#### **The Employee Handbook** SphinxLegal

"One of a company's most important communication tools is the employee handbook. But creating or revising one can be an overwhelming job. It must be legally sound, up-to-date, clearly written, and comprehensive. This ready-to-use guidebook, now in its second edition, practically writes the handbook by itself! Human resources professionals will appreciate its: \* checklists that guide them every step of the way (and make sure all bases are covered) \* step-by-step instructions that make information easy to understand (and help avoid mistakes) \* more than 400 sample policy statements, all in use by actual companies and ready to go as-is or to revise as needed \* plain-English explanations of federal and state regulations, with practical suggestions for implementation."

*Your Employee Handbook Office Version* Nolo

Increase Your Employees' Productivity and Save Time and Money with Your Employee Handbook Healthcare Version Your Employee Handbook Healthcare Version was created for medical professionals, such as physicians, dentists, labs, testing facilities and other similar businesses that offer healthcare services. From management to hourly workers the policies and procedures are written to emphasize patient service and procedures, HIPPA

privacy standards and patient interaction, with sensitivity to the unique needs of a care-oriented business. The Handbook features policies specific to medical offices, such as patient flow procedures, privacy guidelines (in addition to HIPPA), a professional standards statement, mail/telephone/patient welcome procedures, medical office patient preparation, emergency situations and more. The policies include updated hiring, termination, performance evaluations and payroll, disciplinary procedures and general company standards. The system also includes dozens of ready-to-use policies, written and edited for clarity and to meet all federal and state guidelines. Unlike other employee handbook products, Your Employee Handbook for Healthcare Providers is a complete human resources system that provides you with all the tools you need for effective staff management. Your Employee Handbook Healthcare Version was especially written for small manufacturing businesses with 100 employees or less. It was created by a practicing expert in the human resources field and reviewed by an attorney specializing in employment law. When you purchase Your Employee Handbook Healthcare Version, you get access the editable Word file -- no re-typing! and the Employer's Poster Kit Online at no additional charge (with free registration to our website). As a registered purchaser, you receive free "forever access" to your purchased files, Special Reports, the Reference Library and Policy Vault, and get notices of upgrades and revisions. See the instruction pages of the handbook for the registration link to our site. As you hire people to help handle your success, the task of managing your employees can take more time and effort than any other part of running a business Very few small business owners even consider an employee handbook until something goes wrong. But there are many important reasons why you need one -- reasons that will save you time and money. Managing your employees with the professional human

resources systems used by the top corporations will not only protect your business in case of a problem, it will increase performance and productivity in your employees. Here are a few examples: Professional discipline and termination practices safeguard your business from lawsuits. Reduce unemployment and workers comp premiums. Keep morale high with clear standards for performance. Fair and legal vacation policies motivate employees to do their best. Performance evaluations increase morale and eliminate conflicts. Your employees do their jobs without constant supervision, freeing you to focus on growing your business. Employees work best when they know exactly what is expected of them. Having specific goals to work toward helps them measure how well they are doing in their positions. It will also help you to either improve the performance of your weakest links, or terminate them without problems or penalties to your business. Your Employee Handbook is recommended by Entrepreneur.com and Fortune Small Business Magazine. It's endorsed by associations such as the Wisconsin Home Builders Association and Uniform Retailers Association, and used by thousands of small businesses, including attorneys.

#### **Addressing and Resolving Poor Performance** Minnesota Small Business Assistance Office

This concise yet comprehensive reference helps employers responsibly and effectively deal with the basic personnel issues they face each day. It guides employers in the development of a cohesive personnel program that is tailored to meet their companies' unique needs and goals. The author explicates potentially confusing matters such as employment-at-will, equal opportunity, sexual harassment, the disabled and immigrant and legal alien workers in lay terms and points out the dangers of oversight. Stressing the importance of consistency and documentation, he addresses the full range of personnel issues. An invaluable resource for any business that doesn't have a personnel expert on staff. CD contains sample employee handbooks, federal regulations and laws, forms for complying with government programs and worksheets for assessing personnel needs and goals. *Guide for Employee Handbook Policies* Scarborough, Ont. : Carswell

