## HARPER JACKSON

---

*Compromised* Simon and Schuster  
 The Best of George Clinton JPMC Books Incorporated Where'd You  
 Get That Funk From?  
*Liberty and Union* HarperChristian + ORM  
 Celebrates funk music using biographies of such musicians as  
 James Brown and George Clinton, and provides descriptions of  
 the genre, historical perspectives, and the story behind the  
 "death of funk" following the introduction of disco.  
*Public papers of George Clinton, first governor of New York,  
 1777-1795, 1801-1804* Simon and Schuster  
 This is a graphic novel about a noise rock band, based in an  
 alternate reality version of Chicago, and their community of  
 friends and acquaintances. Though beset with disaster at every  
 turn—and frequently reduced to squabbling—they stick together  
 because the band is the core of their existence, and they help  
 each other find their way. *Band for Life* is a love letter to people  
 compelled to create with no hope of financial reward.  
**The New Rolling Stone Album Guide** Retro Books

Hillary Clinton is running for the presidency with a message of hope and change. But, as Doug Henwood makes clear in this concise, devastating indictment, little trust can be placed in her campaign promises. Rigorously reviewing her record, Henwood shows how Clinton's positions on key issues have always blown with the breeze of expediency, though generally around an axis of moralism and hawkishness. Without a meaningful program other than a broad fealty to the status quo, Henwood suggests, "the case for Hillary boils down to this: she has experience, she's a woman, and it's her turn."

**My Turn** Fantagraphics Books

**\*\*ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY ROLLING STONE\*\*** The captivating memoir from "the emperor of intergalactic funk" (NPR) and most influential pop artists of our time—known for over forty R&B hit singles—George Clinton of Parliament-Funkadelic. George Clinton began his musical career in New Jersey, where his obsession with doo-wop and R&B led to a barbershop quartet—literally, as Clinton and his friends also styled hair in the local shop—the way kids often got their musical start in the '50s. But how many kids like that ended up playing to tens of thousands of rabid fans alongside a diaper-clad guitarist? How many of them commissioned a spaceship and landed it

onstage during concerts? How many put their stamp on four decades of pop music, from the mind-expanding sixties to the hip-hop-dominated nineties and beyond? One of them. That's how many. How George Clinton got from barbershop quartet to funk music megastar is a story for the ages. As a high school student, George traveled to New York City, where he absorbed all the trends in pop music, from traditional rhythm and blues to Motown, the Beatles, the Stones, and psychedelic rock, not to mention the formative funk of James Brown and Sly Stone. By the dawn of the seventies, he had emerged as the leader of a wildly creative musical movement composed mainly of two bands—Parliament and Funkadelic. And by the bicentennial, Clinton and his P-Funk empire were dominating the soul charts as well as the pop charts. He was an artistic visionary, visual icon, merry prankster, absurdist philosopher, and savvy businessmen, all rolled into one. He was like no one else in pop music, before or since. Written with wit, humor, and candor, this memoir provides tremendous insight into America's music industry as forever changed by Clinton's massive talent. This is a story of a beloved global icon who dedicated himself to spreading the gospel of funk music.

**All Too Human** Duke University Press

The true story of Bill Clinton's political sell-out to the CIA.

*Rodham* SP Books

Named one of the best music books of 2017 by *The Wall Street Journal* A unique and kaleidoscopic look into the life, legacy, and electricity of the pop legend Prince and his wideranging impact on our culture Ben Greenman, *New York Times* bestselling author, contributing writer to the *New Yorker*, and owner of thousands of recordings of Prince and Prince-related songs, knows intimately that there has never been a rock star as vibrant, mercurial, willfully contrary, experimental, or prolific as Prince. Uniting a diverse audience while remaining singularly himself, Prince was a tireless artist, a musical virtuoso and chameleon, and a pop-culture prophet who shattered traditional ideas of race and gender, rewrote the rules of identity, and redefined the role of sex in pop music. A polymath in his own right who collaborated with George Clinton and Questlove on their celebrated memoirs, Greenman has been listening to and writing about Prince since the mid-eighties. Here, with the passion of an obsessive fan and the skills of a critic, journalist, and novelist, he mines his encyclopedic knowledge of Prince's music to tell both his story and the story of the paradigm-shifting ideas that he communicated to his millions of fans around the world. Greenman's take on Prince is the autobiography of a generation and its ideas. Asking a series of questions—not only “Who was Prince?” but “Who wasn't he?” and “Who are we?”—*Dig if You Will the Picture* is a fitting tribute to an extraordinary talent.

