 A classic grimoire, or source-work of magic. *Le Vritable Magie Noire*, or the book of True Black Magic, is an influential early printed grimoire, containing many interesting features. It is one of many variants of The Key of Solomon (Clavicula Salomonis), but printed as a chapbook, or example of *Bibliothèque bleue*. As such it was small, cheap, and easy to hide or carry as an amulet. All these were important factors that lead to its popularity and worldwide distribution. For those familiar with the edition of the Key of Solomon edited by the influential occultist S. L. Mathers, much of the content looks familiar. But it has some

unique features that draw our attention. In particular, it preserves some older elements not included in the Mathers edition, including spells for love, and hindering romantic rivals. This new critical edition includes a new English translation, and complete French text.

The Church Year for Children Camino Würde Ignatius von Loyola heute Filme drehen? Das fragt sich der Jesuit und Exerzitenbegleiter Bernhard Heindl. Immerhin geht es Ignatius doch darum, an biblischen Geschichten ganz nah dran zu sein. Das Gebet wird zu einem inneren Kino. In 50 kurzen Szenen erzählt Bernhard Heindl von persönlichen Methoden, Gedanken und Begegnungen, die für sein eigenes spirituelles Drehbuch wichtig sind.

The Global Sexual Revolution

This is the standard work on The Global Sexual Revolution. First published in 2012,

it is translated into 15 languages and updated for this edition. The new ideology of gender denies the binary structure of human existence as man and woman and overthrows moral limitations of sexuality. This destroys marriage and family as the foundation of culture.

Every child knows what is celebrated at Christmas. But what happens on holidays like Pentecost and Ascension Day? Who were Saint Martin and Saint Nicholas? What do we celebrate on Thanksgiving and All Saints' Day? Why do we dye Easter eggs? With this book, children actively discover the church year. Starting with Advent, there are child-friendly factual texts, explanatory illustrations and creative suggestions on how to organize these special times for each festival and each year.
