Pack Rule #2: Always protect your mate I protected my country. Protected my platoon. Now all I wanted to protect was her. Too bad that wasn't an option. I couldn't fall for the beautiful slip of a female. The baby sister of my brother's new mate. She was way too young. Way too human. Still in college. And too bright a force of nature. She had her whole life ahead of her. And I had the Green Berets begging me to reenlist. My wolf... he wanted her. But if I let her go without claiming her, I might not survive the moon madness.

From USA Today bestselling author Claudia Burgoa comes an angsty, fake-fiance, opposites attract, secret billionaire romance. What do you do when you're tired of being the loser? You make up the perfect fiancé, of course. I know it sounds desperate, but hear me out. In my family, everyone is someone. But me? I'm just a small-town librarian with no prospects and no future. At every family reunion, my older sister reminds me of that fact. So when she announced her own upcoming nuptials, I knew I had to act fast. I needed a fake fiancé to bring to the wedding and prove that I was happy and successful too. Enter River Kershaw, the town playboy. My bestie Wren suggested him, and I was hesitant at first. He's the complete opposite of me: a charming extrovert. But I can't deny

that he's tall, strong, and hot. I know it's a risk, but I'm determined to show my family that I'm just as happy and in love as they are. Even if that means pretending to be with someone who's totally not my type. I'm ready to give the performance of a lifetime. Dirty Secret Love is the second book in the Heartwood Lake Secret Billionaire Series—an emotional rollercoaster

How does this story of sex in groups sound to you? My Gangbang with Carrie (Nine or Ten Guys and My Best Friend!) A Rough Group Sex Erotica Story by Karla Sweet Karla and I were right on the verge of huge business success but we needed some financing to make it work. When the banks refused to help, we scrambled to find private investors. Our only luck came with Arthur, a really wealthy trust fund heir. There was only one catch... He had a condition, and that condition was that one of us would have to sleep with all of his friends at a party. Carrie and I drew straws and I lost! Suddenly, I was the center of attention in a big gangbang and the craziest thing of all was that Carrie joined in! That's just one of the stories you'll find in this collection where one hole filled is never enough. Click to get it on your Kindle device and it will be there in seconds! Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, double team sex, double penetration, first anal sex, and more. Only mature adults who won't find that offensive should read this collection. These are the rest of the group sex stories: 2. Cynthia's Double Penetration A Wife Swap Erotica Story by Carolyne Cox It all happened so suddenly, and I never would have expected any of it. I noticed how attractive Tom's bulge was, and then his wife noticed me noticing. I thought she was going to be ticked off but instead she started something that turned into a wild time. I fucked her husband. She fucked my husband. Things just got crazy, and before long I was watching both men take her at the same time... with double penetration and everything! 3. Getting the Promotion (And Using Every Hole to Do It!) An Office Gangbang Erotica Story by Skyler French I was usually so adamant about not using my body to get ahead at work but it became apparent if I wanted the promotion there were things expected of me. Sure, I felt a bit slutty for doing it but the raise and the benefits were enough of an incentive. So, I prepared myself for whatever the management team wanted. I had no idea that what they wanted was my untouched ass! Well, they took that and they took my throat and they took... let's just say every single hole was filled and it was horribly intense and wonderful all at the same time. 4. Taking on the Team A Gangbang Short by Tanya Tung Tami is tired of her college basketball team's losing streak. She comes up with a little motivation: if they win their last game of the season, they win her. That's right. She'll take on all of them all at once, even the bench. She's only been with one man before, and they'll be able to have her any way they want her. With motivation like that, they can't lose, and Tami is going to make sure they all score. She didn't really know what she was getting into, though, until her throat and pussy and ass were all filled at once in a rough gangbang that even involves the bench! 5. Welcomed to the Dorm with a Gangbang (Rough Sex, Bondage, and Double Penetration on Campus) A Group Sex Erotica Story by Sarah Blitz I'd only just arrived on campus when my mouth got me in

trouble and when it became apparent I was too far along to back out, I just went with things. Before I knew it, I was taking on a bunch of guys, and they weren't gentle. Well, my mouth got me in trouble but the boys took a hell of a lot more than just my mouth! They took my throat and my ass and... well, I had my first anal sex, double penetration, and an experience I could blame on my mouth but wasn't really all that unhappy about.

