The Rough Guide to

Ireland DK Eyewitness
Travel
The island of Ireland is

famous for its timeless beauty, the variety of its landscape, its quiet towns and lively cities, the poetic and literary genius of so many of its citizens, its music and folklore, and its colorful and bloody history. What is also true is that the Irish people have in many ways changed in recent years, while retaining the scars and proud memories of their past, and their thriving national culture. Twenty-first century Ireland, North and South, is the product not only of its history and culture, but also of massive political change, remarkable efforts to heal centuries-old animosities, a metamorphosis in social and religious attitudes, and the dramatic peaks and troughs of a transformed economy. Until the late twentieth century Southern Ireland's economy was essentially rural, tied to the UK; the North, a place of heavy industry. Then came the so-called "Celtic Tiger," springing forward into a largely new type of economy that reaped colossal rewards. New industries arose, old industries disappeared. This was followed by financial collapse in the first decade of this century, worse than

almost any country in Europe. Helped by its friends, and, at least in the South, by governmental and popular acceptance of savage austerity measures, Ireland survived. Today the Republic is a major target for US and European investment. Businesspeople and visitors who don't know Ireland will find this book an invaluable introduction to the people, the country, and the economic opportunities it offers; while if you think you know Ireland and the Irish you will find plenty here to broaden and deepen that knowledge, and also plenty that will surprise you.

A Guide to Irish Mythology Gill & Macmillan Ltd

The mythology of the Irish Celts, as rich and rare as that of the Greeks and Romans, has long excited the imagination not only of the mere Irish but that of the world at large. This account, in alphabetical order, lists the personalities, immortal and semi-divine, that illuminate the Irish psyche.

We capture Ireland's new optimism in words -- extensive revisions including updates on the Temple Bar scene and Belfast's burgeoning culinary district -- and

pictures -- 12 pages of rich green hills and bright red braids. Also included are eye-opening looks at recent Irish literature, in-depth info on hiking opportunities, and foot-stomping features on finding traditional music.

DK Eyewitness Ireland Rough Guides

This “sophisticated guide for fans of Irish whiskey” explores the history, distilleries, and pubs—and includes twelve original cocktails (The Wall Street Journal). An Irish whiskey guru, two bartender behemoths, and an adept writer combine forces to create this comprehensive guide to Irish whiskey. Starting with an introduction to the history

of whiskey in Ireland, the authors explain what makes each style unique. An illustrated tour of the four Irish provinces features twenty-two distilleries and some of Ireland’s most iconic bars and pubs. From Barley to Blarney links rich historic heritage with today’s whiskey boom and a look ahead at the future for Irish whiskey producers. Then the fun really begins as the masterminds behind 2016’s “World’s Best Bar,” Dead Rabbit Grocery and Grog, share twelve original mixed-drink recipes tailor-made for Irish spirits.

The Rough Guide to Ireland Rick Steves

Whether you're seeking

the surreal beauty of the Giant's Causeway, the historic halls of Trinity College, or the perfect pub to enjoy a pint of Guinness, your DK Eyewitness travel guide makes sure you experience all that Ireland has to offer.

[The Everything Travel Guide to Ireland](#) Simon and Schuster

Taking Irish traditional music as its starting point and focus, this guide traces the music's history, describes its fundamental elements and provides a detailed directory of all the key singers, musicians and bands, listings of venues, festivals, record companies, and instrument makers.
