The United States Allyn & Bacon

With a wealth of lesson plans and practical guidance, this perennial best-seller provides instructional strategies for involving K-8 children in social studies content that emphasize concepts, inquiry, and moral development. If you think you know Ellis, think again! Widely admired for its warm voice and abundance of children's art and writing, Teaching and Learning Elementary Social Studies integrates constructivist philosophies of active learning with the essential knowledge, basic skills, and positive values required of citizens in a healthy and diverse democracy.

50 Social Studies Strategies for K-8 Classroom Allyn & Bacon

This popular book provides a multitude of practical ideas, suggestions, and activities that prospective early childhood teachers can use to both interest young children in social studies and integrate social studies with other sciences, art, literature, mathematics, reading, and writing. Because play is the basic means of young children's learning, the book offers a full chapter on the topic and incorporates ideas for "playing" throughout the material. It also presents a separate chapter on diversity in the classroom, children's literature citations/references in every chapter, and a strong focus on child development throughout. There is a new emphasis on the use of such technology as e-mail, digital cameras, and the World Wide Web in this edition; and, current NAEYC standards for quality, curriculum, and professional preparation are thoroughly incorporated. For social studies teachers at the primary grade school level.

Social Studies in Elementary Education Pearson

This title is only available as a loose-leaf version with Pearson eText. In *50 Social Studies Strategies for K-8 Classroom*, pre-service and practicing teachers get well-explained, useful, meaningful ideas--including 50 ready-to-use strategies--for engaging elementary and middle school students in learning social studies. The strategies are easily adaptable to individual teachers' classroom configurations and needs, and include multiple types of assessment tools that give teachers options in assessing their students. Each strategy is organized for flexibility and ease of use and includes links to the National Council for the Social Studies national curriculum standards, links to the Common Core Strategies, procedural recommendations, application ideas, differentiation sections, assessment sections, references and resources, and more. The strategies are designed to help teachers plan effective social studies lessons using multiple types of student groups, while also accounting for the diversity of learners in today's classrooms. The new Fourth Edition includes updating, revisions, and additions to the strategies throughout. 0133783685 / 9780133783681 *50 Social Studies Strategies for K-8 Classrooms, Loose-Leaf Version with Pearson eText -- Access Card* Package consists of: 013374096X / 9780133740967 *50 Social Studies Strategies for K-8 Classrooms, Loose-Leaf Version* 0133823172 / 9780133823172 *50 Social Studies Strategies for K-8 Classrooms, Pearson eText -- Access Card*

Social Studies for the Preschool/Primary Child Pearson

Note: This is the loose-leaf version of Social Studies in Elementary Education and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with the loose-leaf version, use ISBN 0134043154. The most popular elementary social studies methods text on the market, this comprehensive, stimulating introduction to social studies in elementary and middle schools presents the elements of a strong social studies curriculum, explains effective teaching methods, and presents a wealth of field-tested examples, exercises, activities, and lesson plans that bring the subject matter to life. It presents critically important ideas and sometimes-complex methods in a clear, straightforward, accessible manner, while focusing on teaching to help K-8 students develop social understanding and the ability to think and act as democratic citizens in a multicultural society. Beginning and new teachers get the understanding and tools they need to unleash their intelligence and creativity on the subject area, and see how they can make social studies a subject that students anticipate and enjoy and that gives purpose and context to reading, writing, science, and math. While continuing to blend theory and practice, this new edition of Social Studies in Elementary Education brings the book into the digital age, emphasizing teaching social studies well and stressing understanding of the practices of good social studies teaching. The key revisions include features that focus on reflection and discussion, issues and challenges, standards, learning to question, differentiated instruction, trends affecting school today, teaching in diverse classrooms, Response to Intervention (RTI), maps and mapping, using digital resources effectively in teaching, and selecting and using children's literature. The Enhanced Pearson eText features embedded videos and assessments. Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad(R) and Android(R) tablet.* Affordable. Experience the advantages of the Enhanced Pearson eText along with all the benefits of print for 40% to 50% less than a print bound book. * The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads. *The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later.

