 Excerpt from The Works of Augustus M. Toplady, A. B, Vol. 2 of 6: Late Vicar of Broad Hembury, Devon Add to this, that, according to the said Heylyn, the order for removing altars, and placing communion tables in their room, was chiefly

owing to the influence of Calvin. The great business of this year was the taking down of altars in many places, by public authority: which, in some few, had formerly been pulled down by the irregular forwardness of the common people. The principal motive whereunto was, in the first place, the opinion of some dislikes which had been taken by Calvin against the (first) liturgy (d). The great modern biography of Augustus, founder of the Roman Empire Born to a plebeian family in 63 BC, Octavian was a young soldier training abroad when he heard news of Julius Caesar's brutal assassination - and discovered that he was the dictator's sole political heir. With the opportunism and instinct for propaganda that were to

characterize his rule, Octavian rallied huge financial, military and political backing to eliminate his opponents, end the bloody turmoil that had so long wracked Rome and, finally, take autocratic control of a state devoted to republicanism. He became Augustus - Rome's first Emperor, and the founder of the greatest empire the world had ever seen. In this monumental biography, translated into English for the first time by Anthea Bell, Jochen Bleicken tells the story of a man who found himself a demi-god in his own lifetime and paints a portrait of one of the most dramatic periods of Roman history.

The Complete Works of Augustus M. Toplady, B.A., Late Vicar of Broad Hembury, Devon Palala Press

The acclaimed historian and author of Caesar presents “a first-rate popular biography” of Rome’s first emperor, written “with a storyteller’s brio” (Washington Post). The story of Augustus’ life is filled with drama and contradiction, risky gambles and unexpected success. He began as a teenage warlord whose only claim to power was as the grand-nephew and heir of the murdered Julius Caesar. Mark Antony dubbed him “a boy who owes everything to a name,” but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC. Over the next half century, Augustus created a

new system of government—the
Principate or rule of an emperor—which
brought peace and stability to the vast
Roman Empire. In this highly anticipated
biography, Goldsworthy puts his deep
knowledge of ancient sources to full use,
recounting the events of Augustus' long
life in greater detail than ever before.
Goldsworthy pins down the man behind
the myths: a consummate manipulator,
propagandist, and showman, both
generous and ruthless. Under Augustus'
rule the empire prospered, yet his
success was constantly under threat and
his life was intensely unpredictable.

the proof of this, I must clear my way, by
first considering what you, sir, allege on
the other side. In doing which, I shall
endeavour to preserve, not only the
decency, but the respect, to which your
merits, both as a scholar and as a writer,
justly entitle you. Though fame is
mistaken, if you have not condescended
to act as a secretary, on this, as well as
a preceding occasion. However this be, I
cannot help wishing, that so worthy and
considerable a person had drawn his
pen, rather in attempting to heal, than
widen, the unhappy breaches among
us; and had undertaken to vindicate,
instead of seeking to confute, the
doctrines of the church he professes to
revere. But, alas! Every day's experience
proves the truth of the old adage; All is
not wise, that wise men say; nor all

good, that good men do. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Works of Augustus M. Toplady
Volume 3 Forgotten Books

Excerpt from The Works of Augustus M. Toplady, A. B., Late Vicar of Broad Hembury, Devon, Vol. 4 of 6 Coming acquainted with the famous Mr. George Wishart (afterwards martyred for the protestant faith), it pleased God so to bless the conversation of that holy man

to Mr. Knox, that it issued in the effectual conversion of the latter: who, being very honest, and very courageous, published a confession of his faith, at Edinburgh, in which he boldly and clearly avowed the blessed principles of the reformation. The Romish bishops and clergy, alarmed at the open defection of so eminent a man, and who had taken priest's orders in their church but a few years before, endeavoured first to suppress his book, and then to seize the author himself. He was accordingly apprehended, and condemned to suffer death; but by the good providence of God, being set at liberty, he left his native country and retired to Berwick, from whence he proceeded to Newcastle, and then to Warwick; in all which places, he preached the gospel in

its purity, with great zeal and unremitting labour, and with success equal to both; so that his name now became more public and diffused than ever. Edward VI. Was then king of England. The fame of Mr. Knox soon reached the ears of that excellent prince; who showed him no small favour and encouragement. His majesty first made him his own chaplain, and then licensed him as one of the six itinerant ministers, who were empowered to preach the gospel in all places throughout the king dom. In process of time Edward offered him a bishopric; which, however, Mr. Knox declined to accept. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Works of Augustus M. Toplady, A. B., Late Vicar of Broad Hembury, Devon, Vol. 1 of 6 Wentworth Press
Excerpt from The Complete Works of Augustus M. Toplady, B.A: In One Volume; With a Memoir of the Author

and Extracts From His Diary Soon after the decease of Mr. Toplady, many persons, who loved his principles and revered his memory, expressed an earnest desire to have a complete edition of his works. Nothing of the kind was, however, attempted, until the year 1792, when the undertaking was finally determined upon. Materials were accordingly collected, and application was made to some gentlemen of literary character, whose principles coincided with the Author's, to undertake the arrangement for publication. Their assistance was promised, but the conditions were afterwards found to be such as could not be assented to, without proving injurious to the work, and probably giving it the appearance of an imposition on the public.

Apprehensive that the world would thus be deprived of a considerable part of the writings of a justly admired author, the proprietors determined to proceed in the undertaking, and the superintendence devolved on one whose abilities (in his own estimation) were disproportioned to the task. He is satisfied with having secured from oblivion so large a portion of valuable compositions, and throws himself upon the candour of the public, without any studied or affected apologies. The peculiar object in the writings of Mr. Toplady was to bring vital Christianity to View, and to display its principles, defended with arguments drawn from the same source. His admirable pages are a masterly and consistent defence of the Divine Attributes, in unison with the writings of

the Old and New For it will be self evident, to those who will only consider, that the perennial opposition made to the doctrines of discriminating grace, in the absolute love of the everlasting Father, proceeding forth from Him in His beloved Son, and communicated to a peculiar people by the Holy Spirit, are the identical objections reiterated against the purposes of the Almighty. Excerpt from The Works of Augustus M. Toplady, A. B., Vol. 3 of 6: Late Vicar of Road Hembury, Devon Unto Timothy, my own son in the faith; grace, mercy, and peace, from God our Father, and from the Lord Jesus Christ. Some have thought that Timothy was not converted under the ministry of St. Paul; and they ground their conjecture on Acts xvi. 1, 2. Where Timothy is mentioned as a disciple, and a person -well reported of by the Chris tians at Derbe and Lystra, previous to St. Paul's visitation of those

places. That Timothy was a nominal professor of religion, and a youth of circum spect behaviour, are evident from that passage: which external form of godliness was, probably, the effect of the religious'r education he had the hap piness to receive from his earliest childhood. But, from St. Paul's compellation of him as his own son in the faith it may, I think, be reasonably inferred.
