ASHER ROSA

Boundaries of Romance Simon & Schuster

Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

Boundary Boss Zondervan

A simple yet comprehensive guide to the types of psychologies and therapies available from Eastern and Western sources. Each chapter includes a specific exercise designed to help the reader understand the nature and practice of the specific therapies. Wilber presents an easy-to-use map of human consciousness against which the various therapies are introduced and explained. This edition includes a new preface.

Boundaries in Marriage BRILL

Poetry written by the gifted recluse Emily Dickinson has remained fresh and enigmatic for longer than works by her male Transcendentalist counterparts. Here Mary Loeffelholz reads Dickinson's poetry and career in the double context of nineteenth-century literary tradition and twentieth-century feminist literary theory. "Mary Loeffelholz has written a book that actually performs what it promises. . . . It illuminates our understanding of Emily Dickinson with readings both elegant and useful, and as importantly suggests modified direction for feminist-psychoanalytic theory." -- Diana Hume George, author of *Oedipus Anne: The Poetry of Anne Sexton*

Border Patrols Deep Vellum Publishing

For when your trust has been broken: discover how to set firm boundaries again, how to connect deeply without being hurt, and how to safely grow your most intimate relationships. Painful relationships violate our trust, causing us to close our hearts. But to experience the freedom and love God designed us for, we eventually have to take another risk. In this breakthrough book, bestselling author Dr. John Townsend takes you beyond the pain

of the past to discover how to re-enter a life of intimate relationships. Whether you're trying to restore a current relationship or begin a new one, Townsend gives practical tools for establishing trust and finding the intimacy you long for. Beyond Boundaries will help you: Reinstat closeness appropriately with someone who broke your trust Discern when true change has occurred Reestablish appropriate connections in strained relationships Create a safe environment that helps you trust Restore former relationships to a healthy dynamic Learn to engage and be vulnerable in a new relationship as well You can move past relational pain to trust again. Beyond Boundaries will show you how. Plus, dig even deeper into relational healing with the coordinating video study and study guide. Spanish edition also available.

Canada is often called a pluralist state, but few commentators view Aboriginal self-government from the perspective of political pluralism. Instead, Aboriginal identity is framed in terms of cultural and national traits, while self-government is taken to represent an Aboriginal desire to protect those traits. Shifting Boundaries challenges this view, arguing that it fosters a woefully incomplete understanding of the politics of self-government. Taking the position that a relational theory of pluralism offers a more accurate interpretation, Tim Schouls contends that self-government is better understood when an "identification" perspective on Aboriginal identity is adopted instead of a "cultural" or "national" one. He shows that self-government is not about preserving cultural and national differences as goods in and of themselves, but rather is about equalizing current imbalances in power to allow Aboriginal peoples to construct their own identities. In focusing on relational pluralism, Shifting Boundaries adds an important perspective to existing theoretical approaches to Aboriginal self-government. It will appeal to academics, students, and policy analysts interested in Aboriginal governance, cultural studies, political theory, nationalism studies, and constitutional theory.

There are two realities. The reality of living our soul's calling, and the reality of being human.??Being human is hard, filled with ego, trivial problems, and plagued by emotional and cultural ideas that lead us astray from our eternal selves.??Living our soul's calling makes us feel alive, fully ourselves, and gives us the ability to heal, to grow, and to be who we were meant to be.??The Nature of Series is written from the Akashic Records-an energetic space that holds our soul's histories-and is designed to help us navigate the realities of being human, all while getting us back to what our soul is meant to be doing in this life.??Each book in this series sheds light on a topic that-when we get in right relation to it-changes the trajectory of our lives. Before, it was hard to understand. But now, with the Records, we can.??This book is about boundaries.

