Darkness Falls Silver Dolphin Books
In this inspiring travelogue, celebrated traveler and photographer Jessica Nabongo—the first Black woman on record to visit all 195 countries in the world—shares her

journey around the globe with fascinating stories of adventure, culture, travel musts, and human connections. It was a daunting task, but Jessica Nabongo, the beloved voice behind the popular website The Catch Me if You Can, made it happen, completing her journey to all 195 UN-recognized countries in the world in October 2019. Now, in this one-of-a-kind memoir, she reveals her top 100 destinations from her global adventure. Beautifully illustrated with many of Nabongo's own photographs, the book documents her remarkable experiences in each country, including: A harrowing scooter accident in Nauru, the world's least visited

country, Seeing the life and community swarming around the Hazrat Ali Mazar mosque in Afghanistan, Horseback riding and learning to lasso with Black cowboys in Oklahoma, Playing dominoes with men on the streets of Havana, Learning to make traditional takoyaki (octopus balls) from locals in Japan, Dog sledding in Norway and swimming with humpback whales in Tonga, A late night adventure with strangers to cross a border in Guinea Bissau, And sunbathing on the sandy shores of Los Roques in Venezuela. Along with beloved destinations like Peru and South Africa, you'll also find tales from far-flung corners and seldom visited destinations,

including Tuvalu, North Korea, South Sudan, and the Central African Republic. Nabongo's stories are love letters to diversity, beauty, and culture—and most of all, to the people she meets along the way. Throughout, she offers bucket-list experiences for other travel-lovers looking to follow in her footsteps. For armchair travelers or readers planning a trip around the globe, this arresting collection will awe and inspire!

Sketchbook Simon and Schuster

Danny Gregory and his wife Patti were in love. Their baby, Jack, was ten months old; life was pretty swell. And then Patti fell under a subway train and was paralyzed from the waist down. In a world where nothing seemed to have much

meaning, Danny decided to teach himself to draw, and what he learned stunned him. Suddenly things had color again, and value. The result is *Everyday Matters*, his journal of discovery, recovery, and daily life in New York City. It is as funny, insightful, and surprising as life itself.

In her first book, the South's most inviting designer explores her principles for creating a beautiful home rich with comfort and warmth. Barbara Westbrook has been designing classically inspired homes full of Southern charm and a European touch for more than twenty years. A native of Virginia, Westbrook grew up accompanying

her mother to antique shops and was introduced by her to Virginia's rich architectural legacy. With a design vocabulary that ranges from casual American to formal English to French modern, Westbrook's homes share a welcoming elegance, whether it is a country cottage or a penthouse apartment. In *Gracious Rooms*, she sets out her principles for creating a house rich with both polish and patina. Walking the reader through a dozen stunning homes—light-filled lake retreats, contemporary houses, and historic mansions—Westbrook shares her accessible, appealing ideas. From the judicious use of symmetry to the importance of including natural elements in a

room, utilizing color to unify spaces within a house, and setting a mood with materials, Gracious Rooms is rich with advice and inspiration.

Paul Klee was endowed with a rich and many-sided personality that was continually spilling over into forms of

expression other than his painting and that made him one of the most extraordinary phenomena of modern European art. These abilities have left their record in the four intimate Diaries in which he faithfully recorded the events of his inner and outer life from his nineteenth to his fortieth year. Here, together with recollections of his childhood in Bern, his

relations with his family and such friends as Kandinsky, Marc, Macke, and many others, his observations on nature and people, his trips to Italy and Tunisia, and his military service, the reader will find Klee's crucial experience with literature and music, as well as many of his essential ideas about his own artistic technique and the creative process.
