Tabus befinden sich im  
ständigen Wandel und die  
zu bestimmten Zeiten  
geltenden Tabuzonen  
verschieben sich ständig.  
Dieser Band versammelt  
Beiträge, in denen  
diverse, sowohl typisch

schweizerische als auch  
allgemeingültige  
Tabuzonen und  
Tabubrüche  
angesprochen werden,  
wobei es sich ebenso um  
literarische wie auch  
geschichtlich-politische,  
geschlechtliche, sittliche  
und religiöse oder  
künstlerisch-  
gesellschaftliche Tabus  
handelt, wie sie in  
verschiedenen Werken

der Deutschschweizer  
Literatur zur Sprache  
gebracht wurden. Damit  
wird aufgezeigt, dass vor  
allem die Kunst den Mut  
und die subversive Kraft  
hat, die geltenden Tabus  
kritisch zu hinterfragen  
und durch die  
Inszenierung von  
Tabubrüchen die  
Gesellschaft zur vertieften  
Reflexion und in der Folge  
zum vorurteilsfreien

Denken und Handeln anzuregen. This volume brings together essays on a variety of both universal and specifically Swiss taboo zones and also on breaches of taboo which feature in works of German-Swiss literature. Literary, political, social, sexual, moral and religious taboos are discussed. Existing taboo zones are shown to displace themselves at certain times and taboos to be in a constant state of flux. The essays demonstrate that art has the courage and the

subversive force to challenge accepted taboos and by creating breaches of taboo to promote reflection on unprejudiced thought and action.

**The Better Angels of Our Nature** Bloomsbury Publishing USA

An extraordinary novel of love, war, and art, based on the turbulent real-life romance of legendary photojournalists Gerda Taro and Robert Capa Artists, Jews, nonconformists, exiles. Gerta Pohorylle meets André Friedmann in Paris

in 1935 and is drawn to his fierce dedication to justice, journalism, and the art of photography. Assuming new names, Gerda Taro and Robert Capa travel together to Spain, Europe's most harrowing war zone, to document the rapidly intensifying turmoil of the Spanish Civil War. In the midst of the peril and chaos of brutal conflict, a romance for the ages is born, marked by passion and recklessness . . . until tragedy intervenes. Already published to international acclaim,

Waiting for Robert Capa is an exhilarating tale of art and love—and a moving tribute to all those who risk their lives to document the world's violent transformations. *Forbidden Falls* Harlequin I'm not a total dick ... Most days, I'm a damned decent guy. Just not around my buddy's sister. She's sexy as sin, sharp as hell, and she's also the lush little harpy who's been rubbing me wrong since we were kids. I don't want to do her a favor ... If it had been any other damsel in distress looking

to shake some unwanted attention, I'd have been the perfect fake boyfriend for all of five minutes. But Laurel brings out the bastard in me, and five minutes hardly seemed enough time to make her squirm. She wants to one-up me, and I want to win. But maybe I need a favor too ... *Collide* Kink Chronicles These two phenomena can be seen as manifestations of a general malaise, a disorientation that may last for quite some time, and Jay Rosellini

approaches his subject with the belief that it would be irresponsible to ignore these disquieting trends." "This account is recommended for the general reader interested in international issues as well as for students and scholars of German, intellectual history, political science, and comparative sociology."--BOOK JACKET. Waiting for Robert Capa ANU Press Blasenschwäche betrifft 1 von 3 Menschen und ist weiter verbreitet als Heuschnupfen. Als die

Engländerin Luce Brett im Alter von 30 Jahren nach der Geburt ihres ersten Kindes inkontinent wurde, glaubte sie, ihr Leben sei zu Ende. Panik und Scham, Einlagen und Wechselkleidung wurden zu ihren ständigen Begleitern, sie war schockiert und fühlte sich schmutzig. "Ich bin nicht ganz dicht" ist Luce Bretts eigene Geschichte: Mit trockenem Humor und Sachverstand berichtet sie von ihrem mitunter beschwerlichen, aber letztlich erfolgreichen Weg nach der Diagnose.

Und sie erklärt, was es bedeutet, wenn Betroffene über ein Tabuthema nicht sprechen können – nicht mit ihrer Freundin, nicht mit ihrem Partner, nicht mit ihrer Frauenärztin. Mit einem lachenden und einem weinenden Auge bricht die Autorin eines der letzten Tabus und erzählt mutig und schonungslos ehrlich von ihrer Inkontinenz. Und sie macht anderen Betroffenen Hoffnung: Denn Blasenschwäche ist behandelbar! Mit allen wichtigen Informationen

zu Hilfsmitteln, Physiotherapie, Operationsmöglichkeiten und weiterführenden Adressen.

 This is the first English translation of the seminal book by Katharina Reiß and Hans Vermeer, Grundlegung einer allgemeinen

Translationstheorie, first published in 1984. The first part of the book was written by Vermeer and explains the theoretical foundations and basic principles of skopos theory as a general theory of translation and interpreting or 'translational action', whereas the second part, penned by Katharina Reiß, seeks to integrate her text-typological approach, first presented in 1971, as a 'specific theory' that focuses on those cases in which the skopos requires equivalence of functions

between the source and target texts. Almost 30 years after it first appeared, this key publication is now finally accessible to the next generations of translation scholars. In her translation, Christiane Nord attempts to put skopos theory and her own concept of 'function plus loyalty' to the test, by producing a comprehensible, acceptable text for a rather heterogeneous audience of English-speaking students and scholars all over the

world, at the same time as acting as a loyal intermediary for the authors, to whom she feels deeply indebted as a former student and colleague.