**George Clinton** Simon and Schuster

Publisher Description

*Where'd You Get That Funk From?* Penguin

An exploration of the life and legacy of Prince discusses his vibrant and prolific output, the paradigm-shifting ideas in his music, and his wide-ranging impact on modern culture. 505 0 \$a Foreword / by Questlove -- Introduction: the end -- Man, music. Life can be so nice: his life and its beginnings ; Baby I'm a star: his music and its beginnings ; Brand new groove: his music and its properties ; Musicology: his music and its imitators -- Meaning. Girls and boys: sex in his music ; Walk by the mirror: self in his music ; What time is it?: others in his music ; I wish u heaven: virtue and sin in his music ; America: race and politics in his music -- Methods, madness. What's my name: why he changed his name, and what that wrought ; MPLS: how his hometown made him and how he, in turn, made it ; Call the law: how he grew frustrated with fans and the internet ; It's gonna be a

beautiful night: when he was onstage ; The work: how he produced so much for so long -- Memory. Such a shame our friendship had to end -- Appendix: Let's work: annotated discography and song index.

**Glow** Rowman & Littlefield

In *Extended Play*, one of the country's most innovative music writers conducts a wide-ranging tour through the outer limits of contemporary music. Over the course of more than twenty-five portraits, interviews, and essays, John Corbett engages artists from lands as distant as Sweden, Siberia, and Saturn. With a special emphasis on African American and European improvisers, the book explores the famous and the little known, from John Cage and George Clinton to Anthony Braxton and Sun Ra. Employing approaches as diverse as the music he celebrates, Corbett illuminates the sound and theory of funk and rap, blues and jazz, contemporary classical, free improvisation, rock, and reggae. Using cultural critique and textual theory, Corbett addresses a broad spectrum of issues, such as the status of recorded music in postmodern culture, the politics of self-censorship, experimentation, and alternativism in the music industry, and the use of metaphors of space and madness in the work of African American musicians. He follows these more theoretically oriented essays with a series of extensive profiles and in-depth interviews that offer contrasting and complementary perspectives on some of the world's most creative musicians and their work. Included here are more than twenty original photographs as well as a meticulously annotated discography. The result is one of the most thoughtful, and most entertaining, investigations of contemporary music available today.

[Dig If You Will the Picture](#) The Best of George Clinton

America is under attack. Its institutions and values are under daily assault. But the principal culprits are not foreign terrorists. They are influential and powerful Americans secretly stirring up disunion and disloyalty in the shifting shadows of the Democratic Party. Radical infiltrators have been quietly transforming America's societal, cultural, and political institutions for more than a generation. Now, backed by George Soros, they are ready to make their move. These "progressive" extremists have gained control over a once-respectable but now desperate and dangerous political party. From their perches in the Democratic hierarchy, they seek to undermine the war on terror, destabilize the nation, and effect radical "regime change" in America. With startling new evidence, *New York Times* best-selling authors David Horowitz and Richard Poe shine the light on the Shadow Party, exposing its methods, tactics, and ultimate agenda.

