God in the Rainforest Crossway

Jim Elliot was a missionary—and then a martyr at the hands of the Auca Indians to whom he was witnessing. At the age of 28, he left behind a young wife, a baby daughter, and an incredible legacy of faith. Jim's volumes of personal journals, written over many years, reveal the inner struggles and victories that he experienced before his untimely death. In *The Journals of Jim Elliot*, you'll come to know this intelligent and articulate man who yearns to know God's plan for his life, details his fascinating missions work, and reveals his love for Elisabeth—first as a single man, then as a happily married one. Edited by his widow, Jim's personal yet universal musings about faith, love, and work will show you how to apply the Bible to the situations you face every day. They will inspire you to lead a life of obedience, regardless of the cost, and delight you with an amazing story of courage and determination.

“God has appointed preaching in worship as one great means of accomplishing his ultimate goal in the world.” —John Piper John Piper makes a compelling claim in these pages about the purpose of preaching: it is intended not merely as an explanation of the text but also as a means of awakening worship by being worship in and of itself. Christian preaching is a God-appointed miracle aiming to awaken the supernatural seeing, savoring, and showing of the glory of Christ. Distilling over forty years of experience in preaching and teaching, Piper shows preachers how and what to communicate from God's Word, so that God's purpose on earth will advance through Bible-saturated, Christ-exalting, God-centered preaching—in other words, expository exultation.

Meals have always been important across societies and cultures, a time for friends and families to come together. An important part of relationships, meals are vital to our social health. Author Tim Chester sums it up: “Food connects.” Chester argues that meals are also deeply theological—an important part of Christian fellowship and mission. He observes that the book of Luke is full of stories of Jesus at meals. These accounts lay out biblical principles. Chester notes, “The meals of Jesus represent something bigger.” Six chapters in *A Meal with Jesus* show how they enact grace, community, hope, mission, salvation, and promise. Moving from biblical times to the modern world, Chester applies biblical truth to challenge our contemporary understandings of hospitality. He urges sacrificial giving and loving around the table, helping readers consider how meals can be about serving others and sharing the grace of Christ.

Does the Reformation Still Matter? In 1517, a German monk nailed a poster to the door of a church, disputing key doctrines taught by the Roman Catholic Church in that day. This moment set in motion a movement that changed the entire trajectory of church history. But do the Reformers still have something to teach us? In this accessible primer, Michael Reeves and Tim Chester answer eleven key questions raised by the Reformers—questions that remain critically important for the church today.

Their paths to God's purpose led them together. Many know the heroic story of Jim Elliot's violent death in 1956, killed along with four other missionaries by a primitive Ecuadorian tribe they were seeking to reach. Many also know the prolific legacy of Elisabeth Elliot, whose inspiring influence on generations of believers through print, broadcast, and personal testimony continues to resonate, even after her own death in 2015. What many don't know is the remarkable story of how these two stalwart personalities—single-mindedly devoted to pursuing God's will for their young lives, certain their future callings would require them to sacrifice forever the blessings of marriage—found their hearts intertwined. Their paths to God's purpose led them together. Now, for the first time, their only child—daughter Valerie Elliot Shepard—unseals never-before-published letters and private journals that capture in first-person intimacy the attraction, struggle, drama, and devotion that became a most unlikely love story. Riveting for old and young alike, this moving account of their personal lives shines as a gold mine of lived-out truth, hard-fought purity, and an insider's view on two beloved Christian figures.

Among Christian devotional works, *My Utmost for His Highest* stands head and shoulders above the rest, with more than 13 million copies sold. But most readers have no idea that Oswald Chambers's most famous work was not published until ten years after his death. The remarkable person behind its compilation and publication was his wife, Biddy. And her story of living her utmost for God's highest is one without parallel. Bestselling novelist Michelle Ule brings Biddy's story to life as she traces her upbringing in Victorian England to her experiences in a WWI YMCA camp in Egypt. Readers will marvel at this young woman's strength as she returns to post-war Britain a destitute widow with a toddler in tow. Refusing personal payment, Biddy proceeds to publish not just *My Utmost for His Highest*, but also 29 other books with her husband's name on the covers. All the while she raises a child alone, provides hospitality to a never-ending stream of visitors and missionaries, and nearly loses everything in the London Blitz during WWII. The inspiring story of a devoted woman ahead of her times will quickly become a favorite of those who love true stories of overcoming incredible odds, making a life out of nothing, and serving God's kingdom.

