  
 It wasn't until Carlos helped me put the pieces back together that I realized how many were missing. Shattered. Tormented. Brain on disconnect. A car accident leaves Erin Rocheford, a seventeen-year-old hockey player, fractured, disfigured, near death. Not only has her future career in the NHL been erased, but when she's finally released from the hospital, she can barely walk, her thoughts stumble into each other, and people grimace when they see the scars crisscrossing her face. Erin's parents decide that a vacation in Florida, on an island of palm trees and pirate lore, is just what she needs to recover. But in her post-traumatic state, Erin is vulnerable to attack, to a ghostly invasion, and to a further fragmenting of her troubled grey matter. Soon after arriving on the island, a tale of an odd English pirate and his feisty captive—a story of defiance and decapitation—weaves

itself into her mind, threatening her very soul. Erin will need to call upon every reserve in her hockey-toned body to keep from falling apart altogether, to fight back, and to protect her star player—the one boy who can see beyond the scars. "Mosaic, Deborah Jackson's fourth young adult novel, involves young lovers, pirates, murder, ghosts and hockey; in short, something for everyone. The Ottawa-based writer has structured a suspenseful, action-filled novel which will appeal to an older teen audience.... Jackson considered Mosaic an 'experiment in structuring a novel to match its theme.' Her experiment is definitely a success." —Ruth Latta, *Apartment 613 Agriculture* Berghahn Books  
 As with all other forms of popular culture, comics in East Germany were tightly controlled by the state. Comics were employed as extensions of the regime's educational system, delivering official ideology so as to develop the "socialist personality" of young people and generate enthusiasm for state socialism. The East German children who

avidly read these comics, however, found their own meanings in and projected their own desires upon them. Four-Color Communism gives a lively account of East German comics from both perspectives, showing how the perceived freedoms they embodied created expectations that ultimately limited the regime's efforts to bring readers into the fold. *Minerva* Cornell University Press  
 Die DDR existiert seit bald 25 Jahren nicht mehr, aber die Kämpfe um die Interpretation ihrer Geschichte halten unvermindert an. Doch wie war er denn nun wirklich beschaffen, dieser untergegangene deutsche Staat? Welche Bedingungen bestimmten das Leben der DDR-Bürger? Und warum war nach vier Jahrzehnten Schluss? Fernab jeden Anspruchs auf Deutungshoheit oder Vollständigkeit lotet Klaus Behling in einem umfangreich recherchierten und pointiert geschriebenen Kaleidoskop 40 Jahre DDR-Historie aus. 111 interessante, tiefgreifende, brisante, traurige, schaurige, witzige, in jedem Fall aber neugierige Fragen stellt er

sich und seinen Lesern, aus deren Beantwortung ein kundiges und im besten Sinne populäres Sachbuch entstanden ist.

**Titanic** Bild und Heimat Die sechste Folge des Jahrbuchs widmet sich dem Thema »Kinder- und Jugendliteratur und Erziehung/Pädagogik«.

The Plant Disease Bulletin

BoD – Books on Demand Armenian Christianity Today examines contemporary religious life and the social, political, and cultural functions of religion in the post-Soviet Republic of Armenia and in the Armenian Diaspora worldwide. Scholars from a range of countries and disciplines explore current trends and everyday religiosity, particularly within the Armenian Apostolic Church (AAC), and amongst Armenian Catholics, Protestants and vernacular religions.

Themes examined include: Armenian grass-roots religiosity; the changing forms of regular worship and devotion; various types of congregational life; and the dynamics of social composition of both the

clergy and lay believers. Exploring through the lens of Armenia, this book considers wider implications of 'postsecular' trends in the role of global religion.

*Revue Agronomique Canadien* Verlag Antike

Die Bildergeschichte um den verspäteten Kreuzfahrer Ritter Runkel von Rübenstein und die Digidags erschien von Mai 1964 bis Juni 1969 in der DDR als fünfte Hauptserie der Zeitschrift "MOSAİK von Hannes Hegen". Obwohl sie "nur" Comic-Figuren sind, war ihr Name in der DDR nahezu für jedermann ein Begriff. Doch welches Bild vom Mittelalter

vermittelte die Runkel-Serie? War es ein anderes, vielfältigeres, als es der ideologisch überformte

Geschichtsunterricht in der DDR bot? In ihren Beiträgen wollen die Autoren des Bandes – unter ihnen ausgewiesene Fachleute für die Geschichte des Mittelalters, für Byzantinistik, Germanistik, Skandinavistik und Zeitgeschichte – den potenziellen Beitrag der Runkelserie zur Ausprägung des Geschichtsbewusstseins mehrerer Generationen

vor allem in Ost-, aber auch in Westdeutschland ausloten und kritisch hinterfragen. Mit zahlreichen Abbildungen und Fotografien.

Mosaic Gibbs Smith

Eine erste Begegnung mit der Antike erfolgt für viele Zeitgenossen nicht in einer Begegnung mit antiken Texten oder Resten, sondern mit modernen

Kriminalromanen. Wie arbeiten ihre Autorinnen und Autoren? Was reizt Historiker an

Antikenkrimis? Welche Gattungen und welche Traditionen gibt es? Und wie werden diese Traditionen in Literatur, Comic und Fantasy aufgenommen? Der von dem Erfurter

Universitätspräsidenten Kai Brodersen

herausgegebene Band vereinigt ein Dutzend Originalbeiträge: Texte und Reflexionen der bekannten Krimi-Autoren Malachy Hyde (Karola Hagemann und Ilka Stitz) und Hans Dieter Stover sowie Studien von Stefan Cramme, Dagmar Dappert, Jorg Fundling, Annette Korthaus, Thomas Kramer, Nick Lowe, Maria Rutenfranz, Markus Schroder und Wolfgang Will.