*What Happened* Little, Brown

*Where'd You Get That Funk From?* goes beyond the wigs and the boots and through a series of in-depth interviews and sharp cultural analyses that put George Clinton in his proper context. That is, as a radical part of black America's turbulent 1960s; as being as musically representative of Detroit as Motown; as leading the first soul group to employ circus hands among their roadies; as being able to pull together music as diverse as that of Bach, the Beatles, James Brown, Frank Zappa, the Moonglows, and the Supremes to create P-Funk, which became a cornerstone of West Coast hip-hop. Clinton's principal groups, Parliament and Funkadelic, were two of the most dynamic and successful American bands of the 70s, but their wild shows and badass party sounds represented just one facet of their remarkable leader's talent. Seminal songs such as Atomic Dog. Flashlight, Up for the Down Stroke. Give Up the Funk. and Bop Gun became the basis of countless hip-hop hits throughout the next two decades.

**Extended Play** Hal Leonard Corporation

“The Hollywood memoir that tells all . . . Sex. Drugs. Greed. Why,

it sounds just like a movie.”—The New York Times Every memoir claims to bare it all, but Julia Phillips’s actually does. This is an addictive, gloves-off exposé from the producer of the classic films *The Sting*, *Taxi Driver*, and *Close Encounters of the Third Kind*—and the first woman ever to win an Academy Award for Best Picture—who made her name in Hollywood during the halcyon seventies and the yuppie-infested eighties and lived to tell the tale. Wickedly funny and surprisingly moving, *You’ll Never Eat Lunch in This Town Again* takes you on a trip through the dream-manufacturing capital of the world and into the vortex of drug addiction and rehab on the arm of one who saw it all, did it all, and took her leave. Praise for *You’ll Never Eat Lunch in This Town Again* “One of the most honest books ever written about one of the most dishonest towns ever created.”—The Boston Globe “Gossip too hot for even the National Enquirer . . . Julia Phillips is not so much Hollywood’s Boswell as its Dante.”—Los Angeles Magazine “A blistering look at La La Land.”—USA Today “One of the nastiest, tastiest tell-alls in showbiz history.”—People

**Brothas Be, Yo Like George, Ain’t That Funkin’ Kinda Hard On You?** Simon and Schuster

**Funk:** It’s the only musical genre ever to have transformed the nation into a throbbing army of bell-bottomed, hoop-earringed, rainbow-Afro’d warriors on the dance floor. Its rhythms and lyrics turned bleak urban realities inside out with distinctive, danceable, downright irresistible music. Funk hasn’t received the critical attention that rock, jazz, and the blues have—until now. Colorful, intelligent, and in-your-face, Rickey Vincent’s *Funk* celebrates the songs, the musicians, the philosophy, and the meaning of funk. The book spans from the early work of James Brown (the Godfather of Funk) through today, covering funky soul (Stevie Wonder, the Temptations), so-called “black rock” (Jimi Hendrix, Sly and the Family Stone, the Isley Brothers), jazz-funk (Miles Davis, Herbie Hancock), monster funk (Parliament, Funkadelic, Bootsy’s Rubber Band), naked funk (Rick James, Gap Band), disco-funk (Chic, K.C. and the Sunshine Band), funky pop (Kool & the Gang, Chaka Khan), P-Funk Hip Hop (Digital Underground, De La Soul), funk-sampling rap (Ice Cube, Dr. Dre), funk rock (Red Hot Chili Peppers, Primus), and more. *Funk* tells a vital, vibrant history—the history of a uniquely American music born out of tradition and community, filled with energy, attitude, anger, hope, and an irrepressible spirit.

*George Clinton & The Cosmic Odyssey of the P-Funk Empire* RH Childrens Books

The sports world according to Michael Rapaport—actor, Top 50 podcaster, award-winning film maker, and sports fanatic—from the greatest and downright worst athletes, players, teams, and jerseys, but minus statistics, analytics, or anything else that isn’t pure hustle in this “hell of a book” (Shaquille O’Neal). In 1979, nine-year-old Michael Rapaport decided he was going to do whatever it took to be a pro baller. He practiced and practiced, but by the time he was fifteen, he realized there was no place for a slow, white Jewish kid in the NBA. So, he found another way to channel his obsession with sports: talking trash. In the “crazy, passionate, funny and intense” (Colin Cowherd) *This Book Has Balls*, Rapaport uses his signature smack-talk style and in-your-face humor to discuss everything from why LeBron will never be like Mike, that Tiger needs the ladies to get his golf game back, and how he once thought Mary Lou Retton was his true love. And, of course, why next year will be the year the New York Knicks win the championship. This book is a series of rants—some controversial, some affectionate, but all incredibly hilarious. “Something is wrong with Michael Rapaport but that’s what makes him right,” (Charlamagne tha God).

