From the author of the
bestselling Jon Reznick
Thriller series comes
an exhilarating new
adventure. When the
people he loves most
are in danger, Jack
McNeal will get
revenge...or die trying.

NYPD detective Jack
McNeal is used to
asking the tough
questions. But a late-
night visit from the
Secret Service lands
Jack on the other side
of the table--as a
suspect in the
disappearance of his
estranged wife,
Caroline, a prominent
reporter on the White
House beat. When her
body is found floating
in the Potomac, Jack is

overcome by disbelief and despair. Her death seems eerily similar to the suspicious fatality of a young socialite years before. Is the similarity of the two tragic incidents simply a coincidence, or could it be a sign of a murderous orchestrated plot to protect those in the highest echelons of the American government? To avenge Caroline's death, Jack embarks on a journey into the darkest recesses of power. Suspects abound--from haunted special forces soldiers to ex-CIA to the president's own body man. Along the way, Jack will be forced to decide: Is there a line he won't cross to expose the killer?

Conclave Thomas & Mercer
An American diplomat

goes missing and ex-Special Forces operative Jon Reznick joins a top secret team, led by FBI Assistant Director Martha Meyerstein, to help track him down. The team believes that there may be a terrorist group - perhaps Islamists - who have kidnapped him, as the diplomat's area of expertise is the Persian Gulf. But Reznick is training his sights on an unlikely candidate - a leading Washington DC surgeon. But as the team itself comes under attack, and the 9/11 commemoration approaches, it becomes clear that the kidnapping is part of a much bigger plot, one that threatens not only New York, but the whole country too.

Requiem Thomas & Mercer
 In the near future, the living and the dead share the same space. Most of the "Blue Lights" are harmless, witless drones, as lost in death as they were in life. Some want revenge. Some want power. Some even want company to join them in the ranks of the departed. Enter Alice Hotwire, Detective Exorcist. She's the best there is

at keeping the peace on the Blue Light beat, and her fellow officers hate her for it. It's a job she doesn't want, in a world she doesn't understand -- but when a break-in at the Maximum Security Necropolis sets off a surge of violent, brutal hauntings, Alice Hotwire knows she's the only one that can pull the city from the brink of chaos.

No Way Back Anchor Canada

"A Gothic-punk graveyard tale about what haunts history and what haunts the human soul. An

addicting read that draws you into its descent from the first page.”—Chuck Wendig, New York Times best-selling author of *The Book of Accidents* One of *Vulture's Best Horror Novels of 2022*, this terrifying supernatural page-turner will make you think twice about opening doors to the unknown. Erin hasn't been able to set a single boundary with her charismatic but reckless college ex-boyfriend, Silas. When he asks her to bail him out of rehab—again—she knows she needs to cut him off. But days after he gets out, Silas turns up dead of an overdose in their hometown of Richmond, Virginia, and Erin's world falls apart. Then a friend tells her about *Ghost*, a new drug that allows

users to see the dead. Wanna get haunted? he asks. Grieving and desperate for closure with Silas, Erin agrees to a pill-popping “séance.” But the drug has unfathomable side effects—and once you take it, you can never go back.

Those Who Knew

Thomas & Mercer
A threat inside the government. A whistleblower's life on the line. It's up to Jon Reznick to bring justice. When hacker Trelle Williams discovers documents that threaten national security and put his life in jeopardy, there's only one person he can turn to—Jon Reznick. Williams has learned that Rosalind Dyer, a key congressional witness, is about to be killed in order to stop her testimony. She has

stumbled into the middle of a cover-up that goes deep into the United States government. Dyer knows her days are numbered, but that won't stop her from doing what she has to do. Trevelle Williams has helped Jon out of many a scrape in the past. Now, Jon is the only person he can turn to for help saving Rosalind's life, as well as his own, and protecting national security in the process. With enemies on all sides, including within the United States government, can Jon and Trevelle get to Rosalind in time? They're her only hope to escape her pursuers and bring these secrets to light.