Pearson Geography New South Wales Stage 4 Activity Book Prentice Hall

"A truly inspiring read." —Booklist (starred review) "A solid account of women's contributions as aviators during World War II." —Kirkus Reviews In the tradition of Hidden Figures, debut author Patricia Pearson offers a beautifully written account of the remarkable but often forgotten group of

female fighter pilots who answered their country's call in its time of need during World War II. At the height of World War II, the US Army Airforce faced a desperate need for skilled pilots—but only men were allowed in military airplanes, even if the expert pilots who were training them to fly were women. Through grit and pure determination, 1,100 of these female pilots—who had to prove their worth time and time again—were finally allowed to ferry planes from factories to bases, to tow targets for live ammunition artillery training, to test repaired planes and new equipment, and more. Though the Women Airforce Service Pilots lived on military bases, trained as military pilots, wore uniforms, marched in review, and sometimes died violently in the line of duty, they were civilian employees and received less pay than men doing the same jobs and no military benefits, not even for burials. Their story is one of patriotism, the power of positive attitudes, the love of flying, and the willingness to serve others with no concern for personal gain.

A Practical Guide to Middle and Secondary Social Studies Pearson Higher Ed

Note: This is the loose-leaf version of A Practical Guide to Middle and Secondary Social Studies and does not include access to the Pearson eText. To order the Pearson eText packaged with the loose-leaf version, use ISBN 0133783774. A Practical Guide to Middle and Secondary Social Studies, 4/e gives readers a concise, practical look at the crucial, relevant strategies and content they need to be effective teachers of social studies in today's middle and secondary schools. With its focus on achieving citizenship education, book incorporates the best teaching practices and creative enthusiasm into the classroom includes lesson plans, units, and instructional resources suggesting activities. This new edition brings readers up to date on the many factors transforming the social studies curriculum today—the Common Core State Standards, No Child Left Behind legislation, and the success rate of social studies Advanced Placement course—and shows how to integrate the latest technology into the social studies curriculum, including blended learning, flipped classrooms, social media, ebooks, and more.

Social Studies in Elementary Education Research & Education Assoc.

We live in a world where our mobile devices have become extensions of ourselves. We depend on them for instant connections to entertainment, social media, news, and deals. The phone has become our ticket, loyalty card, and catchall wallet. Networks are faster, phones are smarter, and the mobile shopper is ready to spend money now. What can a business do to maximize the mobile buying power of the new impulse consumer? Gary Schwartz has written a groundbreaking book that outlines the history of the mobile industry and shows just how businesses can build up their mobile platforms to maximize online sales. He'll explain: - How to minimize barriers between the shopper and a sale. - How marketers can connect and, more important, reconnect with loyal shoppers. - The technology available now-and what's coming soon-and how to pick a solution that will deliver results. But like Blink or Freakonomics, this isn't just a book for businesses. It's also an eye-opening look into the ways our economy is changing every second of every day. Gary Schwartz analyzes a phenomenon that's modifying people's actions and challenges our assumptions about our behavior as consumers. Anyone interested in the ways our behavior as shoppers is changing-and what we can do to better harness this opportunity-will find this book to be essential reading.

Social Studies Content for Elementary and Middle School Teachers Pearson Prentice Hall

"Words Their Way" is a hands-on, developmentally driven approach to word study that illustrates how to integrate and teach children phonics, vocabulary, and spelling skills. This fifth edition features updated activities, expanded coverage of English learners, and emphasis on progress monitoring.

My World Social Studies Pearson

Here are fifty strategies for creating meaningful social studies experiences for K--8 students - ten general and forty specific - organized alphabetically, accompanied by assessment tools, and each introduced by grade level and National Council for Social Studies (NCSS) standards indicators. Each strategy is explained through reference to research and theory; and followed by a list of procedures and a list of references/resources. At the end of each strategy is a narrative description of the strategy in action or an example of a performance assessment-scoring guide. For elementary and middle school Social Studies teachers.

Discovering the Lifespan Simon and Schuster

Discusses flexible strategies for teaching today's diverse learner the structure of the knowledge to be learned, how to help students reconstruct and present ideas, and how to translate theory and recent research into lesson plans and units. All within a constructivist framework! September 9 2013 - Ingrid Robinson took this book off the CRC shelf and asked that it be added to the Reserve Books Shelf.

