Proficiency as a
drummer has always
come from great hand
dexterity. However,
with the introduction of
modern drumming

techniques, it has
become increasingly
necessary to gain
complete
independence of both
the hands and feet.
With various rhythmic
exercises in easy-to-
read notation, 4-Way
Coordination is
designed to guide the
drummer from simple
patterns to advanced
polyrhythms. Through
the study of this

method book, the student will gain invaluable listening skills and techniques that will provide insight to drumming in all styles.

Stick Control Modern Drummer

Learn to Play Drums goes way beyond every other 'boring' text book to teach you perfect drum technique... from the ground up.

Time is a musical
essential. Whether you
are playing a simple
beat, a fill, or a solo,
time should inform
every choice you make
at the drums. Hence,
Everything Is
Timekeeping. This DVD
features Peter
Erskine's instructional
videos Everything Is
Timekeeping and
Timekeeping 2, which
were previously
available only on VHS.
Assisting Peter on this
DVD are guitarist John
Abercrombie and
bassist Marc Johnson.

With the focus always on time and feel, Peter covers topics such as the jazz ride pattern, ride cymbal technique, basic jazz independence and coordination, improvisation, and composition. Also featured are advanced musical styles and ethnic grooves such as samba, calypso, Afro-Latin, reggae, jazz, and funk. In addition, there are brand-new special features, including performances with vibraphonist Mike Mainieri, an extended lesson in brush-playing techniques, an in-depth interview, and a video montage. The DVD also includes PDF files of the booklets that accompanied the original releases.

Pad Book Hal Leonard Corporation (Worship Musician Presents). The Worship Drum Book: Concepts

to Empower Excellence is a powerful guide for drummers in contemporary churches and for drummers in traditional churches who are making the transition from worship supported by organ or piano to worship supported by a full rhythm section. With over 30 years of experience in the modern worship movement, author Carl Albrecht has a vast knowledge of what drummers need to know to adapt to modern music's being brought into the church. The adoption of drums into church worship services is sometimes a very controversial issue, so Albrecht shares ways that drummers can be sensitive to the congregation and

leaders and yet play with authority and confidence. Developing great drumming skills along with an understanding of spiritual matters is of the utmost importance. Therefore, while this book addresses important traditional drumming techniques and concepts, it also explains the unique role that drummers or musicians of any sort have as minstrels in the house of the Lord. In this book, Albrecht also shares concepts to help touring music groups and worship artists who are called outside the church walls. He and his wife, Leann, minister to churches and worshippers all around the world while also sharing an active ministry in their home church in Nashville.
