2023 Philip K. Dick
Award Nominee "A
compulsive, terrifying
read."—Kate Quinn,
New York Times
bestselling author of
The Rose Code For
readers of Margaret
Atwood's The
Handmaid's Tale
comes a thrilling

feminist dystopian novel set in an alternative history that terrifyingly imagines what a British alliance with Germany would look like if the Nazis had won WWII. To control the past, they edited history. To control the future, they edited literature.

LONDON, 1953.

Thirteen years have passed since England surrendered to the Nazis and formed a Grand Alliance with Germany. It was forced to adopt many of its oppressive ideologies, one of which was the strict classification of women into hierarchical groups based on the perceived value they brought to society. Rose Ransom, a member of the privileged Geli class, remembers life from before the war but

knows better than to let it show. She works for the Ministry of Culture, rewriting the classics of English literature to ensure there are no subversive thoughts that will give women any ideas. Outbreaks of insurgency have been seen across the country with graffiti made up of seditious lines from forbidden works by women painted on public buildings. Suspicion has fallen on Widowland, the run-down slums where childless women over fifty have been banished. Rose is given the dangerous task of infiltrating Widowland to find the source of the rebellion before the Leader arrives in England for the Coronation ceremony of King Edward VIII and

Queen Wallis. Will Rose follow her instructions and uncover the criminals? Or will she fight for what she knows in her heart is right? Praise for *Widowland*: "A mind-bender of a novel about the power of literature to change minds. I loved it!"

—Mark Sullivan, bestselling author of *The Last Green Valley* and *Beneath a Scarlet Sky* "I rarely come across a book I can't put down but I devoured this one."

—Rhys Bowen, New York Times bestselling author of two historical mystery series as well as several internationally bestselling historical novels "An electrifying, Orwellian dystopia with a thrilling feminist twist." —Lara Prescott, New York Times

bestselling author of *The Secrets We Kept* "Tense, thought-provoking, and terrifying." —Natalie Jenner, international bestselling author of *The Jane Austen Society* and *Bloomsbury Girls* *Art in Everyday Life* Abrams

The long-awaited new novel by the award-winning, bestselling author of *Startide Rising* and *The Uplift War*--an epic novel set fifty years from tomorrow, a carefully-reasoned, scientifically faithful tale of the fate of our world. "One hell of a novel . . . has what sci-fi readers want these days; intelligence, action, and an epic scale"--Isaac Asimov's *Science Fiction Magazine*. Line drawings.

A People's Curriculum

for the Earth McGraw-Hill Education

This classic text-reader introduces readers to the fundamental, timeless, and pressing questions of philosophy. The authors make the issues accessible for students with primary source readings incorporated into clearly written text material and an extensive pedagogical program that includes running summaries, high-interest boxes, biographies, epigrams, a philosophical dictionary. The new edition has been streamlined and revised to include a new chapter on Democracy, which expands the coverage of the ever-evolving realm of social and political philosophy.
Christy Miller

Collection, Vol 3 Drawn & Quarterly

In this “triumphantly funny” (AV Club) memoir, comedian Jensen Karp tells the story of how, as a Jewish kid from the L.A. suburbs, he became a rap battle legend—and then almost became a star. “The funniest person I follow on Twitter finally got smart and wrote about his unlikely—and hilarious—odyssey as teenage rapper Hot Karl.”—Kevin Smith, New York Times bestselling author of *Tough Sh*t* When twelve-year old Jensen Karp got his first taste of rapping for crowds at his friend’s bar mitzvah in 1991, little did he know that he was taking his first step on a journey that would end with a failed million-dollar recording

and publishing deal with Interscope Records when he was only nineteen. Now, in *Kanye West Owes Me \$300*, Karp finally tells the true story of his wild ride as “Hot Karl,” the most famous white rapper you’ve never heard of. On his way to (almost) celebrity, Jensen shares his childhood run-ins with rock-listening, Southern California classmates, who tell him that “rap is for black people,” and then recounts his record-breaking rap battling streak on popular radio contest “The Roll Call”—a run that caught the eye of a music industry hungry for new rap voices in the early ’00s. He also introduces his rap partner, Ricky, who constitutes the second

half of their group XTra Large; his supportive mom, who performs with him onstage; and the soon-to-be-household-name artists he records with, including Redman, Fabolous, Mya, and will.i.am. Finally, he reveals why his album never saw the light of day (two words: Slim Shady), the downward spiral he suffered after, and what he found instead of rap glory. Full of rollicking stories from his close brush with fame, Karp’s hilarious memoir is the ultimate fish-out-of-water story about a guy who follows an unlikely passion—trying to crack the rap game—despite what everyone else says. It’s 30 Rock for the rap set; 8 Mile for the suburbs; and quite the journey

for a white kid from the valley.