From bestselling

author J. B. Turner comes the next chapter in Jon Reznick's story--revenge for a murdered friend. Jon Reznick is not a man to cross. A brutally effective black-ops veteran, Reznick has a history of taking the law into his own hands. So when a group of masked men murders his closest friend, he swears to exact vengeance. The now-deceased Bill Eastland had been Reznick's last living tie to his father, leaving him devastated...and furious. Whether or not the FBI approves, he swears to hunt down whoever issued the hit on his friend. With the help of hacker Trevelle Williams, Reznick tracks the masked murderers from Maine to Texas to New York,

quickly becoming embroiled in the shadowy world of the Aryan Brotherhood and the Mafia. As Reznick's own body count begins to climb, clues lead him to one of the most dangerous crime families in New York, headed by the infamous Paul Moretti. But FBI Assistant Director Martha Meyerstein has just learned a crucial secret that could derail Reznick's quest for revenge--Moretti is a high-level FBI informant. Reznick faces a stark choice: take on the FBI and risk severing ties with Martha, or inflict his own form of rigorous justice no matter the possible fallout. How far will he go--and how many government agencies will he undermine--to get

retribution for his best friend's death? He might just have to create his own set of rules.

Hard Fire Harper Collins

In the tradition of Caleb Carr's *The Alienist* and Matthew Pearl's *The Dante Club*, this mesmerizing forensic thriller thrusts the reader into the operating rooms, drawing rooms, and back alleys of 1889 Philadelphia, as a doctor grapples with the principles of scientific process to track a daring killer. In the morgue of a Philadelphia hospital, physicians uncover the corpse of a beautiful young woman. What they see takes their breath away. Within days, one doctor, Ephraim Carroll, strongly suspects that

he knows the woman's identity. . . and the horrifying events that led to her death. But in this richly atmospheric debut novel – an ingenious blend of history, suspense, and early forensic science – the most compelling chapter is yet to come, as the young doctor is plunged into a maze of murder, secrets, and unimaginable crimes. Peopled with vibrant real-life characters such as Canadian William Osler, hailed as the Father of Modern Medicine; famed surgeon William Stewart Halsted, who performed the first emergency blood transfusion and invented surgical gloves; and the controversial painter Thomas Eakins, *The Anatomy of Deception* brings to life a little-

known and exciting turning-point in American medical history, when ignorant butchery gave way to intelligent surgery—and a young doctor is forced to confront an agonizing moral choice between exposing a killer, undoing a wrong, and, quite possibly, protecting the future of medicine itself.

Long Way Home

Quirk Books
A Washington Post Notable Book: A Japanese Canadian man is haunted by childhood memories of WWII internment camps in this “evocative and cinematic tale” (Maclean’s). In 1942, in retaliation for the attack on Pearl Harbor, the Canadian government removes young Bin Okuma and his family from their

home at a British Columbia coastal fishing village and forces them into internment camps. Allowed to take only the possessions they can carry, Bin watches looters raid his home before the transport boats even undock. One hundred miles from the "Protected Zone," abandoned by his father, Bin spends the next five years struggling to adapt in the makeshift shacks of the brutal mountain community. For Bin, it was never forgotten, nor forgiven. Fifty years later, after his wife's death, Bin embarks on a road trip across Canada. Accompanied by his dog, his classical music tapes, and his memories, he intends to find his biological father whose fateful

decision destroyed his family all those years ago. But Bin must ask himself: does he really want to confront the ghosts of the past, or is it time to finally let them go? A novel of grief, coming-of-age, and coming to terms with our own personal histories, "Requiem is a great work of literature from a determined author at the peak of her powers" (Ottawa Citizen).

Hard Exit Thomas & Mercer
Jon Reznick will protect New York City or die trying. When a group of homegrown attackers takes aim at cops outside a Fourth of July baseball game, black-ops specialist Jon Reznick and his daughter, Lauren, are caught in the cross fire. Jon hunts down two of

the gunmen. But the last member of the group is at large and about to launch a fresh killing spree across the city. Cops are under fire, and Jon must stop this madman before more people are killed. But Jon's renegade tactics and vigilante justice are starting to ruffle some feathers, and his friends in high places might not be able to help him anymore. With leaks inside the FBI and resistance from the NYPD, Reznick doesn't know whom to trust. He knows one thing: he won't watch the city he loves be torn apart, especially not with his daughter in the crosshairs. But can he get to her in time?

