HINTON MAURICE

The Kingdoms of Terror Vintage

On the basis of extensive archival research, the essays in this volume examine the minutiae of object transaction in the late nineteenth-century art market within its social network and broader historical context. *Swedish Death Metal* Europa Editions

The internationally bestselling thriller—an audacious blend of science, history, and suspense—from the author of *The Marks of Cain* and *The Lost Goddess* War-reporter Rob Luttrell is expecting a soft assignment when he's sent to Kurdistan to cover the excavation of the world's oldest human civilization. But, soon after he arrives, the site is violated, first by sabotage—and then by death. Meanwhile, a Scotland Yard detective investigating a series of spectacularly grisly murders discovers a link between the victims and what is happening in Kurdistan. As the two men race to prevent more deaths, they close in on a biblical era secret that will shake the foundations of the modern world. For readers of Raymond Khoury, Kate Mosse, and Douglas Preston and Lincoln Child. *Death Rites* Max Planck Institute for European Legal History

In *Decoding the Stars*, Ileana Chinnici offers an account of the life of the Jesuit scientist Angelo Secchi (1818-1878) and his important contributions to the development of many sciences, paying special attention to his studies in early astrophysics.

Reading Roman Friendship Routledge

In 1638, a small book of no more than 92

pages in octavo was published “appresso Gioanne Calleoni” under the title “Discourse on the State of the Jews and in particular those dwelling in the illustrious city of Venice.” It was dedicated to the Doge of Venice and his counsellors, who are labelled “lovers of Truth.” The author of the book was a certain Simone (Simḥa) Luzzatto, a native of Venice, where he lived and died, serving as rabbi for over fifty years during the course of the seventeenth century. Luzzatto’s political thesis is simple and, at the same time, temerarious, if not revolutionary: Venice can put an end to its political decline, he argues, by offering the Jews a monopoly on overseas commercial activity. This plan is highly recommendable because the Jews are “wellsuited for trade,” much more so than others (such as “foreigners,” for example). The rabbi opens his argument by recalling that trade and usury are the only occupations permitted to Jews. Within the confines of their historical situation, the Venetian Jews became particularly skilled at trade with partners from the Eastern Mediterranean countries. Luzzatto’s argument is that this talent could be put at the service of the Venetian government in order to maintain – or, more accurately, recover – its political importance as an intermediary between East and West. He was the first to define the role of the Jews on the basis of their economic and social functions, disregarding the classic categorisation of Judaism’s alleged privileged religious status in world history. Nonetheless, going beyond the socio-economic arguments of the book, it is essential to point out Luzzatto’s resort to sceptical strategies in order to plead in defence of

the Venetian Jews. It is precisely his philosophical and political scepticism that makes Luzzatto's texts so unique. This edition aims to grant access to his works and thought to English-speaking readers and scholars. By approaching his texts from this point of view, the editors hope to open a new path in research into Jewish culture and philosophy that will enable other scholars to develop new directions and new perspectives, stressing the interpenetration between Jews and the surrounding Christian and secular cultures.

Rescued by Europe? Penguin

Floating Tomb: Black Metal Theory is a collaborative collection of writings in black metal theory (BMT), an amorphous 'metalelectual' movement initiated in 2009 with the symposium Hideous Gnosis. According to its earliest formulation, BMT seeks to creatively destroy the boundary between metal and theory, to make something new in the space of their shared negativity: 'Not black metal. Not theory. Not not black metal. Not not theory. Black metal theory. Theoretical blackening of metal. Metallic blackening of theory. Mutual blackening. Nigredo in the intoxicological crucible of symposia'. This volume gathers together previously published and new work on BMT focusing on mysticism, a domain of thought and experience with deep connections both to the black metal genre and to theory (theoria, vision, contemplation). More than a topic for BMT, the mystical is here explored in terms of the continuous intersection of black metal and theory, the 'floating tomb' wherein metal is elevated into the intellectual and visionary experience that it already is. *As She Left It* Cambridge University Press