A Chance to Die Revell

Hard times come for all in life, with no real explanation. When we walk through suffering, it has the

potential to devastate and destroy, or to be the gateway to gratitude and joy. Elisabeth Elliot was no stranger to suffering. Her first husband, Jim, was murdered by the Waorani people in Ecuador moments after he arrived in hopes of sharing the gospel. Her second husband was lost to cancer. Yet, it was in her deepest suffering that she learned the deepest lessons about God. Why doesn't God do something about suffering? He has, He did, He is, and He will. Suffering and love are inexplicably linked, as God's love for His people is evidenced in His sending Jesus to carry our sins, griefs, and sufferings on the cross, sacrificially taking what was not His on Himself so that we would not be required to carry it. He has walked the ultimate path of suffering, and He has won victory on our behalf. This truth led Elisabeth to say, "Whatever is in the cup that God is offering to me, whether it be pain and sorrow and suffering and grief along with the many more joys, I'm willing to take it because I trust Him." Because suffering is never for nothing.

2005 ECPA Retailer's Choice Award winner for best biography/autobiography! Steve Saint was five years old when his father, missionary pilot Nate Saint, was speared to death by a primitive Ecuadorian tribe. In adulthood, Steve, having left Ecuador for a successful business career in the United States, never imagined making the jungle his home again. But when that same tribe asks him to help them, Steve, his wife, and their teenage children move back to the jungle. There, Steve learns long-buried secrets about his father's murder, confronts difficult choices, and finds himself caught between two worlds. Soon to be a major motion picture (January 2006), *End of the Spear* brilliantly chronicles the continuing story that first captured the world's attention in the bestselling book, *Through Gates of Splendor*.

A Light for God Barbour Publishing

Have you lost your joy? Do you feel like you have to prove yourself? Does your Christian life feel routine and performance oriented, driven by duty and obligation? The letter of Galatians was written to Christians who had lost their joy—confronted with false messages about rules and regulations they needed to follow. Similar false messages provoked the start of the Protestant Reformation, and have continued to threaten the joy of Christians ever since. Exploring how the sixteenth-century Reformation was a return to the gospel joy originally preached to first-century Galatia, this book was written to help today's Christians rediscover the path to true freedom and lasting joy in Jesus.

In her classic book, Elisabeth Elliot candidly shares her love story with Jim Elliot through letters, diary

entries, and memories. She is honest about the temptations, difficulties, victories, and sacrifices of two young people whose commitment to Christ took priority over their love for each other. These revealing personal glimpses, combined with relevant biblical teaching, will remind readers that only by putting their human passion and desire through His fire can God purify their love. In a culture obsessed with dating, sex, and intimacy, the need for Elliot's freeing message is greater than ever. This beautifully repackaged edition will appeal to today's young people.

Is God Still in Charge? Revell

In January of 1956, five young evangelical missionaries were speared to death by a band of the Waorani people in the Ecuadorian Amazon. Two years later, two missionary women--the widow of one of the slain men and the sister of another--with the help of a Wao woman were able to establish peaceful relations with the same people who had killed their loved ones. The highly publicized deaths of the five men and the subsequent efforts to Christianize the Waorani quickly became the defining missionary narrative for American evangelicals during the second half of the twentieth century. *God in the Rainforest* traces the formation of this story and shows how Protestant missionary work among the Waorani came to be one of the missions most celebrated by Evangelicals and most severely criticized by anthropologists and others who accused missionaries of destroying the indigenous culture. Kathryn T. Long offers a study of the complexities of world Christianity at the ground level for indigenous peoples and for missionaries, anthropologists, environmentalists, and other outsiders. For the first time, Long brings together these competing actors and agendas to reveal one example of an indigenous people caught in the cross-hairs of globalization.
