The long awaited follow up to the New York Times Bestselling Trilogy *Monsters in the Dark*. "Life taught me an eternal love will demand the worst sacrifices. A transcendent love will split your soul, cleaving you into pieces. A love this strong doesn't grant you sweetness—it grants you pain. And in that pain is the greatest pleasure of all." Q made me the happiest

eslave in the world. He gave me his heart, his empire, his ruthless unforgiving love. And life finally left us in peace. A man like my maître has special needs though, growing stronger as our lives intertwine. The only way to survive his monster is to agree to all his desires. Including his latest wish. I'm his. And I won't refuse. For new release alerts please sign up to: <http://eepurl.com/120b5>

"Lupton enters the highly charged ring where the best psychological detective writers spar... Like Kate Atkinson, Patricia Highsmith and Ruth Rendell... Both tear-

jerking and spine-tingling, *Sister* provides an adrenaline rush that could cause a chill on the sunniest afternoon." —The New York Times Book Review
When her mom calls to tell her that Tess, her younger sister, is missing, Bee returns home to London on the first flight. She expects to find Tess and give her the usual lecture, the bossy big sister scolding her flighty baby sister for taking off without letting anyone know her plans. Tess has always been a free spirit, an artist who takes risks, while conservative Bee couldn't be more different. Bee is used to watching out for her wayward sibling and is fiercely

protective of Tess (and has always been a little stern about her antics). But then Tess is found dead, apparently by her own hand. Bee is certain that Tess didn't commit suicide. Their family and the police accept the sad reality, but Bee feels sure that Tess has been murdered. Single-minded in her search for a killer, Bee moves into Tess's apartment and throws herself headlong into her sister's life--and all its secrets. Though her family and the police see a grieving sister in denial, unwilling to accept the facts, Bee uncovers the affair Tess was having with a married man and the pregnancy that resulted, and her difficulty with a stalker who may have crossed the line when Tess refused his advances. Tess was also participating in an experimental medical trial that might have gone very wrong. As a determined Bee gives her statement to the lead investigator, her story reveals a predator who got away with murder--and an obsession that may cost Bee her own life. A thrilling story of fierce love between siblings, *Sister* is a suspenseful and accomplished debut with a stunning twist. Perfection Farrar, Straus and Giroux (BYR) "Book one of the After series--the Internet

sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

Fourth a Lie Pepper Winters

From New York Times Bestseller, Pepper Winters, comes her most poignant tale yet. This edition contains both books: *THE BOY & HIS RIBBON* and *THE GIRL & HER REN*. The complete *RIBBON DUET*. "What do you do when you meet your soul mate? No wait...that's too easy. What do you do when you meet your soul mate and have to spend a lifetime loving him in secret? I'll tell you what you do. You lie." *REN* Ren was eight when he learned that love doesn't exist—that the one person who was supposed to adore him only cared

how much he was worth. His mother sold him and for two years, he lived in terror. But then...he ran. He thought he'd run on his own. Turned out, he took something of theirs by accident and it became the one thing he never wanted and the only thing he ever needed. *DELLA* I was young when I fell in love with him, when he switched from my world to my everything. My parents bought him for cheap labour, just like they had with many other kids, and he had the scars to prove it. At the start, he hated me, and I could understand why. For years he was my worst enemy, fiercest protector, and dearest friend. But by the end...he loved me. The only problem was, he loved me in an entirely different way to the way I loved him. And slowly, my secret drove us apart. ★6 Stars! The boy and his Ribbon... Is the most painfully heartbreaking, soul shattering, addictive, unforgettable, and most beautiful masterpiece I have ever read! - S, Goodreads Reviewer ★ALL THE STARS I was in the mood for an emotional love story and this delivered it in spades. Provocative and utterly mesmerizing! -- Olgatherebelreader ★Ms.Winters has created a hell of a masterpiece. An

Award-winning Rachel Hartman's newest YA is a tour de force and an exquisite fantasy for the #metoo movement. "Tess of the Road is astonishing and perfect. It's the most compassionate book I've read since George Eliot's Middlemarch." --NPR In the medieval kingdom of Goredd, women are expected to be ladies, men are their protectors, and dragons can be whomever they choose. Tess is none of these things. Tess is. . . different. She speaks out of turn, has wild ideas, and can't seem to keep out of trouble. Then Tess goes too far. What she's done is so disgraceful, she can't even allow herself to think of it. Unfortunately, the past cannot be ignored. So Tess's family decide the only path for her is a nunnery. But on the day she is to join the nuns, Tess chooses a

different path for herself. She cuts her hair, pulls on her boots, and sets out on a journey. She's not running away, she's running towards something. What that something is, she doesn't know. Tess just knows that the open road is a map to somewhere else--a life where she might belong. Returning to the spellbinding world of the Southlands she created in the award-winning, New York Times bestselling novel *Seraphina*, Rachel Hartman explores self-reliance and redemption in this wholly original fantasy. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR * BOSTON GLOBE * The Chicago Public Library * KIRKUS REVIEWS Four starred reviews! "The world building is gorgeous, the creatures are vivid and Hartman is a masterful storyteller. Pick up this novel, and savor every page." --Paste Magazine

From New York Times Bestseller, Pepper Winters, comes the fourth book in Goddess Isles A USA Today Bestselling Dark Romance "There was a truth once. Truth we shared in the dark and scribed scars upon our hearts. There was a lie once. A lie that shattered our hard-earned truth apart." Eleanor Grace did the unbelievable. She fell for a man who trades in women, dabbles in myth, and has the morals of a cold-hearted beast. However, love isn't enough where past sins are concerned, and only pain can follow. Sully Sinclair did the impossible. He gave his trust to a goddess who has the ultimate power to break him.

Unfortunately, paradise is just an illusion, his islands aren't impenetrable, and now he has to pay the price. A fledgling connection. A war they can't stop. A future that doesn't bow to fate. 5 Stars - This series is forever going to be one of my favorites from Pepper. Heather, GR 5 Stars - This book! Everything is about Goddess Isles at this point. I don't feel like I will be whole, until the last book. It's a MUST!

"Set in New Orleans, this important and powerful novel follows the Boisdoré family . . . in the months after Katrina. A profound, moving and authentically detailed picture of the storm's emotional impact on those who lived through it." —People In this dazzling debut about family, home, and grief, C. Morgan Babst takes readers into the heart of Hurricane Katrina and the life of a great city. As the storm is fast approaching the Louisiana coast, Cora Boisdoré refuses to leave the city. Her parents, Joe Boisdoré, an artist descended from freed slaves who became the city's preeminent furniture makers,

and his white "Uptown" wife, Dr. Tess Eshleman, are forced to evacuate without her, setting off a chain of events that leaves their marriage in shambles and Cora catatonic—the victim or perpetrator of some violence mysterious even to herself. This mystery is at the center of Babst's haunting and profound novel. Cora's sister, Del, returns to New Orleans from the successful life she built in New York City to find her hometown in ruins and her family deeply alienated from one another. As Del attempts to figure out what happened to her sister, she must also reckon with the racial history of the city and the trauma of a disaster that was not, in fact, some random act of God but an avoidable tragedy visited on New Orleans's most vulnerable citizens. Separately and together, each member of the Boisdoré clan must find the strength to remake home in a city forever changed. The Floating World is the Katrina story that needed to be told—one with a piercing, unforgettable loveliness and a vivid, intimate understanding of this particular place and its tangled past.
