NATALIE MILLS

HowDunit - The Book of Poisons McClelland & Stewart
 Plagued by rumours that she poisoned her fiance, Lucinda Bromley manages to live on the fringes of polite society, tending her beloved plants - and occasionally consulting on a murder investigation. For the notorious botanist possesses a unique talent: she can detect almost any type of poison. But the death of a lord has shaken Lucinda to her core. At the murder scene, she picks up traces of a poison containing a very rare species of fern - stolen from her conservatory just last month. To keep her name out of the investigation, and to find the murderer, Lucinda hires fellow Arcane Society member, Caleb Jones. As a nearly overwhelming desire blooms between them, they are drawn into a deadly conspiracy that can be traced to the early days of the Arcane Society - and to a legacy of madness that could plunge Caleb into the depths of his own tortured soul...
The Poison Thread Aconyte

Whether they're writing a short detective story, crime novel, or something else, writers at every level--and in every genre--can find the information they need to make their work more accurate and gripping in this reference that cuts through the medical jargon to address everything from a poison's symptoms and reactions to how it can be administered.

Fierce Poison Tor Books

Murder in the lab! The famous forensic scientist Dr. Ramachandran is stone-cold dead, and Ruby Rose's father is the prime suspect. It's one more reason for Ruby to hate the Gardens, the funky urban neighborhood to which she has been transplanted. Wise but shy, artistic but an outsider, Ruby must marshal everything and everyone she can to help solve the mystery and prove her father didn't poison his boss. Everyone? The list isn't too long: there's T. Rex, Ruby's big, goofy but goodhearted friend; maybe those other two weird kids from class; and that mysterious old lady in the apartment upstairs, who seems to know a lot about chemistry . . . which could come in very handy. Praise for *Poison Most Vial* "Carey mixes toxic

chemistry and logic problems in his second middle-grade mystery to good, if not great effect. Budding chemists and crime-scene investigators will especially enjoy this science whodunit." —Kirkus Reviews Awards VOYA Top Shelf for Middle School Readers 2012 list

The Prince's Poison Cup St. Martin's Griffin

A charming slacker aristocrat discovers a talent for detection and a web of conspiracies in the Emerald Empire, in this snappy novel set in the fantastical world of Legend of the Five Rings. Daidoji Shin, unrepentant wastrel with a taste for scandal and dice, coasts through his role as Crane Clan's trade envoy in the City of the Rich Frog. But when a case of poisoned rice threatens the brittle peace between the competing clans, the Imperial Governor drags Shin from his indolence and orders him to find the culprit. Despite himself, Shin uncovers an intriguing conspiracy involving more than just dead rats. A murder with no body and a missing actress present a distraction that could finally make Shin put in a full day's work, and maybe even save the city from tearing itself apart.

Poison Minotaur Books

Caught in a war that pits greed and ambition against conscience and love, Emma Conway faces the fight of her life—to save her family, her company, and everything she treasures. Emma is finally living the dream—a happy second marriage and a great career. She has built Percival & Baxter's painkiller, Acordinol, into a huge success. But her dream becomes a nightmare when a Wall Street raider threatens a hostile takeover. Worse, the raider is no ordinary cutthroat but her ex-husband Josh Katz, father of their teenage son. P&B's Poison Pill defense implodes when a mysteriously tainted batch of Acordinol starts killing people, including P&B's CEO. Emma is put in charge as P&B's stock plummets. Her ex's game traps her in a web of secrets locked within secrets. A shadowy Russian oligarch behind Josh is lusting after the holy grail of drugs, the first Viagra for women. And a clandestine romance between Emma's son and the oligarch's estranged daughter puts them in the crosshairs of their parents' mortal combat. New York Times bestselling author Glenn Kaplan looks inside the heart of today's business world to create page-turning suspense in a powerful tale of a woman who leans into success—and discovers deadly peril. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

City of Lies The Order of the Poison Oak

"Mara Rutherford's *The Poison Season* took me on journey through a bloodthirsty forest, where two star-crossed lovers discover the true meaning of poison. It brims with evocative storytelling that left me enchanted!" —Emily J. Taylor, New York Times bestselling author of *Hotel Magnifique* Outsiders are always given a choice: the Forest or the lake. Either way, they're never heard from again. Leelo has spent her entire life on Endla, coexisting with the bloodthirsty Forest and respecting the poisonous lake that protects her island from outsiders who seek to destroy it. But as much as Leelo cares for her community, she struggles to accept that her younger brother will be exiled by his next birthday, unless he gains the magic of enchanted song so vital to Endla. When Leelo sees a young outsider on the verge of drowning in the lake, she knows exactly what she's supposed to do. But in a moment that will change everything, Leelo betrays her family, her best friend, and Endla by making an unthinkable choice. Discovery could lead to devastating consequences for both Leelo and the outsider, Jaren, but as they grow closer, Leelo realizes that not all danger comes from beyond the lake—and they can only survive if Leelo is willing to question the very fabric of her society, her people, and herself.