The Drowning Kind
Requiem
The internationally acclaimed, New York

Times bestselling author returns to the magnificent universe he constructed in his bestselling novels *The Shadow of the Wind*, *The Angel's Game*, and *The Prisoner of Heaven* in this riveting series finale—a heart-pounding thriller and nail-biting work of suspense which introduces a sexy, seductive new heroine whose investigation shines a light on the dark history of Franco's Spain. In this unforgettable final volume of Ruiz Zafón's cycle of novels set in the universe of the Cemetery of Forgotten Books, beautiful and enigmatic Alicia Gris, with the help of the Sempere family, uncovers one of the most shocking conspiracies in all Spanish history. Nine-

year-old Alicia lost her parents during the Spanish Civil War when the Nacionales (the fascists) savagely bombed Barcelona in 1938. Twenty years later, she still carries the emotional and physical scars of that violent and terrifying time. Weary of her work as an investigator for Spain's secret police in Madrid, a job she has held for more than a decade, the twenty-nine-year old plans to move on. At the insistence of her boss, Leandro Montalvo, she remains to solve one last case: the mysterious disappearance of Spain's Minister of Culture, Mauricio Valls. With her partner, the intimidating policeman Juan Manuel Vargas, Alicia discovers a possible clue—a rare

book by the author Victor Mataix hidden in Valls' office in his Madrid mansion. Valls was the director of the notorious Montjuic Prison in Barcelona during World War II where several writers were imprisoned, including David Martín and Victor Mataix. Traveling to Barcelona on the trail of these writers, Alicia and Vargas meet with several booksellers, including Juan Sempere, who knew her parents. As Alicia and Vargas come closer to finding Valls, they uncover a tangled web of kidnappings and murders tied to the Franco regime, whose corruption is more widespread and horrifying than anyone imagined. Alicia's courageous and uncompromising

search for the truth puts her life in peril. Only with the help of a circle of devoted friends will she emerge from the dark labyrinths of Barcelona and its history into the light of the future. In this haunting new novel, Carlos Ruiz Zafón proves yet again that he is a masterful storyteller and pays homage to the world of books, to his ingenious creation of the Cemetery of Forgotten, and to that magical bridge between literature and our lives. Gone Bad Viking Secret Father is a suspenseful drama of family and politics set in Cold War Berlin. Missed signals, cloaked motives, false postures, and panicked responses echo tragically across borders and

generations when, after the fall of the Berlin Wall, a father and son recount the tense events of nearly thirty years before. In 1961, just before the Wall rises, three teenagers from an American school in West Germany travel to the Communist side of the divided city to join a rally. Unknown to them, their parents have unfinished business reaching back to World War II which will pull the teens into the vortex of an international incident. Greeks Bearing Gifts Thomas & Mercer Hard Power--the follow-up to the electric Hard Exit--is a riveting new thriller from bestselling author J. B. Turner. When Amy Chang, partner of NSA hacker Trevelle Williams--a friend of Jon Reznick--is

found dead on a Manhattan subway, everyone says it was a suicide. But Trevelle knows that someone had been watching Amy's every move, and he isn't about to let them slip away. Trevelle calls on Jon Reznick to help him uncover what happened to Amy and protect Amy's brother, Kevin Chang, a Hong Kong student-activist living in New York. Before long, two government organizations are hunting them, forcing the trio to go on the run. Will Reznick be able to pull himself out of another mess, or have things finally gone too far? As his pursuers close in, Reznick reaches out to Martha Meyerstein, FBI assistant director, for help--but with so many

political forces at play, people are not always who they seem to be. With friends' lives on the line, Reznick will have to summon all his black-ops skills, tradecraft, and killer instincts to keep both Trevelle and Kevin alive...but he might have to sacrifice his own life to do it. *Secret Father* Penguin "On an unnamed island country ten years after the collapse of a brutal regime, Lena suspects the powerful senator she was involved with back in her student activist days may be guilty of murder. She says nothing, assuming no one will believe her, given her family's shameful support of the former regime and her lack of evidence. They are the same reasons she told no one, a decade earlier,