*First In His Class* Simon and Schuster

Best known for his 1980s hit songs “Super Freak,” “Give it to Me

Baby,” and “Mary Jane,” the late singer and funk music pioneer Rick James collaborated with acclaimed music biographer David Ritz in this posthumously published, no-holds-barred memoir of a rock star’s life and soul. He was the nephew of Temptations singer Melvin Franklin; a boy who watched and listened, mesmerized from underneath cocktail tables at the shows of Etta James and Miles Davis. He was a vagrant hippie who wandered to Toronto, where he ended up playing with Neil Young and Joni Mitchell, and he became a household name in the 1980s with his hit song “Super Freak.” Later in life, he was a bad boy who got caught up in drug smuggling and ended up in prison. But since his passing in August 2004, Rick James has remained a legendary icon whose name is nearly synonymous with funk music—and who popularized the genre, creating a lasting influence on pop artists from Prince to Jay-Z to Snoop Dogg, among countless others. In *Glow*, Rick James and acclaimed music biographer David Ritz collaborated to write a no-holds-barred memoir about the boy and the man who became a music superstar in America’s disco age. It tells of James’s upbringing and how his mother introduced him to musical geniuses of the time. And it reveals details on many universally revered artists, from Marvin Gaye and Prince to Nash, Teena Marie, and Berry Gordy. James himself said, “My journey has taken me through hell and back. It’s all in my music—the parties, the pain, the oversized ego, the insane obsessions.” But despite his bad boy behavior, James was a tremendous talent and a unique, unforgettable human being. His “glow” was an overriding quality that one of his mentors saw in him—and one that will stay with this legendary figure who left an indelible mark on American popular music.

**Bushwhacker** Back Bay Books

A history of Jamaica’s contribution to world culture—reggae—traces the history of the form from African rhythms to the slums of Kingston and the international recording industry.

**This Book Has Balls** Seven Stories Press

“An engaging, beautifully synthesized page-turner” (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton’s most personal memoir yet, about the 2016 presidential election. In this “candid and blackly funny” (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. “At her most emotionally raw” (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing... guide to our political arena” (The Washington Post), *What Happened* lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. *What Happened* is the story of that campaign, now with a new epilogue showing how Hillary

grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

*Brothas Be, Yo Like George, Ain't That Funkin' Kinda Hard On You?* Atria Books

"Updated with new letters and photos"--Dust jacket.

Funk Random House

The story of Bill Wilson has been told and re-told throughout the Ozarks Mountains since he began his bloody career in 1861. He is a true folk hero from the time when the Ozarks were full of men who took to the bush and waged war on the Yankees who had invaded their state. In the summer of 1861, Bill was accused of stealing horses from the Union. He was questioned and released, but a few days later, while he was away from home, a group of

Yankees, Red Legs, and Jawhawkers ejected his family from his house, stole everything worth stealing, and burned the house, barn, and outbuildings. From that day forward, Bill became a one-man army intent on killing every Yankee, or Yankee sympathizer, he could find. He became one of the best known Bushwhackers in Missouri, along with men like Sam Hildebrand, another Missouri Bushwhacker legend. After the war ended, with a \$300 bounty on his head, Bill left Missouri. As did many ex-Confederates, he took off for Texas. The end of the Bill Wilson story is said to have come in Sherman, Texas. Two of his ex-comrades, former Missouri Partisan Rangers, apparently got the drop on him and murdered him for the cash he was carrying. The two men, William O. Blackmore and John Thompson, were apprehended, tried, and convicted of the murder. They were hanged on 26 March, 1869 in Sherman, Texas at 1:00 p.m.