The Sisters Crown
This accessible text-reader includes extensive student pedagogy--running summaries, high-interest boxes, biographies, epigrams, a philosophical dictionary, and a timeline/map. The new edition offers a new chapter on virtue ethics, new cases and questions from environmental and biomedical ethics, a new chapter on communitarian and feminist critiques of contemporary liberalism, and more!
[Kanye West Owes Me \\$300](#) HarperCollins
Pentecostals have not sufficiently worked out a distinctively Pentecostal philosophy of art and aesthetics. In Pentecostal

Aesthetics, with a foreword by Amos Yong, Steven Félix-Jäger corrects this by reflecting theologically on art and aesthetics from a global Pentecostal perspective, particularly through a pneumatic Pentecostal lens.

Questions that Matter: An Invitation to Philosophy BRILL

People are hungry for hope. They want to understand our human condition—its origin, nature, purpose, and destiny. The Christian faith offers hope for individuals and the entire universe, grounded in absolute truth. But how can we know that Christianity is true? And how can Christians confidently present their beliefs in the face of doubts and competing views? In

this comprehensive text, Douglas Groothuis makes a clear and rigorous case for Christian theism. Demonstrating how apologetics must be both rational and winsome, he addresses the most common questions and objections people raise regarding Christianity. After laying a foundation with the biblical basis for apologetics, apologetic method, and a defense of objective truth, he presents key arguments for the reality of God, a case for the credibility of Jesus, and evidence for the resurrection. Groothuis also evaluates alternative views and responds to challenges such as religious pluralism and the problem of evil. The second edition of

this landmark work has been updated throughout to address current issues and sources. It includes new chapters on topics such as doubt and the hiddenness of God, the atonement, the church, and lament as a Christian apologetic. To know God in Christ, Groothuis argues, means that we desire to make Christian truth available to others in the most compelling form possible. Students, ordinary Christians, and seasoned philosophers will all find a wise guide for this endeavor in Christian Apologetics.

Pentecostal Aesthetics McGraw-Hill Education
Be energized, but not overwhelmed What's the most pressure you've ever been

under? How did you react? What helped? What didn't? Over the past five years, Dane Jensen has asked these questions of thousands of high performers—from Olympic gold medalists to Navy SEALs, politicians, executives and busy parents. What has emerged from these conversations is that while everyone's experiences under pressure are unique, pressure follows patterns and develops in predictable ways. If we can recognize the patterns, we can improve our ability to sidestep the biological traps that can sabotage us—and use the energy that accompanies pressure to thrive. The Power of Pressure combines the insights gathered from

Jensen's work with the latest research in biology and neuroscience to help you understand and use the "pressure equation" of importance, uncertainty and volume escape the traps of pressure with effective tools and tactics be ambidextrous so that you can handle pressure both in peak pressure moments and over the long haul reduce tension, sleep better and have more energy so that you can meet challenges head-on recognize pressure moments so that you can prepare for when you will likely feel the heat leverage strategies so that you can give everything you've got when it's most important And more! How we

navigate our highest-pressure moments has a huge impact on the overall trajectory of our lives, both in terms of how successful we are and how much we enjoy the journey along the way.

Appropriations for 1960 Trinity University Press

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional,

physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family.

Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a

public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for

strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. “A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical.” -- William J. Bennett, author of *The Book of Virtues* “Makes the absolutely critical point that marriage has been misrepresented and misunderstood.” -- *The Wall Street Journal* www.broadwaybooks.com

Publishers

This book is an
affordable, high-

quality, invitingly-designed survey text. It is distinguished by its interweaving of substantive excerpts from primary source readings into the text and by its organization around four key questions in philosophy: Reality, Knowledge, God, and Morality. The discussion of each is presented in a logical and historical manner, showing connections, roots, and influences. Constant attention is paid to the interconnection of ideas and their development with primary materials interwoven into the ongoing discussion, always providing for the expression, sometimes short, sometimes long, of the actual philosopher on the subject at hand.

Biographical boxes, illustrations, questions for reflection, annotated bibliographies, and a glossary enhance the discussion. The second edition is 8% shorter than the first edition and 27% shorter than its 1996 hardcover, fourth edition parent text.