When every noble is a tyrant and every

knight is a thug, the only thing you can really trust is a traitor's blade. The Three Musketeers meets Joe Abercrombie via Mark Lawrence: 'Guaranteed to increase household swashbuckling by 100%,' says Library Journal The Greatcoats - legendary heroes, arbiters of justice . . . or notorious traitors? The Greatcoats are travelling magistrates bringing justice to all . . . or at least they were, before they watched the Dukes impale their King's head on a spike. Now the land's heroes are reviled as traitors, their Greatcoats in tatters. 'One hell of a good book' - Conn Iggulden, author of the Sunday Times Top Five bestseller The Gates of Athens Facio, Kest and Brasti have been reduced to working as mercenaries, but when they find their employer dead - and are forced to watch as the killer plants evidence framing them for the murder - they realise things are about to get even worse. For the royal conspiracy that began with overthrowing an idealistic young king is spreading to Rijou, the most corrupt city in the land, and the life of a young girl hangs in the balance. When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade. Prince Charles Simon and Schuster "In the world of black-op thrillers, Mitch Rapp continues to be among the best of the best" (Booklist, starred review), and he returns in the #1 New York Times bestselling series alone and targeted by a country that is supposed to be one of America's closest allies. After 9/11, the United States made one of the most secretive and dangerous deals in its history—the evidence against the powerful Saudis who coordinated the attack would be buried and in return, King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst. But when the king's own

nephew is discovered funding ISIS, the furious President gives Rapp his next mission: he must find out more about the high-level Saudis involved in the scheme and kill them. The catch? Rapp will get no support from the United States. Forced to make a decision that will change his life forever, Rapp quits the CIA and assembles a group of independent contractors to help him complete the mission. They've barely begun unraveling the connections between the Saudi government and ISIS when the brilliant new head of the intelligence directorate discovers their efforts. With Rapp getting too close, he threatens to go public with the details of the post-9/11 agreement between the two countries. Facing an international incident that could end his political career, the President orders America's intelligence agencies to join the Saudis' effort to hunt the former CIA man down. Rapp, supported only by a team of mercenaries with dubious allegiances, finds himself at the center of the most elaborate manhunt in history. With white-knuckled twists and turns leading to "an explosive climax" (Publishers Weekly), *Enemy of the State* is an unputdownable thrill ride that will keep you guessing until the final page.

The Genesis Secret Vintage Crime/Black Lizard

An American classic first published in 1985 by William Morrow and adapted into an Academy Award-winning film, *The Cider House Rules* is among John Irving's most beloved novels. Set in rural Maine in the first half of the twentieth century, it tells the story of Dr. Wilbur Larch—saint and obstetrician, founder and director of the orphanage in the town of St. Cloud's, ether addict and abortionist. It is also the story of Dr. Larch's favorite orphan, Homer Wells,

who is never adopted. "A novel as good as one could hope to find from any author, anywhere, anytime. Engrossing, moving, thoroughly satisfying." —Joseph Heller, author of *Catch-22*

Library of Congress Catalogs Feiwei & Friends

A comprehensive study of friendship in ancient Rome attentive to gender and social status, language and the commemoration of the dead.

The Cider House Rules National Geographic Books

Alfie lives off the coast of England. Merry lives in New York City. Until Merry and her mother set sail on the *Lusitania* for England, where Merry's father is recuperating from a war injury. People told them not to go, hearing rumors that the *Lusitania* might be carrying munitions. But they are desperate to be reunited with Merry's father. Alfie and his father find a lost girl in an abandoned house on a small island. The girl doesn't speak, except to say what sounds like "Lucy." Alfie's mother nurses her back to health. The others in the village suspect the unthinkable: Lucy is actually German—an enemy—because she's found with a blanket with a German tag. Told from Alfie and Merry's points of view, this exquisite novel tells of friends, enemies, and unexpected kindnesses.