Teaching Elementary Social Studies Pearson Higher Ed

Designed to focus on central concerns in teaching social studies in a standards-based environment, this brief text enables teachers to successfully implement a social studies curriculum with concepts, strategies, and values relevant to elementary and middle grades. The 9th edition clearly presents, in a friendly tone, the essential content and methods for successful social studies teaching in today's diverse K-8 classrooms.

180 Days of Social Studies for Sixth Grade Prentice Hall

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

Longman Vistas 6 Pearson Education

This text presents a methodology that offers every child a chance to succeed regardless of language, culture, intellectual ability, physical attributes, emotional capabilities, or social skills. "Teaching Elementary Social Studies" encourages teachers to recognize that each child is unique and brings a special set of skills and abilities to the classroom. The unifying theme of the text is diversity, and the author introduces several dimensions beyond the pluralistic nature of the student population. It promotes the idea that diverse students require a diverse pedagogy and offers specific ways to introduce meaningful topics in ways that will engage all students. Provides a foundation for teaching social studies. Informs pre-service teachers about the national standards documents that dictate curriculum planning for social studies. Introduces students to Expectations for Excellence: Curriculum Standards for the Social Studies, National Standards for Civics and Government, National Content Standards in Economics, Geography for Life, and National Standards for History. Addresses the fundamentals of teaching social studies. Provides instruction for creating lessons based on "inquiry" and "student interaction." Advocates the need for social studies lessons that infuse multicultural perspectives. Each lesson, mini-lesson, group project, or unit concludes with a section on "Effective Teaching in Today's Diverse Classroom". Includes descriptions of activities, group projects, lessons and mini-lessons to model good social studies instruction. Includes numerous examples of multicultural literature. Samples lessons, mini-lessons, projects, and activities all reference multicultural and historical literature, and Internet websites teachers can access to enrich social studies teaching and learning. Promotes good citizenship as a goal of social studies.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Social Studies for the Preschool/Primary Child, 9/e, written by respected authors Sharon Castle and Renee C. Falconer, and begun by the late Carol Seefeldt, remains one of the most popularly read texts on teaching social studies to young children. Filled with a multitude of ideas, suggestions, and activities that prospective early childhood teachers can use to interest young children in social studies, the practicality and applicability of this resource is proven. Not only will novice teachers learn the content and methods of teaching social studies, but also they will be given sound ways to integrate social studies in other areas of the curriculum, including science, the arts, literacy and literature, and mathematics. The importance of understanding and using child development knowledge is a focus throughout the book. It includes a full chapter on play as a crucial part of children's learning and development, and incorporates ideas for play throughout the material. Revised with the most current research, topics, and more, the book includes three extensively revised chapters to offer all of the 10 NCSS Thematic Strands; a new emphasis on the use of such technology as e-mail, digital cameras, and the World Wide Web; and thoroughly incorporates the current NAEYC standards for quality, curriculum, and professional preparation.

Elementary Social Studies: Pearson New International Edition PDF eBook Pearson Education India

The author wrote this new edition of the most popular elementary social studies methods text on the market with the following three goals in mind: to present the most powerful social studies content and pedagogy for children in elementary school, to offer the material in simple and accessible ways, and to write in a first person active voice. The purpose of this book is to introduce new teachers to the world of social studies teaching and learning in elementary and middle schools. Geography, history, government and the other social sciences are delivered into the palm of the new teacher's hand along with a suite of tools for bringing social studies to life in the classroom. The book is organized into three sections—the first orients the reader to the mission of social studies education to the increasingly diverse children we teach, the second concentrates on the curriculum, and the third deals with instruction, how we plan and teach this curriculum. Three central themes continue to pervade the book—democratic citizenship, diversity, and the social sciences—to ultimately encourage teachers to excite their students about closing the gap between social realities and democratic ideals. An exceptionally strong chapter on multicultural issues (Chapter 2) helps future teachers truly understand the changing demographics of the American classroom. Abridged NCSS standards and their classroom applications are automatically packaged with every copy of the book.
