**Sophie and the Perfect Poem** Penguin  
 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy. [The Luster of Lost Things](#) HarperCollins  
 Chicken Soup for the Soul Kids imparts good values through heartwarming and humorous stories to help kids put their best foot forward. Sophie loves to play with Mia's dollhouse, and most of all she

loves the tiny dog named Emma who lives in the dollhouse. But every day, Sophie has to put Emma back. One day, she doesn't. The dog is so tiny, and Mia doesn't even like the dollhouse. Nobody will know if Sophie keeps it - so she tucks Emma into her pocket. But back at home, Emma's smile doesn't seem so friendly. She looks out of place, and Sophie knows why. After worrying and asking for advice from the Sunshine Squad, Sophie decides to do the right thing and learns that telling the truth feels good, even better than getting a new toy!

**Sophie Washington: My BFF** Boyds Mills Press

The New York Times bestselling author of *The Monogram Murders* and *Woman with a Secret* returns with a sharp, captivating, and expertly plotted tale of psychological suspense. All Beth has to do is drive her

son to his soccer game, watch him play, and then return home. Just because she knows her ex-best friend lives near the field, that doesn't mean she has to drive past her house and try to catch a glimpse of her. Why would Beth do that and risk dredging up painful memories? She hasn't seen Flora for twelve years. She doesn't want to see her today—or ever again. But she can't resist. She parks outside the open gates of Newnham House, watches from across the road as Flora arrives and calls to her children Thomas and Emily to get out of the car. Except . . . There's something terribly wrong. Flora looks the same, only older. Twelve years ago, Thomas and Emily were five and three years old. Today, they look precisely as they did then. They are Thomas and Emily without a doubt, but they haven't changed at all. They are no taller, no older. Why

haven't they grown? How is it possible that they haven't grown up?

Sophie competes against Mr. Know-It-All, Nathan Jones, in the school spelling bee. *Sofia Tolstaya, the Author* Charlesbridge Publishing

A Truly Unique Chess Book The chess triumphs of the Polgar sisters are legendary. Now, in this very special book, Sofia Polgar tells her own exceptional story: from her development as a prodigy and remarkable tournament successes to her eventually settling down, with chess occupying a lesser role as she raised a family. Sofia presents many of her games, each with her own brand of fireworks. Clear, straightforward annotations allow the reader to appreciate her accomplishments on the board, while away from the board, her many personal memoirs complete the picture. There are many photographs, many of which have never been previously published. They nicely complement the chronicle of both her meteoric rise in the chess world and her loving family who encouraged her at every turn. What is not generally known is that Sofia Polgar is also a gifted artist - a talented painter. Dozens of examples of her brilliant creativity on canvas are featured throughout this large format book. These paintings are presented in full color and on special matte paper to

enhance the reader's viewing enjoyment. Two editions of this truly unique book will be offered: (1) a large format (7x10) softcover edition; and (2) a large format (also 7x10), signed and numbered hardcover edition. This special hardcover edition will be limited to 200 numbered copies. Each will be signed and dated by Sofia. From Susan Polgar's Foreword: You are invited to enjoy the experience of the wonderful legacy of Sofia's amazing chess career and art. From Judit Polgar's Foreword: I wish the readers a pleasant journey on this artistic excursion that provides great chess lessons while also offering nourishment for the soul. Sofia Polgar: Amazing Artist - Dangerous Tactician is part autobiography, part art gallery and part tactical textbook, but above all it is a very special, unique look at the life and games of an artist both on and off the board.

*Sophie's Dance Class* Scholastic Inc. Shortlisted for the Costa Children's Book Award. A remarkable tale of confusion and betrayal - and a very special girl called Sophie. 'Some stories are hard to tell. Even to your very best friend. And some words are hard to get out of your mouth. Because they spell out secrets that are too huge to be spoken out loud. But if you bottle them up, you might burst. So here's my story. Told the only way I dare tell it.' Sophie Nieuwenleven is sort of English and sort of Belgian. Sophie and her family came to live in Belgium when she was only four or five years old, but she's fourteen now and has never been quite sure why they left England in the first place. Then, one day, Sophie makes a startling discovery. Finally Sophie can unlock the mystery of who she really is. This is a story about identity and confusion - and feeling so utterly freaked out that you just can't put it into words. But it's also about hope. And the belief that, somehow, everything will work out OK. *SOPHIE SOMEONE* is a tale of well-intentioned but stupid parenting, shock, acceptance and, ultimately, forgiveness, written in a brave, memorable and unique language all of its own.

*Sing, Sophie!* University of Ottawa Press The second book in the Chicken Soup for the Soul Kids series celebrates friendship, kindness, and the importance of doing the right thing with the Sunshine Squad! Sophie loves to play with Mia's dollhouse, and most of all she loves the tiny dog named Emma who lives in the dollhouse. But every day, Sophie has to put Emma back. One day, she doesn't. The dog is so tiny, and Mia doesn't even like the dollhouse. Nobody will know if Sophie keeps it - so she tucks Emma into her

pocket. But back at home, Emma's smile doesn't seem so friendly. She looks out of place, and Sophie knows why. After worrying and asking for advice from the Sunshine Squad, Sophie decides to do the right thing and learns that telling the truth feels good, even better than getting a new toy! Chicken Soup for the Soul Kids imparts good values through heartwarming and humorous stories to help kids put their best foot forward.

**Sophie the Skunk Who Sometimes Stunk** Orchard Books

Oh no! Sophie got up on the wrong side of the crib! Nothing is right: birthday dress, birthday pancakes, or fairy wings. Then Granny and Sophie pay a visit to Zeke's Palace of Costumes. Suddenly Sophie gets a chance to become a truly terrible two. Rosemary Wells captures a Terrible Two morning that will make both youngsters and oldsters laugh out loud.

*Wild Things! Acts of Mischief in Children's Literature* Hot Key Books

Three-time Caldecott Honor illustrator Molly Bang helps children solve problems by showing a different -- and highly effective -- approach: "I can't do it" becomes "I can't do it... yet." When Sophie can't solve a math puzzle, she feels upset and inadequate. "I CAN'T DO IT!" she shouts, expressing the frustration all of us feel when we try and fail. Will she ever be "smart" like her sister? Maybe she isn't smart at all. Luckily Sophie's teacher steps in. What does it mean to be smart? Using current, popular "mindset" techniques, Sophie's class is taught that we get smarter when we exercise our brains, such as when we work harder at solving a puzzle. Struggling to solve a problem doesn't mean "I can't do it!" Sophie and her classmates just can't do it... yet! Readers will cheer when Sophie finally prevails, and at the end of the day, she's confident and optimistic. At home, Sophie uses her new technique to help her dad solve a carpentry puzzle. In this third book about Sophie, Molly Bang again helps children deal with a challenging everyday issue, providing an opening to ask: What do you do when you think, "I can't!"?

**Sofia Polgar** Xlibris Corporation

Sophie means to be a good little mouse, but she just can't resist testing the limits with her patient parents and grandmother. Eat supper? More fun to throw it on the floor. Fold the laundry? More fun to knock over the pile. Read with Grandma? More fun to steal her glasses. And then it's time out for Sophie! Rosemary Wells has created a memorable new character, ready to take her place next to Max and Ruby, Yoko, and Noisy Nora. Sophie's adorable antics will strike a chord with

children and parents alike.