[Fantasies of Femininity](#) A&C Black

An "enormously informative and entertaining" history of Western sex law which covers cases from ancient times to the 19th century (Boston Globe) The "raging frenzy" of the sex drive, to use Plato's phrase, has always defied control. However, that's not to say that the Sumerians, Victorians, and every civilization in between and beyond have not tried, wielding their most formidable weapon: the law. At any given point in time, some forms of sex were condoned while others were punished mercilessly. Jump forward or backward a century or two (and often far less than that), and the harmless fun of one time period becomes the gravest crime in another. Sex and Punishment tells the story of the struggle throughout the millennia to regulate the most powerful engine of human behavior. Writer and lawyer Eric Berkowitz uses flesh-and-blood cases—much flesh and even more blood—to evoke the entire sweep of Western sex law, from the savage impalement of an ancient Mesopotamian adulteress to the imprisonment of Oscar Wilde in 1895 for "gross indecency." The cast of Sex and Punishment is as varied as the forms taken by human desire itself: royal mistresses, gay charioteers, medieval transvestites, lonely goat-lovers, prostitutes of all stripes, London rent boys. Each of them had forbidden sex, and each was judged—and justice, as Berkowitz shows, rarely had much to do with it. With the light touch of a natural storyteller, Berkowitz spins these tales and more, going behind closed doors to reveal the essential history of human desire.

[What I Want, What I Need](#) Xlibris Corporation

In this often humorous novella neither Alberto nor Mart can find a way to fulfill their desire for each other. They instead play a cat-and-mouse game within the confines of a macho-driven society where men can be campy and insinuate same-sex desire as long as it is done in apparent jest. Will their wishes remain just that, or will they eventually cross the boundaries that separate them, leading to long-denied love?

[Crossing Gender Boundaries](#) Manchester University Press

Learn when to say yes and how to say no in the context of your marriage relationship. In Boundaries in Marriage, Drs. Henry Cloud and John Townsend, counselors and authors of the New York Times bestseller Boundaries, teach us that healthy boundaries are the property lines that define and protect you and your spouse as individuals. Once you have them in place, a good marriage can become better, and a less-than-satisfying one can even be saved. Boundaries in Marriage will give you the tools and encouragement you need to: Set and maintain personal boundaries and respect those of your spouse Understand and practice two key ingredients to a successful marriage: freedom and responsibility Establish values that form a godly structure and architecture for your marriage Protect your marriage from different kinds of "intruders" Work with a spouse who understands and values boundaries--or with one who doesn't It's time to deepen your love by providing a better environment for it to flourish, and Drs. Cloud and Townsend are here to help. Discover how boundaries can make life better today!

[Territories of Desire in Queer Culture](#) Independently Published

"The authors in this volume draw upon biblical narratives to highlight key roles played by Gentiles in the service of God's mission. Each biblical account is linked to a current, real-world issue as an application of the missiological insights gleaned from the biblical source. The biblical sources drawn upon include Abraham, Ruth, and Hagar; the current contexts addressed include Papua New Guinea, Chicago's immigrant communities, and North American encounters with God outside the Christian Church"--

[The Right to Sex](#) Zondervan

In *Fantasies of Femininity*, Jane Ussher focuses on unraveling the contradictory visions of feminine sexuality: the fact that representations of the definition of woman seethe with sexuality yet for centuries women have been condemned for exploring their own sexual desires. In her quest for the sources of feminine representation, Ussher interviewed dozens of women - as well as some men - and combed popular media - from Seventeen to Cosmopolitan and Dallas to Donahue - to identify what shapes women's symbolic images of sex and femininity. Ussher argues that women have

effectively resisted and subverted these archetypal fantasies of femininity, and in the process of so doing, reframed the very boundaries of sex. In this way, she exposes as myth much of what we think we know about "woman" and about "sex."