Sprachspiele im Comic Deborah Jackson

The essential beginner's manual on living a greener, healthier, and more self-sufficient lifestyle. Absolutely all you need to know to provide you and your family with homegrown food throughout the year. Alison Candlin offers easy-to-follow advice on planning, establishing, and maintaining a small-acre farm, an allotment, or a backyard garden. She also includes essential tips for selecting, housing, and looking after chickens, goats, pigs, bees, and other animals. Learn how to collect and recycle water, compost your leftover scraps, and generate renewable energy for your own home in order to save money and minimize your impact on the environment. With step-by-step instructions and more than 350 photographs and charming illustrations, this book is a practical and comprehensive guide to living off the land.

*10,000 Garden Questions Answered by 20 Experts*  
McGraw-Hill ESL/ELT  
Aufgewachsen in der unsicheren und kargen Zeit der Nachkriegsjahre in Ostdeutschland, 7 Jahre nach der Gründung und des spannenden Aufbaus der DDR, des unmittelbaren Erlebens

der Aengste durch den Kalten Krieg und unter den realen Bedingungen der DDR-Diktatur, beschreibt der Autor diese Jahre für Ihn nicht nur als sehr lehrreiche und praegende, sondern im nach hinein und im gesamten selbst betrachtet, auch als die Wunderbaren Jahre von Karl-Marx-Stadt. Der Autor beschreibt aber auch die Stagnation in der Entwicklung der DDR und die damit eingeleitete Bleierne Zeit, welche auch in der Bundesrepublik beschrieben worden ist, auf DDR-Boden aber eine andere war. Er schildert diese Zeit weiter bis zu den Vorwende-Jahren und der friedlichen Revolution der Buerger im November 1989. Erst die Wende und die darauf folgenden neuen Jahre brachten auch eine Wende in seinem Leben. Diese Zeit des Umsturzes und Wandels, diese Zeit voller Veraenderungen. Genau die richtige Ausgangssituation, um lang ertraeumte aber nie verwirklichte Ziele anzugehen. Staunen Sie über einen beruflichen Aufstieg und anschließenden Fall, den Filmproduzenten nicht haetten besser inszenieren koennen, hier aber real gelebt worden

sind. Lassen Sie sich vom Autor mit einer spannenden Schilderung von Wirtschaft, Politik, Gesellschaft, aber auch über Musik und dem Leben entfuehren. Tauchen Sie ein, in die wahre Geschichte eines normalen Lebens, welches in einer Zeit handelt, die alles andere als normal war!

Walter de Gruyter GmbH & Co KG  
Diese Arbeit beschäftigt sich mit dem Lernpotenzial von Geschichtscomics, einem bislang in der geschichtsdidaktischen Forschung kaum beachteten Gegenstand. Anhand des gesamten Bestandes der bislang in Deutschland veröffentlichten Geschichtscomics untersucht der Autor die prinzipiellen Möglichkeiten und Grenzen dieses Kunstgenres in Bezug auf die Entwicklung von historischen Kompetenzen im Geschichtsunterricht.

Anhand von geschichtsdidaktischen Theorie-Aspekten (Narrativität, Geschichtskultur, Emotionales Lernen, Geschichts-Dekonstruktion, u.a.) und empirischen Befunden werden Thesen über die Kapazitäten, Themenfelder und die förderungswürdigen Kompetenzen diskutiert. Die Befunde aus Theorie und Empirie ermöglichen schließlich ein pragmatisches Fazit.

Oxford University Press

The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of

birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The Oxford Companion to the Bible provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible. Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pisgah?--to extensive interpretive essays on topics such as the influence of the Bible on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore

biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world (including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible--including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishnah. Virtually every figure who walked across the biblical stage is identified here, ranging from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal

complement to the Bible, an essential volume for every home and library, the first place to turn for information on the central book of Western culture.

[Economic Entomology](#)

Kinder- und Jugendliteraturforschung 1999/2000

[Reclaiming the Past](#) examines the post-antique history of Argos and how the city's archaeological remains have been perceived and experienced since the late eighteenth century by both local residents and foreign visitors to the Greek Peloponnese. The first western visitors to Argos—a city continuously inhabited for six

millennia—invariably expected to encounter landscapes described in classical texts—yet what they found fell far short of those expectations. At the same time, local meanings attributed to ancient sites reflected an understanding of the past at odds with the supposed expertise of classically educated outsiders.

Jonathan M. Hall details how new views of Argos emerged after the Greek War of Independence (1821–1830) with the adoption of national narratives connecting the newly independent kingdom to its ancient Hellenic past. With rising local antiquarianism at the end of the nineteenth century, new tensions surfaced between conserving the city's archaeological heritage and promoting urban

development. By carefully assessing the competing knowledge claims between insiders and outsiders over Argos's rich history, [Reclaiming the Past](#) addresses pressing questions about who owns the past.
