A missing domestic-violence counselor. A wealthy and callous husband. A dangerous romance. Kareena Sinha, an Indian-American domestic-violence

counselor, disappears from her Seattle home. When the police dismiss suspicions that she herself was a victim of spousal abuse, her best friend, Mitra Basu, a young landscape designer, resolves to find her. Mitra's search reveals glimpses of a secret life involving her friend and a Bollywood actor of ill repute. Following the trail, Mitra is lured back to India where she uncovers the actor's ties to the Mumbai underworld and his financial difficulties - leading her into a web of life-threatening intrigue where Mitra can't be sure of Kareena's safety or her own. "Mitra is gunpowder

chutney to the mystery genre, her adventures a hot refreshing blast of sumptuous storytelling. Bharti Kirchner has once again conquered another literary field. Highly Addictive." -- Skye Moody, Author of the mystery novel Three Bags Full "Tulip Season is an evocative taste of Seattle's darker side." -- Cara Black, Author of the mystery novel Murder at the Lanterne Rouge "A multi-layered mystery, Tulip Season, is carefully crafted. -- Curt Colbert, Co-author of the upcoming mystery novel Dial 'C' for Chihuahua

 Historical novel MacGregor's Bargain by Rowena Williamson For half a century, the Jacobites have rebelled against Britain in an attempt to reclaim Scotland's throne for the exiled House of

Stuart. Now, tensions are building and the Battle of Culloden looms in the future, with the fate of Great Britain at stake. It is the summer of 1744 and Scotland is about to change forever. Set amidst the mysterious, sweeping mountainsides of the Scottish Highlands and in the seductive city of Paris, MacGregor's Bargain is a gripping story of love, loyalty and betrayal, hope and devastation, and accounts of human strength and vulnerability buried between the pages of history. In light of the ongoing Jacobite rebellion, Niall MacGregor, a wealthy soldier of fortune, member of an outlawed clan, sees hope for a free Scotland, and a chance, by marrying Anne Drummond, disgraced heiress to a castle on Loch Laggan, to own land and start a dynasty. Anne,

whose behavior has made her an unsuitable bride for any man in her own class, accepts the marriage as a way to protect her people. But she sees horrifying visions of bloodshed and destruction. Niall is determined to fight for Scottish independence, and Anne is cursed with the power to know the outcome. Torn between her loyalty to her husband and her loyalty to the clan she is destined to protect, Anne must make a choice, harder after the birth of a daughter. A close friend is thought to be an English spy, causing a rift between Anne and Niall. Anne grows to know her husband, and develop love for him. He still seems to see their marriage as a mere bargain, making their destinies unclear as ominous signs of Scotland's fate develop. Written by Rowena

Williamson, an exciting new award winning author, MacGregor's Bargain is based on years of extensive research. The story is one steeped in romance and rebellion, and the characters of Niall and Anne will not be soon forgotten. But what does destiny have in store for them? Can the Jacobites disprove Anne's visions and finally defeat the British? And can Anne and Niall find love before it's too late? "Well plotted, richly imagined, and evocative. I am a champion of Rowena's writing." Bharti Kirchner, whose soon-to-released fifth novel is Tulip Season: A Mitra Basu Mystery.

Goddess of Fire Pearson Education
This story of a young widow who becomes one of the most powerful women in India "will transport you

across centuries and continents” (The Seattle Times). India, 1684.

Moorti—widowed at seventeen and about to be burned on her husband’s funeral pyre—is saved from the fire by a mysterious Englishman. Taken to safety and given employment by her savior, Job Charnock, Moorti is renamed Maria and must embrace her new life among the English traders. Though she is grateful to be alive, the intelligent and talented Maria is not content to be a kitchen servant for the rest of her life. Seizing the opportunity to learn English, she hopes this will bring her closer to the kind and gentle Job. But with so many obstacles in her path, will she be able to overcome adversity in pursuit of a better life? A tale of adventure and danger, hardship and heartbreak, excitement

and romance, this is the enthralling tale of a truly remarkable woman, where fiction meets fact. Filled with the heat and beauty of India, Maria’s story lingers long after the final page. “Research and authenticity resonate in every chapter.”