[Dickinson and the Boundaries of Feminist Theory](#) Zondervan

What are the borders of the Promised Land in the Hebrew Bible? What drives and characterizes the descriptions given of them? The starting point for this research lies in the premise that, despite their detailed geographical nature, the biblical texts are not genuinely geographical documents. They are more appropriately to be understood and examined as literary texts composed in the service of an ideological agenda. In order to comprehend properly the idea of the Promised Land presented in the Hebrew Bible—its definitions, dimensions, and significance—we must understand that the descriptions belong to diverse literary genres, were composed according to various literary devices that require decoding, and that reflect a range of perspectives, outlooks, and notions. All the Boundaries of the Land provides engaging fresh perspectives on the variant views of the Promised Land in the interface between literature, history, geography, and ideology. It does not intend to answer the question of how the borders of the land altered throughout the course of history. The reader will find no maps or outlines in this book. The emphasis is on the literary tools that were employed by the biblical authors who described the borders, and the ideological motives that guided them. Erratum: All the Boundaries of the Land: The Promised Land in Biblical Thought in Light of the Ancient Near East was published with the support of the Israel Science Foundation (ISF). They funded the translation of the book into English and enabled Nili Wazana to make her research accessible to the wider scientific community. The preface to the book mistakenly fails to mention their contribution, thanking instead the Israel Academy of Science. Future editions will acknowledge the author's gratitude to the Israel Science Foundation.

[All the Boundaries of the Land](#) Orbis Books

The act of reproduction, and its variants, never change much, but our ideas about the meaning of sex are in constant flux. Switch a decade, cross a border, or traverse class lines and the harmless pleasures of one group become the gravest crimes in another. Combining meticulous research and lively storytelling, *The Boundaries of Desire* traces the fast-moving bloodsport of sex law over the past century, and challenges our most cherished notions about family, power, gender, and identity. Starting when courts censored birth control information as pornography and let men rape their wives, and continuing through the "sexual revolution" and into the present day (when rape, gay rights, sex trafficking, and sex on the internet saturate the news), Berkowitz shows how the law has remained out of synch with the convulsive changes in sexual morality. By focusing on the stories of real people, Berkowitz adds a compelling human element to what might otherwise be faceless legal battles. The law is made by people, after all, and nothing sparks intolerance – on the left and right -- more than sex. Ultimately, Berkowitz shows the emptiness of sanctimonious condemnation, and argues that sexual questions are too subtle and volatile for simple, catch-all solutions.

[The Frontiers of Desire](#) Rethinking Borders

Longlisted for the Prix Sade 2021 Longlisted for the Joyce Carol Oates Prize Longlisted for the Gordon Burn Prize A New York Times Notable Book of 2020 A New York Times Critics Top Ten Book of the Year Named a Best Book of the Year by over 30 Publications, including *The New Yorker*, *TIME*, *The Washington Post*, *Entertainment Weekly*, *NPR*, and the *BBC* In the highly anticipated follow-up to his beloved debut, *What Belongs to You*, Garth Greenwell deepens his exploration of foreignness, obligation, and desire Sofia, Bulgaria, a landlocked city in southern Europe, stirs with hope and impending upheaval. Soviet buildings crumble, wind scatters sand from the far south, and political protesters flood the streets with song. In this atmosphere of disquiet, an American teacher navigates a life transformed by the discovery and loss of love. As he prepares to leave the place he's come to call home, he grapples with the intimate encounters that have marked his years abroad, each bearing uncanny reminders of his past. A queer student's confession recalls his own first love, a stranger's seduction devolves into paternal sadism, and a romance with another foreigner opens, and heals, old wounds. Each echo reveals startling insights about what it means to seek connection: with those we love, with the places we inhabit, and with our own fugitive selves. Cleaness revisits and expands the world of Garth Greenwell's beloved debut, *What Belongs to You*, declared "an instant classic" by *The New York Times Book Review*. In exacting, elegant prose, he transcribes the strange dialects of desire, cementing his stature as one of our most vital living writers.

[Disgust and Desire](#) UBC Press

Discussing issues of parent-child contact ranging from breastfeeding and sleeping arrangements to sexual abuse, Jean O'Malley Halley traces the evolution of mainstream ideas about touching between adults and children over the course of the twentieth century in the United States. *Boundaries of Touch* shows how arguments about adult-child touch have been politicized, simplified, and bifurcated into "naturalist" and "behaviorist" viewpoints, thereby sharpening certain binary constructions such as mind/body and male/female. In addition to contemporary periodicals and self-help books on child rearing, Halley uses information gathered from interviews she conducted with mothers ranging in age from twenty-eight to seventy-three. Throughout, she reveals how the parent-child relationship, far from being a private or benign subject, continues as a highly contested, politicized affair of keen public interest.