NEW YORK TIMES BESTSELLER • The life and loves of Prince Charles are illuminated in a major new biography from the New York Times bestselling author of *Elizabeth the Queen*—perfect for fans of *The Crown*. Sally Bedell Smith returns once again to the British royal family to give us a new look at Prince Charles, the oldest heir to the throne in more than three hundred years. This vivid, eye-opening biography—the

product of four years of research and hundreds of interviews with palace officials, former girlfriends, spiritual gurus, and more, some speaking on the record for the first time—is the first authoritative treatment of Charles’s life that sheds light on the death of Diana, his marriage to Camilla, and his preparations to take the throne one day. Prince Charles brings to life the real man, with all of his ambitions, insecurities, and convictions. It begins with his lonely childhood, in which he struggled to live up to his father’s expectations and sought companionship from the Queen Mother and his great-uncle Lord Mountbatten. It follows him through difficult years at school, his early love affairs, his intellectual quests, his entrepreneurial pursuits, and his intense search for spiritual meaning. It tells of the tragedy of his marriage to Diana; his eventual reunion with his true love, Camilla; and his relationships with William, Kate, Harry, and his grandchildren. Ranging from his glamorous palaces to his country homes, from his globe-trotting travels to his local initiatives, Smith shows how Prince Charles possesses a fiercely independent spirit and yet has spent more than six decades waiting for his destined role, living a life dictated by protocols he often struggles to obey. With keen insight and the discovery of unexpected new details, Smith lays bare the contradictions of a man who is more complicated, tragic, and compelling than we knew, until now. Praise for Prince Charles “[Smith] understands the British upper classes and aristocracy (including the royals) very well indeed. . . . [She] makes many telling, shrewd points in pursuit of realigning the popular image of Prince Charles.”—William Boyd, *The New York Times Book Review* “[A]

masterly account.”—*The Wall Street Journal* “Thoroughly researched and insightful . . . In this profile, it is clear [Smith] got inside the circular barriers that protect the man and his position. The Charles that emerges is, as the subtitle suggests, both a paradox and a creature of his passions.”—*The Washington Times* “[A] compellingly juicy bio . . . Windsor-philes will be mesmerized.”—*People* “Prince Charles paints an affectingly human portrait. . . . Smith writes about [Charles’s life] with a skill and sympathy she perfected in her 2012 biography of Charles’s mother.”—*The Christian Science Monitor* “Comprehensive and admirably fair . . . Until his accession to the throne, Smith’s portrait will stand as the definitive study.”—*Booklist* (starred review) “[A] fascinating book that is not just about a man who would be king, but also about the duties that come with privilege.”—Walter Isaacson “Sally Bedell Smith has given us a complete and compelling portrait of the man in the shadow of the throne. It’s all here, from the back stairs of the palaces to the front pages of the tabs.”—Tom Brokaw
[Decoding the Stars: A Biography of Angelo Secchi, Jesuit and Scientist](#)
 Bazillion Points Books
 Internationally acclaimed and bestselling crime writer Fred Vargas will be published for the first time in Canada in hardcover by Knopf Canada. In this remarkable addition to the Commissaire Adamsberg series, has a serial killer followed Adamsberg to Canada on his training mission? Between 1943 and 2003, nine people have been stabbed to death with a most unusual weapon: a trident. In each case, arrests were made, suspects confessed their crime and were sentenced to life. One slightly worrying detail: all the presumed murderers lost

consciousness during the night of the crime and cannot remember whether they actually did it or not. Commissaire Adamsberg is convinced all the murders are the work of one person: the terrifying Judge Fulgence. Years before, Adamsberg's own brother had been the principal suspect in a similar case and avoided prison only thanks to Adamsberg's help. History now repeats itself when Adamsberg, who is temporarily based in Quebec for a training mission, is accused of having savagely murdered his young lover. In order to prove his innocence, Adamsberg must go on the run from the Canadian police and find Judge Fulgence. The heir to Maigret, Commissaire Adamsberg is back in a new investigation that will keep the reader spellbound until the very last word.