Black clouds of xenophobia gather over Radvadur, the western province of the Empire. The political climate is strained and fragile. A surge of Nymph refugees has stirred widespread hostility towards non-humans. When the investigation of a gruesome triple murder linked to the refugee camp ensues, it takes Inspector Käyru Skaer and his lover, Count Ellydhar Finn-Jánn, along an unusual path, at the end of which a precious gift awaits. Käyru and Elly are worlds apart in social standing, but they have found common ground in the bedroom—up against the wall and the stable doors, too. The arrangement between them ought to have been temporary and of no consequence. As their circumstances change, will they find the courage to risk their hearts? From bestselling author Peter Robinson comes this atmospheric, suspenseful, and thrilling standalone novel. Through the years of success in Hollywood composing film scores, Chris always promised his wife they'd return to the Yorkshire Dales one day. Now a widower, Chris feels he must not forget his promise. Back in the Dales, he rents an isolated house that will allow him the space to grieve and the peace to compose his piano sonata. But when he finds that the house was the scene of a murder in the 1950s, and the convicted murderer was one of the last women hanged in England, he finds himself increasingly distracted by the events of sixty years before . . .

Did food poisoning cause the Black Plague, the Salem witch-hunts, and other significant events in human history? In this pathbreaking book, historian Mary Kilbourne Matossian argues that epidemics, sporadic outbursts of bizarre behavior, and low fertility and high death rates from the fourteenth to the eighteenth centuries may have been caused by food poisoning from microfungi in bread, the staple food in Europe and America during this period. "A bold book with a stimulating thesis. Matossian's claims for the role of food poisoning will need to be incorporated into any satisfactory account of past demographic trends."—John Walter, *Nature* "Matossian's work is innovative and original, modest and reasoned, and opens a door on our general human past that historians have not only ignored, but often did not even know existed."—William Richardson, *Environmental History Review* "This work demonstrates an impressive variety of cross-national sources. Its broad sweep also reveals the importance of the history of agriculture and food and strengthens the view that the shift from the consumption of mold-poisoned rye bread to the potato significantly contributed to an improvement in the mental and physical health of Europeans and Americans."—Naomi Rogers, *Journal of American History* "This work is a true botanical-historical tour de force."—Rudolf Schmid, *Journal of the International Association of Plant Taxonomy* "Intriguing and lucid."—William K. Beatty, *Journal of the American Medical Association*

The Poison Master Open Road Media

"[An] uncanny Gothic mystery... Satisfying."—New York Times Book Review "A romping read with a deliciously dark conceit at its center... Reminded me of *Alias Grace*."—Kiran Millwood Hargrave From the author of *The Silent Companions*, a thrilling Victorian gothic horror story about a young seamstress who claims her needle and thread have the power to kill. Dorothea Truelove is young, wealthy, and beautiful. Ruth Butterham is young, poor, and awaiting trial for murder. When Dorothea's charitable work brings her to Oakgate Prison, she is delighted by the chance to explore her fascination with phrenology and test her hypothesis that the shape of a person's skull can cast a light on their darkest crimes. But when she meets one of the prisoners, the teenaged seamstress Ruth, she is faced with

another strange idea: that it is possible to kill with a needle and thread--because Ruth attributes her crimes to a supernatural power inherent in her stitches. The story Ruth has to tell of her deadly creations—of bitterness and betrayal, of death and dresses—will shake Dorothea's belief in rationality, and the power of redemption. Can Ruth be trusted? Is she mad, or a murderer? For fans of Shirley Jackson, *The Poison Thread* is a spine-tingling, sinister read about the evil that lurks behind the facade of innocence.

A Poison Dark and Drowning (Kingdom on Fire, Book Two) Spectra Twelve-year-old Isaveth eagerly accepts an opportunity to study at the most exclusive magical school in the city but her scholarship might prove be more a trap than a gift.

Before the Poison Anchor

"My career in the San Francisco PD ended the day I arrested my husband." Maggie Doyle gives her cheating ex and crumbling career in the San Francisco PD the proverbial middle finger, and moves to the Wild West...of Ireland. Lured by her aunt's promise of a restful Irish vacation, Maggie agrees to help out at the Movie Theater Café in exchange for bed and board. Things are looking up-until the most hated woman on Whisper Island is poisoned at the café. With her aunt as the prime suspect, Maggie and her rock-hard muffins are hurled into the murder investigation. With the help of her UFO-enthusiast friend, a nun, and a feral puppy, Maggie is determined to clear her aunt's name. Can she catch the murderer before they strike again? Or will her terrible baking skills burn down the cafe first?

