A Very Important Day Columbia University Press

A collection of Eleanor Roosevelt's writings from her syndicated column "My Day" shares her thoughts on the people and events of her day, including civil rights, American politics, the United Nations, and her personal triumphs and tragedies.

The Most Important Day of Your Life Simon and Schuster

Eastern Waves, Western Shores is a novel based on the life of a Sri Lankan woman who comes to study in England and then moves back to Sri Lanka and struggles fitting back in. The expectation of the elders, of society in general, cultural norms and the demands on a modern day career woman overwhelm her. She is torn between her loyalty to her family and the dreams she has for herself. It is a book about a looming arranged marriage, the yearning of young woman to fall in love hopefully with someone that is acceptable to her and her family, to live away from the family feuds and land disputes, away from the "dictatorship" of elders vs her duties towards them. Even after following her heart and her dreams she feels tormented sometimes and seeks an equilibrium in America.

The Ethnomusicologists' Cookbook HarperCollins Publishers Two-hundred nineteen people from thirty-two different countries make their way to downtown New York in a snowstorm to be sworn in as citizens of the United States.

Breakfast: the Most Important Book about the Best Meal of the Day Vintage

When a radio announcer read Linda Ellis "The Dash" on his program, it became an instant, meteoric success--and this beautiful book expands upon the inspiring theme of the original poem. Ellis shares her message of joy and hope through uplifting stories, essays, poetry, and personal testimonials from luminaries such as Bob Dole, legendary football coach Lou Holtz, and American Idol winner David Cook.

The Day of the Jackal BoD - Books on Demand

My Parisian Year claims to be nothing more than Paris seen through a woman's eyes -- the point of view of a woman who has

lived for some years in the city, and has known many interesting phases of its life. I make no pretensions beyond a good memory, a keen observation, and complete honesty. - Author's preface.

The Crossroads of Should and Must Da Capo Press

Named one of New York Times Top-20 Cookbooks of 2006. Have you ever wanted to host a full evening of Indian food, culture, and music? How about preparing a traditional Balinese banquet? Or take a trip to Cairo and enjoy an Egyptian feast? The

Ethnomusicologists' Cookbook takes you around the world on a culinary journey that is also a cultural and social odyssey. Many cookbooks offer a snapshot of individual recipes from different parts of the world, but do nothing to tell the reader how different foods are presented together, or how to relate these foods to other cultural practices. For years, ethnomusicologists have visited the four corners of the earth to collect the music and culture of native peoples, from Africa to the Azores, from Zanzibar to New Zealand. Along the way, they've observed how music is an integral part of social interaction, particularly when it's time for a lavish banquet or celebration. Foodways and cultural expression are not separate; this book emphasizes this connection through offering over thirty-five complete meals, from appetizers to entrees to side dishes to desserts and drinks. A list of recommended CDs fills out the culinary experience, along with hints on how to present each dish and to organize the overall meal. The *Ethnomusicologists' Cookbook* combines scholarship with a unique and fun approach to the study of the world's foods, musics, and cultures. More than just a cookbook, it is an excellent companion for anyone embarking on a cultural-culinary journey.

One Day in the Life of Ivan Denisovich Bloomsbury Publishing USA All parents will tell you they learn as much from their children as their children learn from them. This truth is poignantly captured in *Raising Dad: What Fathers & Sons Learn from Each Other* by father-son authors Thom and Art Rainer. It was Art's idea to write from a grown child's perspective this tribute to his father's successes as a parent. Inviting his father Thom to write postscripts to these reflections, another tender truth emerged. Dad's memories about his own performance aren't nearly as rose colored, giving those who read the book great inspiration to never stop growing and learning as a parent. All told, *Raising Dad* shares

unforgettable lessons about faith, friendship, commitment, honesty, priorities—all the things that matter most in life between parents and children.

After Simon and Schuster

Originally collected in Chuck Klosterman IV and now available both as a stand-alone essay and in the ebook collection *Chuck Klosterman on Sports*, this piece is about a basketball game.

O'malley's Most Important Day Penguin

My Peace is Most Important is a daily reading that consists of short memoirs experienced by the author, Edith King, and the lessons she has gained from them. From heartbreak, to family dysfunction, spirituality, and the search for identity -- she shows that through it all she realizes that her peace is MOST important. Each entry comes packed with transparency to remind the reader that they are not alone in their challenges; with bonus activities included at the end of each chapter to hold the reader accountable in their journey to mastering their peace.