 Is it merely an accident of English etymology that 'imagination' is cognate with 'image'? Despite the iconoclasm shared to a greater or lesser extent

by all Abrahamic faiths, theism tends to assert a link between beauty, goodness and truth, all of which are viewed as Divine attributes. Douglas Hedley argues that religious ideas can be presented in a sensory form, especially in aesthetic works. Drawing explicitly on a Platonic metaphysics of the image as a bearer of transcendence, The Iconic Imagination shows the singular capacity and power of images to represent the transcendent in the

traditions of Christianity, Judaism, Hinduism and Islam. In opposition to cold abstraction and narrow asceticism, Hedley shows that the image furnishes a vision of the eternal through the visible and temporal.

Pepper's writing was captivating and thrilling, combined with her trademark for dark lyrical deliciousness, creating a perfectly braided work

that screams...dark, sinful, forbidden, but also daring, alluring, and lustful. \*\*\* Please note, this is a Dark Romance. If you don't like darker topics, please don't read. Welcome back to Virgin River with the books that started it all... Reverend Noah Kincaid moved to Virgin River to reopen an abandoned church he bought on eBay. Like Noah, the place is a little empty inside, but all it may need is some loving care... The young widower arrives ready to roll up his sleeves and build a place of worship and welcome, but he needs some help.

And the Lord works in mysterious ways. With her tight shirts and short skirts, pastor's assistant is not a phrase that springs to mind when Noah meets brassy, beautiful Ellie Baldwin. The former exotic dancer needs a respectable job so she can regain custody of her children. And Noah can't help but admire her spunk and motherly determination. Noah and Ellie are an unlikely team to revitalize a church, much less build a future. The couple has so many differences, but in Virgin

River anything is possible, and happiness is never out of the question.

My people collected-- (Captured.) --all the bipedal inhabitants of a small blue planet in a galaxy that was quite a journey from our own star system. Tender-skinned and intelligent, these new aliens make interesting pets. Fascinating, actually. And when the rest of the universe realizes this, everybody

wants to own one. Therefore, we need these new aliens to breed. It's my job to assist the aliens in reproducing... by whatever means I deem necessary.

Auf einer Luxusyacht im Atlantik tanzt der schwergewichtige Präsident von Gen-Engineering-International seinen letzten Tanz. Er stirbt mit einem verzückten Lächeln auf den Lippen. Harald Cartwright ist der erste

lächelnde Tote. Die Obduktion ergibt nichts Auffälliges, abgesehen von geringfügigen Veränderungen der inneren Organe und einer Gefäßverdrängung im Gehirn. Schon wenig später wird es Millionen Lächler geben. Die einen werden hintergründig lächeln, so als ob sie etwas wüssten. Andere werden einfältig lächeln, so als ob sie nichts wüssten. Aber lächeln werden sie alle. Das Lächeln ist das sichtbare Symptom einer epidemisch

ausbrechenden Seuche, einer merkwürdigen Krankheit, hervorgerufen durch eine gen-manipulierte Mikrobe. Wer ist schuld an der Seuche des Lächelns? Das fragt sich in einem abgelegenen Tal auf der Atlantikinsel Gran Canaria der Erzähler der Geschichte. Zuerst will er nicht an den Gen-GAU denken. Er kocht lieber Mango-Chutney und spielt mit Inmaculada, der Unschuldigen vom Land, die zu internationalen Mannequin arriviert, Tennis. Doch dann

werden beide von der Schwarzen Kiste der Biologie eingeholt. Von den Gefahren der Wissenschaft, die die story von glücklich lächelnden Menschen zur Begegnung der letzten Art machen.

 At twenty-eight, Jamie  
 Gray has realized his  
 dream of becoming a  
 traveling nurse. After  
 years of moving from  
 place to place, he's met

so many new people but hasn't formed any true connections. Jamie knows it's time to stop avoiding his life, like he's been doing since the death of his mother; his only family. Moving to the big city of Powell's Point to share an apartment with his best friend is exactly what he needs. It feels like the best time to set down some roots and get into a routine...and maybe, just maybe find love. Ronan Kincaid comes from a long line of doctors. Not being one to conform to the desires of

his parents or society, his small practice focuses on the people in the BDSM community of Powell's Point. Often misunderstood, the community needs someone who knows and lives their lifestyle...someone who will take care of them the way they deserve. With his well-respected practice and exceptional bedside manner-coupled with afterhours scenes and kinky house calls-the nickname Dr. Kink takes hold, much to his dismay. Needing to replace his

long-time nurse, he hires the best candidate for his growing practice, figuring his mild attraction is of no consequence. But as time passes, he finds it harder and harder to keep his thoughts and hands away from his new nurse. If only Jamie wasn't so captivating, drawing Ronan to touch. As their mounting attraction becomes impossible to ignore, their secrets are revealed, changing everything between them. Heated glances turn into heated touches, and they find themselves

wondering: Is what they have a passing phase of pleasure and kink, or can they both open their minds to the possibility of a forever love? Author's Note: For those of you that prefer warnings use the "Look Inside" feature to find them within the first several pages. For those of you that prefer to be surprised, ignore them. . . Wirtschaft ist angewandte Psychologie so notwendig wie in Familienunternehmen. Der Autor beschreibt die Verbindung von Familie und Unternehmen als eine Liaison von Gefühl und Kalkül. Ein dynamisches Leben in Familie und Betrieb bringt viele Vorteile mit sich. Die entstehende Dynamik will jedoch auch gemeistert werden. Dies erfordert von allen Beteiligten eine hohe soziale Kompetenz. Für den schnellen Leser sind zentrale Themen des Buches in einem Dialog