Recent efforts to amend or repeal the Robinson-Patman act Multnomah

The first twelve books in the popular Christy Miller series are now available in four treasured volumes! Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and

meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she'll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy's high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow

Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years—Christy Is a Forever Friend True Friends What is a true friend? Christy Miller knows she has two of them: Todd and Katie. To show how much she appreciates them, she writes to Todd, who's off surfing in Hawaii, and she agrees to join the ski club with Katie...even though she's scared of skiing! Fortunately, Christy and Katie can laugh as they bumble their way around the bunny slopes at Lake Tahoe. But Christy finds

herself caught between new friends and her loyalty to Katie. Will Christy find a way to be a true friend when it counts most? And will she ever hear from Todd? *Starry Night* It's Christmastime, and Christy Miller has so much going on: family time, work, and maybe, just maybe, going to the Rose Bowl Parade with a bunch of friends. If only she could answer Uncle Bob's tough questions. Todd's buddy Doug gives her some insight, and she starts to appreciate him in a whole new way. Rick Doyle shows up again...but is he pursuing Christy or the cutest elf at the mall? Through it all, will Christy find someone special to count the stars with? *Seventeen Wishes* It's summer,

and that means the beach and other adventures. And Christy Miller's best friend, Katie, is always full of ideas. They'll be camp counselors! But when Katie can't go, Christy is bewildered and overwhelmed by her fifth-grade girls, who have boundless energy for anything except what Christy wants them to do. Do they even hear a word she says? Soon they're playing matchmaker between Christy and Jaeson, a handsome counselor...and he doesn't seem to mind. When Christy's seventeenth birthday arrives later in the summer, just what will she be wishing for? *Story Behind the Book* "The Christy Miller series was actually born when a group of thirteen-year-olds

challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. *Summer Promise* first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading *Summer Promise*. I love that!"
—Robin Jones Gunn
The Adolescent Brain
American Psychological Association (APA)

Moral Ground brings together the testimony of over eighty visionaries—theologians and religious leaders, scientists, elected officials, business leaders, naturalists, activists, and writers—to present a diverse and compelling call to honor our individual and collective moral responsibility to our planet. In the face of environmental degradation and global climate change, scientific knowledge alone does not tell us what we ought to do. The missing premise of the argument and much-needed center piece in the debate to date has been the need for ethical values, moral guidance, and principled reasons for doing the right thing for our planet, its

animals, its plants, and its people. Contributors from throughout the world (including North America, Africa, Australia, Asia, and Europe) bring forth a rich variety of heritages and perspectives. Their contributions take many forms, illustrating the rich variety of ways we express our moral beliefs in letters, poems, economic analyses, proclamations, essays, and stories. In the end, their voices affirm why we must move beyond a scientific study and response to embrace an ongoing model of repair and sustainability. These writings demonstrate that scientific analysis and moral conviction can work successfully side-by-side. This is a

book that can speak to anyone, regardless of his or her worldview, and that also includes a section devoted to “what next” thinking that helps the reader put the words and ideas into action in their personal lives. Thanks to generous support from numerous landmark organizations, such as the Kendeda Fund and Germeshausen Foundation, the book is just the starting point for a national, and international, discussion that will be carried out in a variety of ways, from online debate to “town hall” meetings, from essay competitions for youth to sermons from pulpits in all denominations. The “Moral Ground movement” will result in a newly discovered,

or rediscovered, commitment on a personal and community level to consensus about our ethical obligation to the future.

Public Works
Appropriations for 1960 Island Press

A bold and original YA graphic novel about one teen's battle to understand her mental illness—and find her creative genius. Sometimes, the world is too much for Mona Starr. She's sweet, geeky, and creative, but it's hard for her to make friends and connect with other people, and her depression seems to take on a vivid, concrete form. She calls it her Matter. The Matter seems to be everywhere, telling Mona she's not good enough and that

everyone around her wishes she'd go away. But with therapy, art, writing, and the persistence of a few good friends, Mona starts to understand her Matter and how she can turn her fears into strengths.

Heartfelt, emotionally vulnerable, and visually stunning, *The Dark Matter of Mona Starr* is a story about battling your inner doubts and fears—and finding your creative genius.

Proceedings and Addresses of the American Philosophical Association

Sourcebooks, Inc. Lee Johnson was a man with simple dreams. All he wanted was a steady job and a nice home for his wife and children, something better than the hard

life he knew growing up. He never imagined that he would become the face of a David-and-Goliath showdown against one of the world's most powerful corporate giants. But a workplace accident left Lee doused in a toxic chemical and facing a deadly cancer that turned his life upside down. In 2018, the world watched as Lee was thrust to the forefront of one the most dramatic legal battles in recent history. The Monsanto Papers is the inside story of Lee Johnson's landmark lawsuit against Monsanto. For Lee, the case was a race against the clock, with doctors predicting he wouldn't survive long enough to take the witness stand. For the eclectic band of young, ambitious

lawyers representing him, it was a matter of professional pride and personal risk, with millions of dollars and hard-earned reputations on the line. For the public at large, the lawsuit presented a question of corporate accountability. With enough money and influence, could a company endanger its customers, hide evidence, manipulate regulators, and get away with it all—for decades? Readers will be astounded by the depth of corruption uncovered, captivated by the shocking twists, and moved by Lee's quiet determination to see justice served. With gripping narrative force that reads like fiction, The Monsanto Papers takes readers behind the scenes of a grueling legal battle,

pulling back the curtain on the frailties of the American court system and the lengths to which lawyers will go to fight corporate wrongdoing.