Austin Breakfast Tacos Editura Trei SRL

From the James Beard Award winner, Top Chef Masters contestant, and acclaimed author comes this fun, festive, and highly caffeinated ode to the joys and rituals of the Southern breakfast, with over 125 recipes inspired by the author's popular restaurant in Oxford, Mississippi. John Currence is one of the most celebrated and well-loved chefs in the South. Among his string of highly successful restaurants in Oxford, Mississippi, Big Bad Breakfast holds a special place in diners' hearts: It is a gathering place where people from all walks come together to share the most important meal of the day, breakfast. Southerners know how to do breakfast right, and Currence has elevated it to an artform: dishes like Banana-Pecan Coffee Cake, Spicy Boudin and Poached Eggs, and Oyster Pot Pie are comforting, soulful, and packed with real Southern flavor. Big Bad Breakfast is full of delicious recipes that will make the day ahead that much better--not to mention stories of the wonderful characters who fill the restaurant every morning, and a meditation on why the Southern breakfast is one of America's most valuable culinary contributions.

from Accompanying Papers Routledge

My name is OMalleyBoots to the family I adopted when they moved into the military quarters at Ft. Totten, New York, that had been my family's ancestral home for many generations. This is the story of another one of our many adventures together. I had never ventured far from home, but thanks to Sandy, the youngest member of the family, I was able to enjoy one of the Most Important Days of my life. I was secreted away in Sandy's backpack and taken on a trip to the United States Military Academy at West Point, New York to attend a football game. He knew that I love to march to military music, since I practice with the children in my family and their friends every Saturday morning on the parade ground in front of our house. Most cats do not get involved with that type of activity, but for me it is an absolutely thrilling experience. Once we arrived at West Point, I met Colonel, another military cat, who was kind enough to show me around and to explain some of the history of the Academy. He also provided the opportunity to take part in my favorite activity. This was a truly inspiring day and reminded me of the sacrifices that so many young people make to serve our Country in order to ensure that we continue to enjoy all of the freedom that we often take for granted.

Parliamentary Papers Simon and Schuster

BUSINESS STRATEGY. "The 4 Disciplines of Execution" offers the what but also how effective execution is achieved. They share numerous examples of companies that have done just that, not once, but over and over again. This is a book that every leader should read! (Clayton Christensen, Professor, Harvard Business School, and author of "The Innovator's Dilemma.") Do you remember the last major initiative you watched die in your organization? Did it go down with a loud crash? Or was it slowly and quietly suffocated by other competing priorities? By the time it finally disappeared, it's likely no one even noticed. What happened? The whirlwind of urgent activity required to keep things running day-to-day devoured all the time and energy you needed to invest in executing your strategy for tomorrow. "The 4 Disciplines of Execution" can change all that forever.

The Snowy Day Workman Publishing Company

"The story of the iconic breakfast taco in Austin, Texas"--

Live Your Dash InterVarsity Press

In Buddhist thought, the day you die is considered the most

important day of your life. The moment of your death is the culmination of your entire life; and you want to be at the highest frequency possible in that moment so that you can move on to the highest vibration possible on the other side. Maria Hoaglund's book, *The Most Important Day of Your Life: Are You Ready?*, will help you get ready for your death. You will learn about some of the best kept secrets of hospice. You will learn how expansive your life is and how lovingly, creatively, and graciously you might live it. And who knows? You just might decide - as the Celtic way suggests - to die before you die, so that when you finally let go of your earthly life, you'll realize there's no need to "die"; in other words, death is not an ending!

