When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents’ arguing and the battle she’s fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn’t sure a change of scenery will alter anything, but she’s willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo’s beach house. Once they’re settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that’s when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother’s dying words as guidance, Oakley knows she must learn to listen and trust again. Ruined: A Novel Yen Press LLC

She is expected to marry, cook, and have children—and instead she's sneaking off to war. Can she manage to stay alive, save her mother, and keep the handsome son of a duke from discovering her secret? The Warrior Maiden is a reimagining of the classic Mulan tale in medieval Europe. When Mulan takes her father's place in battle against the besieging Teutonic Knights, she realizes she has been preparing for this journey her whole life—and that her life, and her mother's, depends on her success. As the adopted daughter of poor parents, Mulan has little power in the world. If she can't prove herself on the battlefield, she could face death—or, perhaps worse, marriage to the village butcher. Disguised as a young man, Mulan meets the German duke's son, Wolfgang, who is determined to save his people even if it means fighting against his own brother. Wolfgang is exasperated by the new soldier who always seems to be one step away from disaster—or showing him up in embarrassing ways. From rivals to reluctant friends, Mulan and Wolfgang begin to share secrets. But war is an uncertain time and dreams can die as quickly as they are born. When Mulan receives word of danger back home, she must make the ultimate choice. Can she be the son her bitter father never had? Or will she become the strong young woman she was created to be? This fresh twist on the classic tale takes us to fifteenth-century Lithuania where both love and war challenge the strongest of heroes.
