 Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her

brothers leave Vietnam and resettle in Alabama.

Prentice Hall Literature (Grade 8)(2007)

Pearson Prentice Hall

Specifically designed as an introduction to the exciting world of engineering, ENGINEERING FUNDAMENTALS: AN INTRODUCTION TO ENGINEERING encourages students to become engineers and prepares them with a solid foundation in the fundamental principles and physical laws. The book begins with a discovery of what engineers do as well as an inside look into the various areas of specialization. An explanation on good study habits and what it takes to succeed is included as well as an introduction to design and problem solving, communication, and ethics. Once this foundation is

established, the book moves on to the basic physical concepts and laws that students will encounter regularly. The framework of this text teaches students that engineers apply physical and chemical laws and principles as well as mathematics to design, test, and supervise the production of millions of parts, products, and services that people use every day. By gaining problem solving skills and an understanding of fundamental principles, students are on their way to becoming analytical, detail-oriented, and creative engineers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *Prentice Hall Literature* Univ. of Queensland Press

Pearson is proud to introduce Pearson Prentice Hall Literature - an exciting literature program for grades 6-12 designed to meet the needs of all learners. "This video program, in conjunction with
the From the author's desk feature in the
student edition, brings today's award-

winning authors into [the] classroom,
and introduces ... students to the real
people behind the selections in Prentice
Hall literature.... Each unit in each level
of Prentice Hall literature is hosted by
one of the featured authors.... The video
program is organized in units, just like
the units in the student text. The units
are further separated into
segments....Typically, these segments
are: meet the author, an introduction to
the genre, the writing process, and the
rewards of writing."--Teacher's guide.
Prentice Hall Literature Prentice Hall
Describes the experiences of a
newcomer to the Yukon when he
attempts to hike through the snow to
reach a mining claim.
