Metuchen, N.J.
: Scarecrow Press
Designed for K-5 classrooms, these creative bulletin board ideas link Bible themes to classwork. The authors have created 110 different concepts, with complete instructions and illustrations. Following the school year, the bulletin boards can be used as springboards to promote discussion and as reminders of the central

message in a particular lesson. The authors have also outlined ideas for classroom activities, suggestions for appropriate books, field trip ideas, party plans, cooperative learning activities, and Web sites. Faith lessons are generously sprinkled throughout. A section called "Bible Heroes from A to Z" provides brief retellings of heroic deeds that bring Bible heroes to life. Even

students who know their Bible well will enjoy these 5-minute short stories. The Bible has been a teaching tool since it was written, and Good News: Thematic Bulletin Boards for Christian Classrooms makes it easy. This booklet, designed for preschool through age 6, is the first in a series designed to help teachers develop a more positive and creative approach to giving work on mathematics skills to children. It is based on objectives concerning creativity, fostering independent thinking, using experiences, using mastery, reinforcing previously learned skills, emphasizing choices and

following directions, encouraging divergent thinking, and developing concepts. Each of the 40 pages may be reproduced by the teacher for student use. An answer key is included. (MNS) *Successful Bulletin Board Ideas* Milestone Mingle some math into everyday teaching! Fast Ideas for Busy Teachers: Math has hundreds of ideas that will fit into a hectic schedule and

enliven fifth-grade students' exploration of mathematics. The book is organized by math skills, which makes it easy to find a topic when it's needed. Open-ended lessons allow adaptation of activities to meet students' needs. The lessons are perfect for substitutes, rainy-day activities, homework, and in-class assignments. The book includes tips for managing a classroom, getting

organized, getting to know students, and implementing behavior management. This 80-page book also includes reproducibles and aligns with Common Core State Standards, as well as state and national standards. *Math Word Wall, Grade 2* Creative Teaching Press

"Filled with ideas to start the year, start

the day and start the subject! The first section of the book supplies the teacher with numerous starter units for the first day of school. Included are door posters, name tags, seating arrangements, bulletin boards, patterns and lots of activities. The second section provides the teacher with ideas for establishing classroom rules, making new friends and starting the school

day. This section also includes bulletin board ideas as well as activities	for reading, language arts, math, science and social studies. Plan a positive classroom	environment that is attractive and well organized!"-- Back cover
