The Singing Sword Simon and Schuster

WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

Power of the Sword Ambassador International

The third installment of Bernard Cornwell's New York Times bestselling series chronicling the epic saga of the making of England, "like *Game of Thrones*, but real" (The Observer, London)—the basis for *The Last Kingdom*, the hit television series. The year is 878. Uhtred, the dispossessed son of a Northumbrian lord, has helped the Saxons of Wessex defeat the invading Danes. Now, finally free of his allegiance to the victorious, ungrateful King Alfred, he is heading home to rescue his stepsister, a prisoner of Kjartan the Cruel in the formidable Danish stronghold of Dunholm. Uhtred's best hope is his sword, *Serpent-Breath*, for his only allies are Hild, a West Saxon nun fleeing her calling, and Guthred, a slave who believes himself king. Rebellion, chaos, fear, and betrayal await them in the north, forcing Uhtred to turn once more, reluctantly, to the liege he formerly served in battle and blood: Alfred the Great.

Many Mormon dreams flourished in Missouri. So did many Mormon nightmares. The Missouri period—especially from the summer of 1838 when Joseph took over vigorous, personal direction of this new Zion until the spring of 1839 when he escaped after five months of imprisonment—represents a moment of intense crisis in Mormon history. Representing the greatest extremes of devotion and violence, commitment and intolerance, physical suffering and terror—mobbings, battles, massacres, and political “knockdowns”—it shadowed the Mormon psyche for a century. In the lush Missouri landscape of the Mormon imagination where Adam and Eve had walked out of the garden and where Adam would return to preside over his posterity, the towering religious creativity of Joseph Smith and clash of religious stereotypes created a swift and traumatic frontier drama that changed the Church.
