Perfect for fans of Alafair
Burke and Megan Collins,
Sarah Warburton's debut
novel that explores the
dangerous bond between
sisters. When her sister
goes missing, Zoe
assumes it's just another
one of her estranged

sibling's stunts--but the
danger is all too real. Zoe
Hallett and her sister,
Ava, are the precocious
offspring of two
pioneering scientists, but
the sisters have been
estranged for years. When
Zoe reads a news story
about Ava's mysterious
disappearance, she
assumes it's just another
of her sister's twisted
fictions, designed to
blame Zoe and destroy
the peaceful life she's

created with her husband
and beautiful
stepdaughter in Houston.
But Zoe's email is hacked
to send threatening
messages to Ava--and a
more sinister picture
begins to emerge. Zoe
returns to her home state
of Virginia to prove her
innocence to the
authorities, to her
parents, and to Glenn, her
ex-boyfriend and current
brother-in-law. For the
first time, Zoe begins to

believe Ava is in grave danger, and when Glenn catches her searching for clues in Ava's home, she looks guiltier than ever-- but maybe Glenn is not all he seems. The clues Zoe finds point to a bizarre link between Ava's disappearance and her mother's "research". Is there a secret someone is trying to protect? And would someone be willing to kill to protect it? As her sister's life hangs in the balance, Zoe draws on hidden reserves of strength and hope to save the sister she never

thought she loved.

What can be hotter than one smoking hot firefighter trying to win your heart? Two of them! Before leaving for

college Ivy Sullivan took a chance and opened her heart to her close friend and town heartthrob, Ethan Rogue. His rejection had been swift and devastating. He didn't need to tell her the reason for his rejection; she was the chubby girl, a fun girl to hang out with, but not girlfriend material. One rejection - weight gone - now could she be the sexy woman she always dreamed of? But Ethan's rejection gave Ivy the motivation to reinvent herself and she comes back to her hometown

with one goal in mind - revenge. She's determined to show Ethan and his best friend Trey, both of whom were notorious for breaking the hearts of every woman they dated, what it feels like to be treated as insignificant. There's only one problem ... Ivy isn't the only one who has changed. Now both firefighters, Ethan and Trey have changed. They're no longer the arrogant jocks they used to be, but sexy, caring men who are genuinely looking for a woman to

share their lives with. And they have both set their sights on Ivy. While the old Ivy would have spent days agonizing over which hot guy she wanted this is no longer the case, because Ivy knowsShe wants them both!

Unfortunately, I seemed

to have missed that memo. When Carrington Anderson shows up on my doorstep applying to become my roommate, I'm immediately shook. He doesn't remember who I am, but I sure as hell remember him. He'd broken my heart and been part of the reason my high school years had been complete and utter torture for me. I still dealt with the emotional and mental damage high school had inflicted upon my psyche. Now ten years later, a hundred and fifty pounds lighter and

adorned with more tattoos than a sailor, I wasn't even close to being the same girl I'd been back then. The girl I used to be died a long time ago. I thought I could resist his charms this time, but I was sorely mistaken. As we got to know each other all over again, I feared he'd destroy my heart a second time around.

Falling for a fantasy... or two.... "If it doesn't melt your panties, I'm not doing my job." My name is

Monica and I'm a romance author. My readers all think I'm tearing up the sheets with one hot hunk after another. Yeah, right. Only in my dreams, and in my books. My bed sees less action than Sunday night at the bingo hall. So what's a newly-single romance author to do? Two weeks of whatever, and whoever, I can get my hands on in Amsterdam, that's what. It's time to unleash my inner heroine, no strings attached, tax-deductible, intellectual, and purely sexual. You know...

RESEARCH PURPOSES ONLY. I expect to experience a wild week or two, acquire some knowledge so I can write what I know, so I don't feel like a fraud. I never dreamed that I would meet two drop-to-your-knees-gorgeous men who would make my fantasies a reality or fall for me as quickly as I fell for them. *Sibling Rivalry* Penguin

National Book Award Finalist • Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities--with the help of amphetamines, arsenic, and radioisotopes. Their offspring include Arturo the Aquaboy, who has flippers for limbs and a

megalomaniac ambition worthy of Genghis Khan . . . lphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous

light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same. on my night-side table! Imagine my surprise on moving day when I discover my one-night stand is now my new neighbor, Nate. Last weekend, the hot NYPD officer gave me the night of my life. He looks almost as handsome in uniform as out of uniform. I wait for him to say something like... 'You were amazing.' Or 'What a night'. Or maybe, 'Dinner? My place?' Sounds reasonable, right? After all, Nate left me hoarse from screaming his name, and aching from doing it

in every position known to man. He also left me without a goodbye. Just a note. A freaking thank-you note. So, maybe I shouldn't be too surprised when he eyes me up and down and says three very different words. 'Have we met?' Bastard. That's what I thought for a second. But, it turns out Officer Casanova has a twin brother. Darrin. Nate didn't forget me. In fact, he has plans for me, plans that include his brother

and both of them having their dirty, wicked way with me. These gorgeous, sexy, demanding men want to share me. Sounds like a girl's dream come true, right? But what if a time comes when I have to choose?