Humanities, Social Sciences & World Languages

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The Case for Marriage

Farrar, Straus and Giroux

Garrett J. DeWeese's contribution to the Christian Worldview Integration series addresses the fundamental questions of metaphysics, epistemology, ethics and aesthetics, philosophy of mind and philosophy of science from a Christian perspective. The discussion concludes with an identification of philosophy with Christian spiritual formation.

Christy Miller

Collection, Vol 4 Open Road Media Science & Fantasy

"This primer on feminism and media literacy teaches young readers why it matters. The League of Super Feminists is an energetic and fierce

comic for tweens and younger teens. Cartoonist Mirion Malle guides readers through some of the central tenets of feminism and media literacy including consent, intersectionality, privilege, body image, inclusivity and more; all demystified in the form of a witty, down-to-earth dialogue that encourages questioning the stories we're told about identity. Malle's insightful and humorous comics transport lofty concepts from the ivory tower to the eternally safer space of open discussion. Making reference to the Bechdel test in film and Peggy McIntosh's dissection of white privilege through the metaphor of the "invisible knapsack,"

The League of Super Feminists is an asset to the classroom, library, and household alike. Knights and princesses present problems associated with consent; superheroes reveal problematic stereotypes associated with gender; and grumpy onlookers show just how insidious cat-calling culture can be. No matter how women dress, Malle explains, there seems to always be someone ready to call it out. The League of Super Feminists articulates with both poise and clarity how unconscious biases and problematic thought processes can have tragic results. Why does feminism matter? Are feminists man-haters? How do race and feminism intersect? Malle

answers these questions for young readers, in a comic that is as playful and hilarious as it is necessary."

Earth Crown

This popular choice for introductory philosophy courses again offers primary source readings woven into a text that is organized by key questions in philosophy. The discussion of each question is presented in a logical and historical light, showing connections, roots and influences. The clarity of the presentation and the successful student pedagogical aids provide an accessible, guided introduction to philosophy for college students.

Questions that Matter Rethinking Schools

The first twelve books in the popular Christy Miller series are now available in four treasured volumes! The last three books, collected in one page-turning volume, conclude the bestselling Christy Miller series with hope and promise! At the start of her senior year, Christy looks forward to growing closer to Todd, but her friendship with Katie is on the rocks, threatening the year she was certain would be *A Time to Cherish*. With *Sweet Dreams* comes the start of a romantic summer. She'd be entirely swept off her feet if it wasn't for the most difficult decision she's ever had to make. And in *A Promise Is Forever*, Christy discovers foreign adventure is

just her cup of tea. Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years—Christy Is a Forever Friend A Time to Cherish For Labor Day weekend, Christy Miller is on a houseboat at Lake Shasta. What could be better? She's about to find out! Before they know it, both Christy and her best friend, Katie, are receiving some unexpected male attention. But somehow these best friends are at odds just when they should be having the most fun together. Christy soon

realizes that sometimes you have to stand back and let people make their own decisions, even when they're headed for a fall. And although life is never perfect, this is definitely a time to cherish. Sweet Dreams Christy Miller's senior year is delicious, especially the time she spends with Todd. But her best friend, Katie, is struggling—she's realized she needs to break up with Michael. It's not easy! Fortunately both Doug and Disneyland help Katie to cheer up. Christy is learning to let go and get out of the way so that her friends can become who they're meant to be...even when it jeopardizes her own sweet dreams. A Promise Is Forever Christy Miller's going to

Europe! It's a three-week missions trip with Doug, Katie, and Tracy. First stop: London for some sightseeing, and then a castle in the English countryside for group training. Christy is so excited to be headed for Belfast with her friends—despite some tension among them. But when plans go topsy-turvy at the last minute, Christy must face her fears and realize that some things are more important than her own comfort...and that even when she can't foresee the end result, a promise truly is forever. Story Behind the Book "The Christy Miller series was actually born when a group of thirteen-year-

olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise . I love that!"
