MORGAN DALTON

The Everything Store

One World

Jarvis Thompson, the most celebrated wide receiver in college football, vanishes along the Tennessee River in the middle of the night. The circumstances surrounding the receiver's disappearance are ominous: drugs, cash, and his mentor's brother lying in a pool of blood. It's up to Jarvis's mentor and soon-to-be agent Billy Beckett to investigate the mystery and find his beloved protégé before the clock runs out. Was it a brazen kidnapping? A setup? Or did Jarvis get in too deep and run? In a frantic quest that takes Billy from the mountains of East Tennessee to the South Carolina coast to the gritty streets of New Orleans, the agent knows careers - and lives- are on the line. As the two men's paths collide, both Jarvis and Billy are suddenly embroiled in a terrifying, high-stakes game where winners live and losers die. "Pratt's richly developed characters are vivid and believable..." -- Publisher's Weekly
Democracy in Black

Simon & Schuster
#1 NEW YORK TIMES
BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire
Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist
Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme

and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious

world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Justice Redeemed Little, Brown

Her name is Sarah. She's blonde, blue-eyed, and Jewish in 1939 Germany. And her act of resistance is about to change the world. After her mother is shot at a checkpoint, fifteen-year-old Sarah meets a mysterious man with an ambiguous accent, a suspiciously bare apartment, and a lockbox full of weapons. He's part of the secret resistance against the Third Reich, and he needs Sarah to hide in plain sight at a school for the daughters of top Nazi brass, posing as one of them. If she can befriend the daughter of a key scientist and get invited to her house, she might be able to steal the blueprints to a bomb that could destroy the cities of Western Europe. Nothing could prepare Sarah for her cutthroat schoolmates, and soon

she finds herself in a battle for survival unlike any she'd ever imagined. But anyone who underestimates this innocent-seeming girl does so at their peril. She may look sweet, but she's the Nazis' worst nightmare.

Justice Burning Grand Central Publishing

In the Wall Street Journal bestseller, lawyer turned rogue Darren Street faces the most personal and ruthless vendetta of his life. After forfeiting years serving time for a false murder conviction, former criminal defense attorney Darren Street finally got his freedom back and is trying to build a regular life. But when an unthinkable tragedy shatters his hard-earned normalcy, Street is left reeling from the devastating blow. As the criminal-justice system refuses to dispense justice, he sets out--without mercy--after the man responsible.

Unwilling to stop at simply righting one wrong, Street decides to dust off his legal skills and dive back in--this time to unseat the district attorney general in Knoxville, whose callous indifference nearly let a man get away with murder. Now navigating a broken establishment

already steeped in corruption, Street will find the retribution and redemption he so desperately needs--unless it draws him even deeper into the very chaos that derailed his life in the first place.

Heartbreaker Feral House

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Rumors of God MIRA

Burned out defense attorney Joe Dillard, against his better judgment, takes the case of Angel Christian, a waitress in a strip club, who is accused of stabbing a preacher to death in a Tennessee motel--a case that is linked to his own deeply troubled sister and a vindictive detective. Original.

New York Magazine

Farrar, Straus and Giroux Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on

what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.

The Boy

HarperEntertainment
From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not

being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party
Praise for Ask a Manager
“A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review)
“The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review)
“I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of

humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*
“Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
Divine Strike
Serpent's Tail

A cobblestone road. A sunny day. A soldier. A gun. A child, arms high in the air. A moment captured on film. But what is the history behind arguably the most recognizable photograph of the Holocaust? In *The Boy: A Holocaust Story*, the historian Dan Porat unpacks this split second that was immortalized on film and unravels the stories of the individuals—both Jews and Nazis—associated with it. *The Boy* presents the stories of three Nazi criminals, ranging in status from SS sergeant to low-ranking SS officer to SS general. It is also the story of two Jewish victims, a teenage girl and a young boy, who encounter these Nazis in Warsaw in the spring of 1943. The book is remarkable in its scope, picking up the lives of

these participants in the years preceding World War I and following them to their deaths. One of the Nazis managed to stay at large for twenty-two years. One of the survivors lived long enough to lose a son in the Yom Kippur War. Nearly sixty photographs dispersed throughout help narrate these five lives. And, in keeping with the emotional immediacy of those photographs, Porat has deliberately used a narrative style that, drawing upon extensive research, experience, and oral interviews, places the reader in the middle of unfolding events.

Billboard Random House
The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life."

Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and

secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

River on Fire Thomas Nelson
Bane Naked surfer. Habitual pothead. A con, a liar, a thief and a fraud. Last I heard, he was extorting the rich and screwing their wives for a living. Which is why I'm more than a little surprised to find him at my threshold, looking for my friendship, my services, and most

puzzling of all-looking humbled. Thing is, I'm on a boycott. Literally-I cut boys from my life. Permanently. Problem is, Bane is not a boy, he is all man, and I'm falling, crashing, drowning in his sweet, perfect lies.

Serena Museum
Tusculanum Press
White House lawyer Michael Garrick has a relatively anonymous position at a very public address. That is, until he starts dating Nora Harston (secret service code name: Shadow), the sexy and dangerously irresistible daughter of the President. But the confident young attorney thinks he can handle the pressure. Until, out on a date, Nora and Michael see something they shouldn't. To protect her, he admits to something he shouldn't. And when a body is discovered and Michael is the suspected killer, he finds himself on the run. Now, in a world where power is an aphrodisiac and close friends carry guns and are under strict orders to risk their lives, Michael must find a way to prove his innocence.

Black Buck Thomas & Mercer
The Federal Trade Commission receives more complaints about

rogue debt collecting than about any activity besides identity theft.

Dramatically and entertainingly, *Bad Paper* reveals why. It tells the story of Aaron Siegel, a former banking executive, and Brandon Wilson, a former armed robber, who become partners and go in quest of "paper"—the uncollected debts that are sold off by banks for pennies on the dollar. As Aaron and Brandon learn, the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs. Introducing an unforgettable cast of strivers and rogues, Jake Halpern chronicles their lives as they manage high-pressure call centers, hunt for paper in Las Vegas casinos, and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers. He also tracks a "package" of debt that is stolen by unscrupulous collectors, leading to a dramatic showdown with guns in a Buffalo corner store. Along the way, he reveals the human cost of a system that compounds the troubles of hardworking Americans

and permits banks to ignore their former customers. The result is a vital exposé that is also a bravura feat of storytelling.

Indianapolis Monthly
Little, Brown

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Gerald's Party Hill and Wang

Probes the personalities assembled at a party when the murder of a guest named Ros transforms an ordinary evening.

Good and Cheap Harper Collins

An Amazon Top 30 bestseller.***Each Joe Dillard novel can be read as a standalone.***A beautiful, young, rising star in the country music world is found dead in a Nashville hotel room. The

owner of her record company is charged with murder. In the seventh installment of Scott Pratt's best-selling Joe Dillard series, Dillard is hired to travel to Tennessee's capital city to defend Paul Milius, a record company baron accused of strangling Kasey Cartwright, his label's young star. Dillard navigates Nashville's unfamiliar legal system and the world of country music in search of the truth, but he soon finds himself confronted with a web of lies so masterfully woven that he fears he may never find any answers. As the trial begins and the tension mounts, Dillard fears that not only will his client be wrongfully convicted, but that Dillard himself may not survive. "Pratt's richly developed characters are vivid and believable, especially the strong Southern women who fight their male-dominated culture from behind a facade of vulnerability." -Publisher's Weekly

An Innocent Client
Penguin

Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of

our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? *Talking to Strangers* is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into

doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

Talking to Strangers
Penguin

"American Hardcore sets the record straight about the last great American subculture"—Paper magazine Steven Blush's "definitive treatment of Hardcore Punk" (Los Angeles Times) changed the way we look at Punk Rock. The Sony Picture Classics-distributed documentary *American Hardcore* premiered at the 2006 Sundance Film Festival. This revised and expanded second edition contains hundreds of new bands, thirty new interviews, flyers, a new

chapter ("Destroy Babylon"), and a new art gallery with over 125 rare photos and images.

Ask a Manager Penguin Determined to convict two Goth teens who brutally murdered a family in rural Tennessee, prosecutor Joe Dillard risks everything when he discovers that there was someone else involved in the killings—a woman named Natasha whom the teens refuse to implicate, fearing for their lives. Original.

Where the Bullets Fly
Darren Street

"River on Fire" is the story of Randall Smith, a foundling orphan growing up in the midwestern United States in the late 1960s. Without the intimate guidance of loving parents, Randall struggles to understand a dangerous and confusing world during one of the most tumultuous times in modern history.

Immensely readable and filled with humor and irony, "River on Fire" will both warm and break your heart. A Discussion/Study Guide is included at the end of the novel.