[Boundaries of Eden](#) Intellect (UK)

Moving between the American South and Mexico, these stories explore how immigrant and native characters are shaped by absent family and geography. A Chilanga teen wins a trip to Miami to film a reality show about family while pining for the American brother she's never met. A Louisiana carpenter tends to his drug-addicted son while rebuilding his house after a slew of hurricanes. A New Orleans ne'er-do-well opens a Catholic-themed bar in the wake of his devout mother's death. A village girl from Chiapas baptizes her infant on a trek toward the U.S. border. In the collection's second half, we follow a Veracruz-born drifter, Manuel, and his estranged American son, Tommy. Over decades, they negotiate separate nations and personal tragicomedies on their journeys from innocence to experience. As Manuel participates in student protests in Mexico City in 1968, he drops out to pursue his art. In the 1970s, he immigrates to Louisiana, but soon leaves his wife and infant son behind after his art shop fails. Meanwhile, Tommy grows up in 1980s Louisiana, sometimes escaping his mother's watchful eye to play basketball at a park filled with the threat of violence. In college, he seeks acceptance from teammates by writing their term papers. Years later, as Manuel nears death and Tommy reaches middle age, they reconnect, embarking on a mission to jointly interview a former riot policeman about his military days; in the process, father and son

discover what it has meant to carry each other's stories and memories from afar.

How to Establish Boundaries Oliver H. Jobson

Selected by the Modern Library as one of the 100 best nonfiction books of all time A book about romantic love, Eros the Bittersweet is Anne Carson's exploration of the concept of "eros" in both classical philosophy and literature. Beginning with, "It was Sappho who first called eros 'bittersweet.' No one who has been in love disputes her," Carson examines her subject from numerous points of view, creating a lyrical meditation in the tradition of William Carlos Williams's Spring and All and William H. Gass's On Being Blue. Epigrammatic, witty, ironic, and endlessly entertaining, Eros is an utterly original book.

The Boundaries of EU Enlargement Thomas Nelson

This book engages with, and develops, current debates about desire and sexual identification by focusing on a wide selection of contemporary literature, film, and theory. These texts range from the novels of Alan Hollinghurst and Paul Magrs to the work of Pedro Almodovar, RuPaul, Derek Jarman, and Camille Paglia, as well as TV programs like "Ellen" and "Shinjuku Boys," and individual films such as Collard's "Savage Nights."

Sex and Punishment Zondervan

Cheever presents an intimate, provocative meditation on love, sex, and addiction; explores the boundaries between passion and addiction, desire and

need; and raises important questions about how people love and why.

Boundaries of Touch Farrar, Straus and Giroux

Let Boundaries for Your Soul show you how to turn your shame to joy, your anger to advocacy, and your inner critic into your biggest champion. Do your emotions control you or do you control your emotions? Boundaries for Your Soul, written by bestselling authors and licensed counselors Alison Cook and Kimberly Miller, shows you how to calm the chaos within. This groundbreaking approach will give you the tools you need to: Know what to do when you feel overwhelmed Understand your guilt, anxiety, sadness, and fear Move from doubt and conflict to confidence and peace Find balance and emotional stability Gathering the wisdom from the authors' twenty-five years of combined advanced education, biblical studies, and clinical practice, this book will set you on a journey to become the loving, authentic, joyful person you were created to be. Praise for Boundaries for Your Soul: "Personal growth requires that we create healthy boundaries for our internal world, just as we are to do in our interpersonal relationships. When the various parts of our soul are connected and integrated, the result is that we heal, relate, and function at the highest levels. Alison Cook and Kimberly Miller have written a very helpful, engaging, and practical book on how to accomplish this process." --Dr. John Townsend, New York Times bestselling author of Boundaries and founder of the Townsend Institute "Boundaries for Your Soul spoke to me in echoes of already-known, yet-not-fully-applied truths, as well as with sweet new understandings. For both those familiar with Jesus' inner healing and those new to the process, there is real help here." --Elisa Morgan, author of The Beauty of Broken and The Prayer Coin, cohost of Discover the Word, and president emerita of MOPS International