The Subtle Art of Not Giving a F*ck Renard Press Ltd

"This is that rarity, a useful book."--Warren Buffett Howard Marks, the chairman and co-founder of Oaktree Capital Management, is renowned for his insightful assessments of market opportunity and risk. After four decades spent ascending to the top of the investment management profession, he is today sought out by the world's leading value investors, and his client memos brim with insightful commentary and a time-tested, fundamental philosophy. Now for the first time, all readers can benefit from Marks's wisdom, concentrated into a single volume that speaks to both the amateur and seasoned investor. Informed by a lifetime of experience and study, *The Most Important Thing* explains the keys to successful investment and the pitfalls that can destroy capital or ruin a career. Utilizing passages from his memos to illustrate his ideas, Marks teaches by example, detailing the development of an investment philosophy that fully acknowledges the complexities of investing and the perils of the financial world. Brilliantly applying insight to today's volatile markets, Marks offers a volume that is part memoir, part creed, with a number of broad takeaways. Marks expounds on such concepts as "second-level thinking," the price/value relationship, patient opportunism, and defensive investing. Frankly and honestly assessing his own decisions--and occasional missteps--he provides valuable lessons for critical thinking, risk assessment, and investment strategy. Encouraging investors to be "contrarian," Marks wisely judges market cycles and achieves returns through aggressive yet measured action. Which element is the most essential? Successful investing requires thoughtful attention to many separate aspects, and each of Marks's subjects proves to be the most important

thing.

The Dash Women's Intuition Worldwide.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered with every age.' - Irish Times

Become the Most Important Person in the Room Vintage

What are the two most important days in your life? "The day you are born and the day you find out why," Mark Twain famously wrote. The search for happiness is hardwired in our DNA. It transcends age, gender, geography, vocation, and personal circumstances. But how do you achieve it? Through inspirational storytelling, scientific evidence, practical advice, captivating

exercises, and poetry, Dr. Sanjiv Chopra and Gina Vild present a powerful message that shows you how to achieve happiness no matter the challenges and stumbling blocks you face along the way. They also reveal the best way to be happy: Discover and live your life's purpose. It's a sure path to human flourishing. In fact, you may be surprised to learn that living with purpose can even add years to your life. Do you know your life's purpose? This book offers a path to discovering it by illuminating the value of gratitude, forgiveness, meditation, music, friendship and so much more. It will set you on the right path and spark sustained happiness, joy and bliss.

Personal History CreateSpace

O cale ușoară și eficientă de a-ți forma obiceiuri bune și a scăpa de cele proaste Schimbări mici, rezultate remarcabile „O carte extrem de practică și utilă. James Clear extrage informațiile fundamentale despre formarea obiceiurilor, astfel ca tu să poți

realiza mai mult concentrându-te pe mai puține lucruri." – Mark Manson, autorul bestsellerului *Arta subtilă a nepăsării* „James Clear a petrecut ani de zile perfecționând arta și studiind știința obiceiurilor. Această carte antrenantă și practică este ghidul de care ai nevoie ca să scapi de deprinderile proaste și să-ți formezi unele bune." – Adam Grant, autorul bestsellerurilor *Originalii* și *Option B*. Inspirându-se din cele mai noi descoperiri din biologie, psihologie și neuroștiințe, James Clear a conceput un ghid ușor de asimilat, cu ajutorul căruia obiceiurile bune devin inevitabile, iar cele rele, imposibile. Învață: * să-ți construiești un sistem pentru a deveni cu 1% mai bun în fiecare zi; * să renunți la obiceiurile rele și să le păstrezi pe cele bune; * să eviți greșelile comise în general de cei care încearcă să-și schimbe obiceiurile; * să depășești lipsa de motivație și de voință; * să-ți dezvolți o identitate mai puternică și să crezi în tine însuși; * să-ți faci timp pentru noile obiceiuri (chiar și când viața o ia razna); * să-ți concepi un mediu

care să favorizeze succesul; * să faci schimbări mici, ușoare, care oferă rezultate mari; * să-ți revii atunci când te abați de la drum; * și, cel mai important, cum să aplici aceste idei în viața reală... .. și multe altele Indiferent dacă e vorba de o echipă care încearcă să câștige un campionat, o organizație care speră să redefinească o industrie sau pur și simplu un om care vrea să se lase de fumat, să slăbească, să reducă stresul ori să realizeze orice alt obiectiv, *Atomic Habits* este soluția. „Nu mă consider un expert și nu dețin toate răspunsurile, dar sunt fericit să împărtășesc ceea ce am învățat până acum." – James Clear „O carte deosebită, care îți va schimba felul în care îți organizezi ziua și îți trăiești viața." – Ryan Holiday, autorul bestsellerurilor *The Obstacle is the Way* și *Ego is the Enemy* „În *Atomic Habits*, Clear îți va arăta cum să depășești lipsa de motivație, cum să schimbi mediul înconjurător ca să încurajezi succesul și cum să-ți faci timp pentru obiceiuri noi și mai bune." – Glamour.com