what happened with the senator while they were dating"--
The Ghosts of Paris
 Thomas & Mercer
 Nothing and no one can stop assassin Nathan Stone. When black-ops asset Nathan Stone took out the heads of the Commission, a secret deep-state organization, he thought he'd destroyed them for good. Now he's gone off the grid, trying to get as far away from his past as possible. But the Commission isn't done with him yet. Lying low in a Miami bar, Stone knows something's up when an alluring actress strikes up a conversation with him. His suspicions are correct. The Commission is hot on his trail, and Stone is soon forced to run

deep into the heart of the Everglades with the terrified woman as his hostage. He's the Commission's number one target--and this time nothing will stop them from eliminating him. But Nathan Stone is no ordinary target. The crew of mercenary assassins on his heels have no idea what's in store for them on the River of Grass. Because the hunt is on, and they picked the wrong prey.
A Thinking Reed Open Road + Grove/Atlantic
Long Way Home is an action-packed new thriller from bestselling author J. B. Turner and the follow-up to the electric *No Way Back*. When Jack McNeal threw Henry Graff's body in the reservoir, he thought he had closed the book on Graff and his nefarious

associates. But when Graff's body is exhumed from the water, McNeal's troubles really begin. Plagued by flashbacks and nightmares from his murderous past and unable to move on from the tragic deaths of his wife and young son, McNeal is on the verge of a breakdown. On the hunt for the mysterious "Woodcutter," the man at the center of this whole conspiracy, McNeal uncovers a web of political intrigue that goes all the way to the White House. But the conspirators don't want McNeal digging. As he and his family are targeted by the same shadowy security consultancy that was responsible for his wife's death, McNeal will stop at nothing to bring those responsible

to justice, even if that means becoming the bad guy he swore he would never be.

Hard Wired Hachette Books

When a top militia leader escapes from a top security American jail, the FBI calls in ex-Delta operator Jon Reznick to help track him down. The escapee is none other than a psychopathic ex-Delta colleague of Reznick, Hunter Cain, who is now a feared militia leader. It isn't long before they believe that Cain is planning a terrorist spectacular. But the problem is they don't know what target he has in mind. As the clock ticks down, the team shows increasing strains as they struggle to find Cain, it becomes clear that the secret plot would threaten not only

scores of American lives, but also a former US President.

BEST THRILLER OF

2021 In this

“blisteringly

suspenseful tale that

will keep you up at

night” (Wendy Webb,

author of *Daughters of the Lake*), a woman

returns to the old

family home after her

sister mysteriously

drowns in its swimming pool...but she’s not the

pool’s only victim. Be

careful what you wish

for. When Jax receives

nine missed calls from

her older sister, Lexie,

she assumes that it’s

just another one of her sister’s episodes.

Manic and increasingly

out of touch with

reality, Lexie has

pushed Jax away for

over a year. But the

next day, Lexie is

dead: drowned in the pool at their

grandmother’s estate.

When Jax arrives at the

house to go through

her sister’s things, she

learns that Lexie was

researching the history

of their family and the

property. And as she

dives deeper into the

research herself, she

discovers that the land

holds a far darker past

than she could have

ever imagined. In

1929, thirty-seven-

year-old newlywed

Ethel Monroe hopes

desperately for a baby.

In an effort to distract

her, her husband

whisks her away on a

trip to Vermont, where

a natural spring is

showcased by the

newest and most

modern hotel in the

Northeast. Once there,

Ethel learns that the

water is rumored to

grant wishes, never

suspecting that the spring takes in equal measure to what it gives. A modern-day ghost story that illuminates how the past, though sometimes forgotten, is never really far

behind us, The Drowning Kind “is satisfying on every level: Marvelously chilling, elegantly written, a true page-turner” (Janelle Brown, New York Times bestselling author).