A Little Taste of Poison Forge Books

"Part alien adventure and part existential exploration, this top-notch tale establishes Williams as an author to watch." —Publishers Weekly, starred review *Latent Emanation* is a cruel world where ordinary people do everything they can to stay out of the way of their vicious masters, the mysterious Night Lords. Apprentice alchemist Alivet Dee is more cautious than most, having devoted her life to making enough money to buy back her imprisoned sister from the Night Lords—but trouble is about to find her. When a client dies during a routine alchemical session, Alivet flees—pursued by the Night Lords, their minions, and a dark force that haunts her dreams. She is rescued by Ghairn, a Poison Master from another world who offers her a chance to save her sister—and humanity, as well. He is charming and handsome, with ruby-red eyes that glow in the night—but how can she trust a professional assassin? As she proceeds warily alongside the Poison Master, Alivet finds a chance not just to save mankind, but to unlock the mysteries of humanity's very existence.

Geography Club Ember

No one looks kindly on the killer of a king. "Fast-paced and refreshing." — SLJ, starred review "The perfect blend of history and dark fantasy." — Mary Taranta, author of *Shimmer and Burn*

"Thrilling, romantic, and addictive." — Rosalyn Eves, author of *Blood Rose Rebellion* "The only cure is to finish it." — Lyndsay Ely, author of *Gunslinger Girl* After unwittingly helping her mother poison King Louis XIV, seventeen-year-old alchemist Mirabelle Monvoisin is forced to see her mother's Shadow Society in a horrifying new light: they're not heroes of the people, as they've always claimed to be, but murderers. Herself included. Mira tries to ease her guilt by brewing helpful curatives, but her hunger tonics and headache remedies cannot right past wrongs or save the dissenters her mother vows to purge. Royal bastard Josse de Bourbon is more kitchen boy than fils de France. But when the Shadow Society assassinates the Sun King and half of the royal court, he must become the prince he was never meant to be in order to save his injured sisters and the petulant dauphin. Forced to hide in the sewers beneath the city, Josse's hope of reclaiming Paris seems impossible—until his path collides with Mirabelle's. She's a deadly poisoner. He's a bastard prince. They are sworn enemies, yet they form a tenuous pact to unite the commoners and former nobility against the Shadow Society. But can a rebellion built on mistrust ever hope to succeed?

Poison Urban Books

From Jennifer Donnelly, author of the acclaimed New York Times bestseller *Stepsister*, comes a fairytale retelling that'll forever change the way you think about strength, power, and the real meaning of "happily ever after." Once upon a time, a girl named Sophie rode into the forest with the queen's huntsman. Her lips were the color of ripe cherries, her skin as soft as new-fallen snow, her hair as dark as midnight. When they stopped to rest, the huntsman took out his knife . . . and took Sophie's heart. It shouldn't have come as a surprise. Sophie had heard the rumors, the whispers. They said she was too kind and foolish to rule -- a waste of a princess. A disaster of a future queen. And Sophie believed them. She believed everything she'd heard about herself, the poisonous words people use to keep girls like Sophie from becoming too powerful, too strong . . . With the help of seven mysterious strangers, Sophie manages to survive. But when she realizes that the jealous queen might not be to blame, Sophie must find the courage to face an even more terrifying enemy, proving that even the darkest magic can't extinguish the fire burning inside every girl, and that kindness is the ultimate form of strength.

The Cruellest Mercy MIRA

A modern classic about a group of teens discovering sexuality and identity, perfect for fans of Becky Albertalli, Adam Silvera, and David Levithan. Brent Hartinger's debut novel is a fast-paced, funny, and trenchant portrait of contemporary teenagers who may not learn any actual geography, but who learn plenty about the treacherous social terrain of high school and the even more dangerous landscape of the human heart. Russel Middlebrook is convinced he's the only gay kid at Goodkind High School. Then his online gay chat buddy turns out to be none other than Kevin, the popular but closeted star of the school's baseball team. Soon Russel meets other gay students, too. There's his best friend Min, who reveals that she is bisexual, and her soccer-playing girlfriend Terese. Then there's Terese's politically active friend, Ike. But how can a group like this get together at school without drawing attention to themselves? "We just choose a club that's so boring, nobody in their right mind would ever in a million years join it. We could call it Geography Club!"

Poison Most Vial Penguin

After "coming out" at school, sixteen-year-old Russel decides to take a counselor job at a camp for burn victims to get away from the antagonism of his classmates, but finds ten-year-old boys have just as many problems as he does.