Increase Your Employees' Productivity and Save Time and Money with Your Employee Handbook Contractors Version Your Employee Handbook Contractors Version was created for contractors, builders, plumbers, electricians and other skilled trades. The system includes dozens of ready-to-use policies written and edited for clarity and with the understanding that quality, skilled craftsmen are valuable assets to any company. From management to hourly workers, the employees in this industry are self-directed and are required to make more decisions than employees in other industries. The Contractor version was written to give guidelines that emphasize safety and adherence to standards for productivity on the job site. The policies include updated hiring, termination, performance evaluations and payroll, disciplinary procedures and general company standards, as well as contractor-specific policies, such as licenses and certifications, welding, field assignment pay, jobsite safety and behavior, fall protection, safety and protective equipment policies. The system also includes dozens of ready-to-use policies, written and edited for clarity and to meet all federal and state guidelines. Unlike other employee handbook products, Your Employee Handbook for Healthcare Providers is a complete human resources system that provides you with all the tools you need for effective staff management. Your Employee Handbook Contractors Version was especially written for small manufacturing businesses with 100 employees or less. It was created by a practicing expert in the human resources field and reviewed by an attorney specializing in employment law. #### Department of Agriculture Employee Handbook Amacom Books

One of your company's most critical communication tools in the employee handbook. But creating or revising one can be an overwhelming job. The final document must be legally sound, up-to-date, clearly written, and comprehensive. This ready-to-use guidebook, now in its second edition, takes you through the whole process and helps you deal with all the questions and issues that will arise.

*Create Your Employee Handbook--fast and Professionally* Atlantic Publishing Group (FL)

No matter the number of employees working at your business, employment policies should be distributed in writing to every employee. An employee handbook is the most important communication tool between you and your employees. A well-written handbook sets forth a company's expectations for its employees and describes what they can expect while working for the business. An employee handbook should describe the employer's legal obligations and the employees' rights. The U.S. Supreme Court has ruled that businesses can protect themselves against damages from employee lawsuits by providing clear, written policies covering the rights and responsibilities of their employees. Even if you have only one employee, a written handbook could keep you out of court. Written policies provide the principles and a basis for how businesses can manage their employees. The employee handbook can help prevent misunderstanding by listing the company's policies so employees and managers know what is expected of them. A handbook will also assist with employment law compliance. A written employee handbook gives everyone — including management — the

same set of rules to follow. How to Write Your Own Effective Employee Handbook In One Hour Or Less is the ideal solution for producing your own handbook quickly and efficiently. The companion CD-ROM contains an employee handbook template in Microsoft Word™ format, which you can easily edit for your own purposes. Essentially, you just need to fill in the blanks. The book discusses various options you might have in developing the policies. Our employee handbook has been edited and approved by attorneys specializing in employment law. Developing your own handbook now could not be easier or less expensive. The companion CD-ROM containing the template is available in both English and Spanish on a single disc. The following topics are covered in the new 2011 edition of the book: at will employment, equal opportunity employment, sexual harassment, immigration law, criminal convictions, probationary periods, personnel files, orientation, exempt and non-exempt employment classifications, pay periods, breaks, time keeping, overtime, performance reviews, expense reimbursement, attendance, meetings, telecommuting, holidays, vacations, drugs and alcohol, workplace violence and weapons, smoking, food and beverage areas, attire, telephone use, use of company property, safety and security, confidential information, conflicts of interest, employment of relatives, sick leave, disability leave, medical leave, leave of absence, jury duty, military duty, benefits eligibility, medical insurance, retirement plans, employee discounts, workers' compensation, COBRA, termination, and termination process. With this new book, there is finally a cost-effective solution for developing your own employee handbook for the small- to medium-sized business owner. Simply review the more than 100 polices already written for you and insert your own information when prompted. The template comes complete with a table of contents, introduction, and a form for each employee to sign acknowledging receipt of the manual.

#### Employee Handbook

Drafting an Employee Handbook is a user-friendly and practical guide to creating an employee handbook that will help prevent and defend against workplace disputes. Most businesses adopt a reactive approach to addressing employment policies, only worrying about them after an issue arises or someone complains. However, a well-written handbook can be a forceful shield against potential grievances and costly litigation. Moreover, it can improve employee morale, increase productivity, and forestall complaints. Drafting an Employee Handbook is a must-have for human resources professionals, in-house legal counsel, compliance officers, supervisors, or any employer who wants to learn how to create better business practices, minimize workplace disruption, and improve employer/employee relations. Written by an experienced labor and employment attorney, this easy-to-follow guide explains the advantages of having an employee handbook and the risks of not having one. You will learn how to draft new policies, update existing ones, and watch for legal compliance. Complete with sample policies and forms, this book will instruct you on how to create and enforce an employee handbook that fits your needs.

*Your Employee Handbook Manufacturers Version*

Annotation A concise guide for anyone making hiring and firing decisions.

#### Employee Handbook
