**Napoleon in Italian Literature, 1796-1821** Good Press Explore an insightful account of the reception of Mesopotamia in modern cinema In Reception of Mesopotamia on Film, Dr. Maria de Fátima Rosa explores how the Ancient Mesopotamian civilization was portrayed by the movie industry, especially in

America and Italy, and how it was used to convey analogies between ancient and contemporary cultural and moral contexts. Spanning a period that stretches from the beginning of the 20th century to the present day, the book explores how the Assyrian and Babylonian elites, particularly kings, queens, and priestesses, were perceived and represented on screen by filmmakers. A focus on the role played by Ancient Near Eastern women and on the polytheistic religion practiced in the land between the rivers will be provided. This book also offers an insightful interpretation of the bias message that most of these films portray and how the Mesopotamian past and Antiquity brought to light and stimulated the debate on emerging 20th century political and social issues. The book also offers: A thorough introduction to the Old Testament paradigm and the romanticism of classical authors A comprehensive exploration of the literary reception of the Mesopotamian legacy and its staging Practical discussions of the rediscovery, appropriation, and visual reproduction of Assyria and Babylonia In-depth examinations of cinematic genres and cinematographic contexts Perfect for students of the history of antiquity and cinematographic history, Reception of Mesopotamia on Film is also an invaluable resource for anyone with an interest in reception studies.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. [Art and Ideas in Eighteenth-Century Italy. Lectures given at the Italian Institute 1957-1958](#) Good Press Queer Italia gathers essays on Italian literature and film, medieval to modern. The volume's chronological organization reflects its

intention to define a queer tradition in Italian culture. While fully cognizant of the theoretical risks inherent in trans-historicizing sexuality, the contributors to this volume share an interest in probing the multi-form dynamics of sexual desires in Italian texts through the centuries. The volume aims not to promote the mistaken notion of a single homosexuality through history. Rather, these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various, complex workings of desire in texts from all periods. Somewhat paradoxically, a kind of queer canon results. These essays open a much-needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse. Queer Italia is the first and only work of its kind in Italian criticism. As such, it will be of interest to a wide audience of Italianists, medieval to modern, and queer cultural theorists. The Works of Lord Byron, Vol. 7. Poetry John Wiley & Sons

Richard Cardwell was given the Elma Dangerfield Award of the International Byron Society for the best book on Byron in 2005-06 Byron, arguably, was and remains the most famous and infamous English poet in the modern period in Continental Europe. From Portugal in the West to Russia in the East, from Scandinavia in the North to Spain in the South he inspired and provoked, was adored and reviled, inspired notions of freedom in subject lands and, with it, the growth of national idealisms which, soon, would re-draw the map of Europe. At the same time the Byronic persona, incarnate in "Childe Harold", "Manfred", "Lara" and others, was received with enthusiasm and fear as experience demonstrated that Byron's Romantic outlook was two-edged, thrilling and appalling in the same moment. All the great writers-Goethe, Mickiewicz, Lermontov, Almeida Garret, Espronceda, Lamartine, among many others-strove to outdo, imitate, revise, and integrate the sublime Lord into their own cultures, to create new national voices, and to dissent from the old order. The volume explores Byron's European reception in its many guises, bringing new evidence, challenging old assumptions, and offering fresh perspectives on the protean impact of Lord Byron on the Continent. This book consists of two volumes. Series Editor: Dr Elinor Shaffer FBA, Institute of Germanic & Romance Studies, School of Advanced Study, University of London Contributors Richard A. **The Italian poets, translated into English verse** Good Press This book is part of the TREDITION CLASSICS. It contains classical literature works from over two thousand years. Most of these titles have been out of print and off the bookstore shelves for decades. The book series is intended to preserve the cultural legacy and to promote the timeless works of classical literature. Readers of a TREDITION CLASSICS book support the mission to save many of the amazing works of world literature from oblivion. With this series, tredition intends to make thousands of international literature classics available in printed format again - worldwide.

A House of Pomegranates is a collection of fairy tales, written by Oscar Wilde, that was published in 1891 as a second collection for The Happy Prince and Other Tales (1888). Wilde once said that this collection was "intended neither for the British child nor the British public." The stories included in this collection are as follows: The Young King The Birthday of the Infanta The Fisherman and his Soul The Star-Child

**Dictionary Catalog of the Music Collection** DigiCat

The texts presented in Proportion Harmonies and Identities (PHI) - INTELLIGENCE, CREATIVITY AND FANTASY were compiled with the intent to establish a multidisciplinary platform for the presentation, interaction and dissemination of research. The aim is also to foster the awareness and discussion on the topics of Harmony and Proportion with a focus on different visions relevant to Architecture, Arts and Humanities, Design, Engineering, Social and Natural Sciences, and their importance and benefits for the sense of both individual and community identity. The idea of modernity has been a significant motor for development since the Western Early Modern Age. Its theoretical and practical foundations have become the working tools of scientists, philosophers, and artists, who seek strategies and policies to accelerate the development process in different contexts.

LORD BYRON Ultimate Collection: 300+ Poems, Verses, Dramas & Tales Waldo Specthrie Press

Lord Byron's Life in Italy is an English translation of *Vie de Lord Byron en Italie* by Byron's Italian friend Teresa Guiccioli, the manuscript of which has lain in Ravenna since the early 1880s, and which has never-been published, or even read except by a small number of scholars. Teresa Guiccioli was the poet's last mistress, his liaison with whom was of longer duration than any other. They met in 1819, and their relationship lasted until he left Italy for Greece in 1823. Persecuted by the authorities because of the friendship with such a dangerous man, Teresa's family had to move from Ravenna to Pisa and finally to Genoa. Teresa knew Byron better, probably, than any other person, and her fresh and original account of his life has been unknown for too long. This superb translation, with elaborate introduction and notes, fills a long-acknowledged gap in studies of Byron. Michael Rees is a past joint chair of the Byron Society. Peter Cochran is the editor of the *Newstead Abbey Byron Society Review*.

Complete Works

Liszt in Context explores the political, social, philosophical and professional currents that surrounded Franz Liszt and illuminates the competing forces that influenced his music. Liszt was immersed in the religious, political and cultural debates of his day, and moved between institutions, places, and social circles with ease. All of this makes for a rich contextual tapestry against which Liszt composed some of the most iconic, popular, and also contentious music of the nineteenth century. His significance and astonishing reach cannot be over-stated, and his presence in nineteenth-century European culture, and his continuing influence into the twentieth and twenty-first centuries, are overwhelming. The focus on context, reception, and legacy that this volume provides reveals the multifaceted nature of Liszt's impact during his lifetime and beyond.
