CAMACHO KAITLYN

The Story of Qiuju Yearling

This graphic novel is set in Italy in 2048. Raniero is a fifty-something psychologist whose marriage is failing. In the sky, strange bright triangles appear, bearing mysterious messages from an extraterrestrial civilization. Dora, his young patient, is part of the "New" Convention, a movement of young people preaching free love and alternative models to coupling and family. She declares that her telepathic abilities can parse the signal — a warning of some kind. Initially skeptical, Raniero's curiosity and attraction grows. The Interview is a science fiction novel that eschews the

stars in favor of the delicate, fragile, interior world of human emotion.

Auntie Mame Eli

This exciting adventure story follows a family of slaves in the USA in 1860 as they escape from a cotton plantation via the legendary Underground Railroad. An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer. Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary

Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to guide himself and others to safety under the guidance of Peg Leg Joe. Set in the 19th century, D'Adamo's well-constructed novel tells a story distant in time, remains grounded in a reality that still exists today. Millions of people across the globe continue to be enslaved, including children.

One year before his death Frank Kafka had an extraordinary experience. Having a walk through Steglitz Park, in Berlin, he found a little girl crying heartbroken. She had lost her doll. To calm her down Frank introduced himself as the Dolls's Postman, and told the little girl that the doll was away on a trip but had sent a letter for her that will be delivered by himself the following day. For three weeks Frank focused exclusively on the doll's letters that he handed on every day to the girl. Nobody has ever known who that little girl was and what happened with the letters.

Now a Netflix animated film starring Will Forte, Maya Rudolph, Alessia Cara, Terry Crews, Martin Short, Jane Krakowski, Séan Cullen, and Ricky Gervais! From the Newbery Medal-winning author of *The Giver* and *Number the Stars*, comes a "hilarious" (Booklist, starred review) and wonderfully old-fashioned story about a mother and father who are all too eager to be rid of their four children . . . and four children who are all too happy to be rid of their parents. The Willoughby's—Timothy; his twin brothers, Barnaby A and Barnaby B; and their little sister, Jane—are old-fashioned children who adore old-fashioned adventures. Unfortunately, the Willoughby parents are not very fond of their children, and the truth is that the siblings are not too keen on their parents either. Little do the Willoughby kids know that their neglectful mother and father are hatching an evil plan to get rid of them! Not to worry—these resourceful adventurers have a few plans of their own. But they have no idea what lies ahead in their quest to rid themselves of their ghastly parents and live happily ever after.

With a wit as sharp as a vodka stinger and a heart as free as her spirit, Auntie Mame burst onto the literary scene in 1955--and today remains one of the most unforgettable characters in contemporary fiction. Wildly successful when it was first published in 1955, Patrick Dennis' Auntie Mame sold over two million copies and stayed put on the New York Times bestseller list for 112 weeks. It was made into a play, a Broadway and a Hollywood musical, and a fabulous movie starring Rosalind Russell. Since then, Mame has taken her rightful place in the pantheon of Great and Important People as the world's most beloved, madcap, devastatingly sophisticated, and glamorous aunt. She is impossible to resist, and this hilarious story of an orphaned ten-year-old boy sent to live with his aunt is as delicious a read in the twenty-first century as it was in the 1950s. Follow the rollicking adventures of this unflappable flapper as seen through the wide eyes of her young, impressionable nephew and discover anew or for the first time why Mame has made the world a more wonderful place.

This third book in Kathryn Littlewood's acclaimed Bliss trilogy mixes the down-home heart punch of Ingrid Law's Newbery Honor Book *Savvy*, the always-on-the-edge-of-chaos comedy of *Cheaper by the Dozen*, and a humorous magic all its own to create a thoroughly original confection, a delicious guilty pleasure for readers of all ages. Rose won back her family's magical *Cookery Booke* in an international baking competition in *A Dash of Magic*, the second novel in the series. Rose is now world famous—so famous, in fact, that Mr. Butter, head of the Mostess Corporation, has kidnapped her so that she can develop new and improved magical recipes for his company's snack cakes. With the

magically enhanced Dinkies and Moony Pies, Mr. Butter plans to take over the world. Together with her brothers, their talking cat and mouse, and an unlikely team of bakers, Rose must overthrow Mr. Butter before he destroys civilization, one magically evil snack cake at a time.