—The Seattle Times “Politically, sexually, and racially, Kirchner is returning some small sense of agency to the people who have lost everything—even their names—to history.” —The Seattle Review of Books

Sunya, a young, Indian woman, is the head baker and owner of Pastries, a warm and comfortable bakery in Seattle. Sunya loves baking and has transformed her fabulous cakes and tarts into delicious works of art. The success of her

beloved bakery is put in jeopardy, however, when a chain bakery threatens to open up down the street from her. To add to her misery, Roger, her hip, Japanese boyfriend, has left her for a "perfect" Japanese girlfriend and her mother has just become engaged to a man Sunya detests. All of this misery pales in significance next to her main worry - she has lost her touch for baking. When a new baker at Pastries tells Sunya about a baking school in Japan that helps people with their baking skills and helps them to center themselves spiritually through a form of Buddhism, Sunya feels that this just might be the answer to her problems.

Murder at Andaman Rowman & Littlefield Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher

Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Land of Two Rivers chronicles the story

of one of the most fascinating and influential regions in the Indian subcontinent. The confluence of two major river systems, Ganga and Brahmaputra, created the delta of Bengal--an ancient land known as a center of trade, learning and the arts from the days of the Mahabharata and through the ancient dynasties. During the medieval era, this eventful journey saw the rise of Muslim dynasties which brought into being a unique culture, quite distinct from that of northern India. The colonial conquest in the eighteenth century opened the modern chapter of Bengal's history and transformed the social and economic structure of the region. Nitish Sengupta traces the formation of Bengali identity through the Bengal Renaissance, the growth of

nationalist politics and the complex web of events that eventually led to the partition of the region in 1947, analyzing why, despite centuries of shared history and culture, the Bengalis finally divided along communal lines. The struggle of East Pakistan to free itself from West Pakistan's dominance is vividly described, documenting the economic exploitation and cultural oppression of the Bengali people. Ultimately, under the leadership of Bangabandhu Mujibur Rahman, East Pakistan became the independent nation of Bangladesh in 1971. Land of Two Rivers is a scholarly yet extremely accessible account of the development of Bengal, sketching the eventful and turbulent history of this ancient civilization, rich in scope as well as in influence.

 The World Health Organization's Global Technical Strategy for Malaria 2016-2030 has been developed with the aim to help countries to reduce the human suffering caused by the world's deadliest mosquito-borne disease. Adopted by the World Health Assembly in May 2015 it provides comprehensive technical guidance to countries and development partners for the next 15 years emphasizing the importance of scaling up malaria responses and moving towards elimination. It also highlights the urgent need to increase investments across all interventions - including preventive measures diagnostic testing treatment and disease surveillance- as well as in harnessing innovation and expanding research. By adopting this

strategy WHO Member States have endorsed the bold vision of a world free of malaria and set the ambitious new target of reducing the global malaria burden by 90% by 2030. They also agreed to strengthen health systems address emerging multi-drug and insecticide resistance and intensify national cross-border and regional efforts to scale up malaria responses to protect everyone at risk.

Quantile regression is gradually emerging as a unified statistical methodology for estimating models of conditional quantile functions. By complementing the exclusive focus of classical least squares regression on the conditional mean, quantile regression offers a systematic strategy for

examining how covariates influence the location, scale and shape of the entire response distribution. This monograph is the first comprehensive treatment of the subject, encompassing models that are linear and nonlinear, parametric and nonparametric. The author has devoted more than 25 years of research to this topic. The methods in the analysis are illustrated with a variety of applications from economics, biology, ecology and finance. The treatment will find its core audiences in econometrics, statistics, and applied mathematics in addition to the disciplines cited above.

Running the Rift follows the progress of Jean Patrick Nkuba from the day he

knows that running will be his life to the moment he must run to save his life. A naturally gifted athlete, he sprints over the thousand hills of Rwanda and dreams of becoming his country's first Olympic medal winner in track. But Jean Patrick is a Tutsi in a world that has become increasingly restrictive and violent for his people. As tensions mount between the Hutu and Tutsi, he holds fast to his dream that running might deliver him, and his people, from the brutality around them. Winner of the Bellwether Prize for Socially Engaged Fiction, Naomi Benaron has written a stunning and gorgeous novel that—through the eyes of one unforgettable boy—explores a country's unraveling, its tentative new beginning, and the love that binds its people

together.
