APEX Calculus Simon & Schuster

"A fast-paced, often riveting account of the military and political events leading up to the Declaration of Independence and those that followed during the war ... Brands does his readers a service by reminding them that division, as much as unity, is central to the founding of our nation."—The Washington Post From best-selling historian and Pulitzer Prize finalist H. W. Brands comes a gripping, page-turning narrative of the American Revolution that shows it to be more than a fight against the British: it was also a violent battle among neighbors forced to choose sides, Loyalist or Patriot. What causes people to forsake their country and take arms against it? What prompts their neighbors, hardly distinguishable in station or success, to defend that country against the rebels? That is the question H. W. Brands answers in his powerful new history of the American Revolution.

George Washington and Benjamin Franklin were the unlikeliest of rebels. Washington in the 1770s stood at the apex of Virginia society. Franklin was more successful still, having risen from humble origins to world fame. John Adams might have seemed a more obvious candidate for rebellion, being of cantankerous temperament. Even so, he revered the law. Yet all three men became rebels against the British Empire that fostered their success. Others in the same circle of family and friends chose differently. William Franklin might have been expected to join his father, Benjamin, in rebellion but remained loyal to the British. So did Thomas Hutchinson, a royal governor and friend of the Franklins, and Joseph Galloway, an early challenger to the Crown. They soon heard themselves denounced as traitors--for not having betrayed the country where they grew up. Native Americans and the enslaved were also forced to choose sides as civil war broke out around them. After the Revolution, the Patriots were cast as heroes and founding fathers while the Loyalists were relegated to bit parts best forgotten. Our First Civil War reminds us that before America could win its revolution against Britain, the Patriots had to win a bitter civil war against family, neighbors, and friends.

*Princeton Review AP U.S. History Premium Prep, 23rd Edition* Houghton Mifflin Harcourt

Combines biographical sketches of great Americans and outstanding quotes with a concise survey of U.S. history

### **Pocket Book of Hospital Care for Children** Princeton Review

Cracking the AP U.S. History Exam, 2020 Edition, provides students with an in-depth review of key terms and concepts organized by time period, including the seventeenth and eighteenth centuries, the creation of government and early democracy, the Civil War and Reconstruction, the Machine Age, the early twentieth century, post-World War America, and more. It also includes winning strategies to help students crack the multiple-choice section and detailed coverage of both essay types--DBQ (document-based question) and free-response.

Earn College Credit with REA's Flashcard Book for CLEP(R) U.S. History CLEP(R) is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass CLEP(R) exams and earn college credit while reducing their tuition costs. Our CLEP(R) test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. Written by a history teacher, this Flashcard Book combines CLEP(R) History of the United States I and II into one handy review. The book contains a total of 500 flashcards - 250 questions and answers for U.S. History I (covering 1500-1877) and 250 questions and answers for U.S. History II (covering 1865 to the present). Our flashcards let you write your answer to a question on the front of the card, and then compare it to the answer on the back of the card. Unlike most flashcards that come in a box, these flashcards are bound in an easy-to-use, organized book format. The index lets you quickly find a particular era in American History and test your subject knowledge. This Premium Edition with CD includes test-readiness quizzes, timelines of all chronological periods covered on the actual CLEP(R) exams, and a concise American History review. REA is the acknowledged leader in

CLEP(R) preparation, with the most extensive library of CLEP(R) titles available. Our test preps for CLEP(R) exams help you earn college credit, save on tuition, and get a college degree.

The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

*Princeton Review AP U.S. History Prep, 23rd Edition* Kaplan

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

As a Cookbook, this book enables you to create APEX web applications and to implement features with immediately usable recipes that unleash the powerful functionality of Oracle APEX 4.2. Each recipe is presented as a separate, standalone entity and the reading of other, prior recipes is not required. It can be seen as a reference and a practical guide to APEX development. This book is aimed both at developers new to the APEX environment and at intermediate developers. More advanced developers will also gain from the information at hand. If you are new to APEX you will find recipes to start development and if you are an experienced user you will find ways to improve your productivity and efficiency and make the most of APEX to enhance your applications. A little knowledge of PL/SQL, HTML and JavaScript is assumed.

*Organized Labor...* Princeton Review

The New York Times bestseller: "You gotta read this. It is the most exciting book about Pluto you will ever read in your life." —Jon Stewart When the Rose Center for Earth and Space at the American Museum of Natural History reclassified Pluto as an icy comet, the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press

were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

**United States History 2010 Modern America Student Edition Grade 11/12** Kaplan Publishing  
 As colleges continue to become more selective, students who want to do well on the AP World History exam will rely on Kaplan to help them score higher and stand out from the competition.

**Princeton Review AP U.S. History Prep, 2023** Research & Education Assoc.

Interpreting the Great Awakening of the 18th century was in large part the work of Jonathan Edwards, whose writings on the subject defined the revival tradition in America. This text demonstrates how Edwards defended the evangelical experience against overheated zealous and rationalistic critics.
