In *Ministry Loves Company*, John Galloway provides new and veteran pastors with insights on establishing and maintaining a vital parish ministry while remaining invigorated by the practice of ministry. Drawing on the image of a congregation as a family, Galloway uses anecdotes to describe the life of a congregation and the life of a pastor, who have both been called to be the body of Christ. Poignant, memorable, and often humorous, Galloway's reflections derive from his own personal experiences as a pastor. *Ministry Loves Company* uniquely addresses the many challenges facing today's pastors and serves as a practical guide for those entering the ministry as well as those veteran pastors who are seeking to remain courageous and excited about parish ministry.

Most churches have sought out a new pastor many times, yet search committees often feel as though they are inventing the process from scratch. In *The Pastoral Search Journey*, John Vonhof provides detailed guidance for search committees to ensure a good match between pastor and congregation. This is Vonhof's third book about the pastoral search -- but the first to discuss interim pastors, transitions between pastors, and the use of the Internet and digital media. Vonhof advises congregational leaders on establishing the search committee; ensuring the congregation is cared for during the pastoral vacancy; conducting the congregational self-study and creating an information packet; finding, communicating with, and interviewing candidates; determining selection criteria as well as evaluating and recommending candidates; managing call negotiations; and finally welcoming the congregation's new pastor. Sample letters, forms, and other tools are provided.

*Your First Two Years in Youth Ministry* Ballantine Books

*Pastoral Care, or The Book of the Pastoral Rule*, is a treatise on the responsibilities of the clergy written by Pope Gregory I in which he contrasted the role of bishops as pastors of their flock with their position as nobles of the church: the definitive statement of the nature of the episcopal office. Gregory enjoined parish priests to possess strict personal, intellectual and moral standards which were considered, in certain quarters, to be unrealistic and beyond ordinary capacities. The influence of the book, however, was vast and became one of the most influential works on the topic ever written. It was translated and distributed to every bishop within the Byzantine Empire.

Pastors are tasked with the incredibly demanding job of caring for the spiritual, emotional, and, at times, physical needs of their people. While seminary is helpful preparation for many of the challenges pastors face, there's far more to pastoral ministry than what can be covered in the classroom. Designed as a reference guide for nearly every situation a pastor will face, this comprehensive book by seasoned pastors Kent Hughes and Doug O'Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches. From officiating weddings to conducting funerals to visiting the sick, this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks, both within the walls of the church and beyond.

This book is a unique resource that speaks to the average person in the pew rather than to the Pastor Search Committee. What a needed resource! Having observed Lowe in his varied ministry roles for several years now, I can assure you that he writes as one who is investing his life in seeing the church healthy and flourishing. This resource is an invaluable and lasting contribution to that end. Paul Chitwood, President, International Mission Board Occasionally a resource comes about that has the ability to help our churches in a transformational way. Usually these resources break ground in areas that have not been considered before. This is one of those resources. Structuring a book about the Pastor Search Process from the perspective and concerns of the congregant is genius! Rick Curtis, Convention and Associational Relations, North American Mission Board This book and study by Jason Lowe will be a consolation and source of encouragement to many churches. I believe God will use it to bring churches comfort, hope, and continuity of ministry during the difficult time of being without a pastor. I highly recommend it! Ray Gentry, President and CEO, Southern Baptist Conference of Associational Leaders In this work, Jason Lowe helps church members consider their own role in the search process, and he challenges them to continue being the church in the interim period. The Bible is his guide, and healthy church transitions are his goal. You will find this work helpful, encouraging, and relevant. Chuck Lawless, Dean of Doctoral Studies and Vice-President of Spiritual Formation and Ministry, Southeastern Baptist Theological Seminary About the Book Church members are often left largely in the dark while the Pastor Search Committee goes about their task. Far too often, this leads to unnecessary frustration, suspicion, and conflict. *The Church During the Search* sheds light on the Pastor Search Process for the people in the pews so they can pursue Christ-honoring attitudes and behaviors throughout the search process.

Being a woman in ministry, whether you are partnering with your husband in his calling or serving in your own leadership role, is challenging. While serving as mentors, counselors, advisors, and even cheerleaders, women carry numerous responsibilities. Lori Wilhite and Brandi Wilson know about this first-hand as the wives of two well-known pastors in America. Everyone has an image in their mind of what they think a pastor's wife should be. The trouble with this picture is that it has never been and never will be accurate. Ministry wives and female ministry leaders face the same real-life struggles as their church members, but have the added stress of sharing in everyone's burdens as well. They are held to impossible standards by those they serve, and the more this ideal of women in leadership is expected, the more we turn up the intensity in the pressure cooker that is life in ministry. In *Leading and Loving It*, Lori Wilhite and Brandi Wilson offer a support system to help women make connections to get the encouragement that sustains them and become equipped for the ministry God has called them to pursue. They give readers tools for understanding that external pressures and expectations are only important if they fall in line with what God intends for your life and ministry and they give answers for how to deal with criticism, isolation, finding your personal calling, and what happens when you reach a place of burn-out, and more.

Yet she also faces unique challenges that too often go unnoticed and unaddressed. At times, a pastor's wife may feel she can't talk about her struggles even with those who are closest to her, which can leave her feeling alone, depleted, and misunderstood. She may settle for this way of living, but that's not God's desire for her. Christine Hoover knows firsthand the unique struggles and opportunities afforded a pastor's wife—she's been filling that role for more than 20 years. Coming alongside as an understanding friend, she offers encouragement and guidance to the struggling pastor's wife, showing her how to make meaningful personal relationships with God, her husband, her children, her church community, and other women—relationships that will sustain her and help her thrive.

"A Christian without a church is a Christian in trouble." Since a global pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it's time to recommit to gathering as brothers and sisters in Christ. In *Rediscover Church*, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the Gospel Coalition and 9Marks.
