Where's Waldo?

Awesome Adventures

Candlewick Press (MA)
It's pitch dark on the way to Odlaw's haunted castle — but Waldo-seekers have a cool wand to light the way in a book perfect for the spooky season.

Somewhere in the darkness, Waldo is venturing across a swamp toward a looming castle, sneaking down to the dungeon and through a creepy gallery to . . . Hey! We didn't see that twist coming! In Waldo's second adventure featuring this innovative, all-paper design, readers can slide a spotlight searcher under a series

of totally dark scenes, illuminating small sections and stealthily moving the light to seek out Waldo and his friends. Everyone's favorite vagabond is in costume as himself in this Halloween-worthy challenge for eagle-eyed fans.

Where's Waldo? In the spotlight . . .

somewhere! Now that the rest of the scene has gone dark, finding him is a spectacular new challenge. Just when you thought you'd mastered the art of finding Waldo, along comes a whole new twist to tracking him down! In an innovative, all-paper design that simulates a traveling spotlight beam, each scene is completely dark until the savvy

reader slides a wand underneath to "light up" a small section. The trick is to carefully move the magic slider around until the right spot is revealed. Each of the six classic nighttime scenes contains Waldo and four other favorite characters to find, along with bonus hidden content and additional games on every page. With an exciting new format that gives our wanderer the star treatment he deserves, The Spectacular Spotlight Search is a must-have for Waldo fans of all ages.