Choosing death. L'improbabile storia del death metal e del grindcore Harper Collins

He is relentlessly defiant. He is exceedingly libidinous. His appetite for the outrageous is insatiable. He is Mickey Sabbath, the aging, raging powerhouse whose savage effrontery and mocking audacity are at the heart of Philip Roth's astonishing new novel. Sabbath's Theater tells Mickey's story in the wake of the death of his mistress, an erotic free spirit whose adulterous daring exceeds even his own. Once a scandalously inventive puppeteer, Mickey is now in his mid-sixties and besieged by ghosts - of his mother, his beloved brother, his vanished first wife, his mistress of thirteen years. Bereft and grieving, he embarks on a turbulent journey back into his past, one that brings him to the brink of madness and extinction. But no matter how ardently he courts death, he is too exuberantly alive to succeed at dying. Sabbath's

Theater is a comic creation of epic proportions, and Mickey Sabbath is its gargantuan hero. This book, which presents Philip Roth at the peak of his powers, is sur

Little Black Book of Stories Springer Nature

#1 NATIONAL BESTSELLER • In this “thoroughly gripping” (New York Times) continuation of the Girl with the Dragon Tattoo series, Lisbeth Salander lies in critical condition in a Swedish hospital, a bullet in her head. But she's fighting for her life in more ways than one: if and when she recovers, she'll stand trial for three murders. • Also known as the Millennium series In the next installment of the Millennium series, with the help of Mikael Blomkvist, Salander will need to identify those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she'll seek revenge—against the man who tried to kill her and against the corrupt government institutions that nearly destroyed her life. Look for the latest book in the Girl with the Dragon Tattoo series, *The Girl in the Eagle's Talons*, coming soon!

Nevermore Walter de Gruyter GmbH & Co KG

In this rare peak into the personal life of the author of numerous bestselling novels, gain an understanding of David Foster Wallace and how he became the man that he was. Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in *This is Water*. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech

captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in *The Wall Street Journal* and the *London Times*, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

The Girl Who Kicked the Hornet's Nest G.P. Putnam's Sons

What is the connection between philosophical enquiries and storytelling in contemporary narrative? Is it possible to outline some features of a so-called philosophical fiction in Western literature throughout the last two centuries? This book aims to provide a plural answer, hosting extensive essays by seven young researchers coming from different fields (Theory of literature, German, American, Russian and Italian contemporary literature, history and evolution of the essayistic form). A short The volume is addressed to all those with a strong interest in both evolution of philosophical speech and history of the novel and has a strong vocation to promote interdisciplinarity in literary studies.

Through the stunning illustrations and Tutu's delightful words, readers will experience the Bible stories as if they were there, with Adam and Eve in the garden, with Noah on the ark, with Abraham in the desert, and with Jesus on the mountaintop.

Traitor's Blade BRILL

"One of the best Italian novels of the year" in a pitch-perfect rendering in English by Ann Goldstein, Elena Ferrante's translator (Huffington Post, Italy). Winner of the Campiello Prize A 2019 Best Book of the Year (The Washington Post Kirkus Reviews Dallas Morning News) Told with an immediacy

and a rare expressive intensity that has earned it countless adoring readers and one of Italy's most prestigious literary prizes, *A Girl Returned* is a powerful novel rendered with sensitivity and verve by Ann Goldstein, translator of the works of Elena Ferrante. Set against the stark, beautiful landscape of Abruzzo in central Italy, this is a compelling story about mothers and daughters, about responsibility, siblings, and caregiving. Without warning or explanation, an unnamed thirteen-year-old girl is sent away from the family she has always thought of as hers to live with her birth family: a large, chaotic assortment of individuals whom she has never met and who seem anything but welcoming. Thus begins a new life, one of struggle, tension, and conflict, especially between the young girl and her mother. But in her relationship with Adriana and Vincenzo,

two of her newly acquired siblings, she will find the strength to start again and to build a new and enduring sense of self. "An achingly beautiful book, and an utterly devastating one." —Minneapolis Star Tribune "Di Pietrantonio [has a] lively way with a phrase (the translator, Ann Goldstein, shows the same sensitivity she does with Elena Ferrante) [and] a fine instinct for detail." —The Washington Post "A gripping, deeply moving coming-of-age novel; immensely readable, beautifully written, and highly recommended." —Kirkus Reviews (starred review) "Captivating." —The Economist
