CBSE New Pattern Physics Class 12 for 2021-22 Exam (MCQs based book for Term 1) Ravinder Singh and sons
Comprehensively written, this book presents the political theories, concepts, analysis, thoughts and main currents. The book begins with introduction to political theory, its history, evolution & approaches while also discussing forms & organs of Government. It progresses to discuss contemporary political analysis in light of American concepts and main currents of Political Thought in detail. This book would

be extremely useful for the students pursuing BA Political Science.

S. Chand Publishing

The book serves as a complete guide and elaborately explains the different usages of nouns, adjectives, adverbs, phrases, proverbs and so on. Hence, it will undoubtedly serve as a bible for both the lovers and wizards of English language.

For most people, the mind seems to be an unruly cacophony, attempting to grasp and shape everything which falls in its purview. In mind is your business, Sadhguru explains that only if we make it

“our business” to transform this uncoordinated mess into a well-coordinated symphony, will we be able to use the mind, rather than be used by it. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.