As the U.S. Latino population grows rapidly, and as the LGBTQ Latino community becomes more visible and a more crucial part of our literary and artistic heritage, there is an increasing demand for literature that successfully highlights these diverse lives. Edited by Lázaro Lima and Felice Picano, *Ambientes* is a revolutionary collection of fiction featuring stories by established authors as well as emerging voices that present a collective portrait of gay, lesbian, bisexual, and transgender experience in America today. With a preface by Picano and an introduction by Lima that sets the stage for understanding Latino literary and cultural history, this is the first anthology to cross cultural and regional borders by offering a wide variety of urban, rural, East Coast, West Coast, and midwestern perspectives on Latina and Latino queers from different walks of life. Stories range from sensual pieces to comical romances and from inner-city dramas fueled by street language to portraits of gay domesticity, making this a much-needed collection for many different kinds of readers. The stories in this collection reflect a vibrant and creative community and redefine received notions of "gay" and "lesbian." Women are dangerous. Good, yet naive, men routinely wreck their lives because they "stick their dick in a blender" — having sex with the wrong kinds of women. STDs, unplanned pregnancies, false accusations, mental health headcases, and divorce make chasing skirts a dangerous game. While lesser men retreat from the pursuit of women into the pixel-powered pleasure world, you have faith that your hunt for a virtuous woman will be fruitful. You can't take a time-machine back to a more decent age to find a marriageable woman. You're not ready to give up on your genetic purpose and start banging sex robots, but you're tired of the transient, meaningless flings with mediocre women. You're likely underestimating just how risky sex, a relationship, or marriage is with the modern woman. But you're also underestimating just how rewarding it is to win the commitment of "a nice girl" — a truly feminine woman, not at war with the natural order — and intertwine your essence with hers. "Don't Stick Your Dick in a Blender" is an irreverent, politically incorrect exposition of the state of dating in the current year. And a playbook of counter-intuitive approaches, advanced social dynamics lifehacks, along with filtering strategies for avoiding the time-wasters and inglorious skanks. How to meet a nice girl... Meeting a wife-material woman - Yes, it's still possible! Dating post-COVID-19 - The global pandemic/plandemic has changed the game, you must adapt. The truth about marrying an exotic foreign woman - Is it for you? Online dating - Navigating the digital minefield of fakers, flakes, liars, and scams. Mindset demystified - Deprogramming the mainstream (and counter-culture) mindsets that cost you love. Dating abroad - How to do it without getting royally screwed. Avoiding the friend zone - Advanced persuasion and sexual signaling methods.

Seducing a virgin - Why this really matters and how to do it... Eliciting yielding Yin energy - Inspiring a woman to adopt your values. Cultivating her devotion - Get laid like a "lover" and get respect like a patriarchal provider. Tantric "sex hacks" - Up your bedroom skills with an arsenal of holistic biohacks (both ancient and cutting-edge) for life-changing sex. You'll learn about the four red flags of a "blender" — deal-breakers that should make you back away slowly from a woman. You'll learn what qualifies as a virtuous woman who you might have a future with. And, why there's a lot of reasons to be optimistic about finding love and even getting married one day. This book is also a story of hope and redemption, the memoir of a reformed pickup artist who "enjoyed the decline" all the way from America and Colombia to Ukraine and found edifying joy and meaning between the voluptuous thighs of a beautiful Bulgarian woman on the edge of Europe.

Winner of the Katherine Anne Porter Prize in Short Fiction, 2010. The title, *A Bright Soothing Noise*, refers to the sound that fire makes, promising not only warmth and light but also violence and destruction. Brown's greatest hero is Frank O'Connor, and like O'Connor's his stories uncover the final bleakness of a national life but in the same moment glow with its promise of love and life and belonging. Brown's Americans will try almost anything to connect. They tend to drink too much, to drive too fast, are a little too violent in their passions and even a little too religious. Too often they believe, they trust--and then again they don't, depending not so much on what's getting proffered as who's proffering. They are always on the verge of something better. They only want a little more, only a little too much, and while we as readers want with all our hearts for them to get it, we also fear they might. "This highly entertaining collection of stories has the scenic intensity and quality of Tennessee Williams's one-act plays. Meet a varied cast of characters in strange settings, and enjoy their provocative and witty company."--Josip Novakovich, author of *April Fool's Day: A Novel* and *judge Number Nine: Katherine Anne Porter Prize in Short Fiction*

Gangster Mission Part I is mainly about identical quadruplet brothers terrorizing the streets they lived on because there was no other way for them to provide a self-satisfying living to prevent from starving and becoming nothing of existence. So after robbing banks, trap houses, random bystanders, and hotels, the brothers' everyday doing took a drastic turn when an unexpected decision was made without group consent, resulting in a cop being killed. So while in the midst of evading the capture of the policemen that they were eluding from, the brothers so happened to meet these four sisters of the same mentality that they themselves carried. Would this be the brothers' downfall or their upbringing?
