 Although the
 kingdom
 occupies a
 very crucial

position in the
 Bible, many
 Christians
 have not
 understood it
 properly,
 accurately, or
 adequately.
 The messages
 in this book,
 given in a
 conference in
 1972 in Los

Angeles,
 present
 mainly the life
 side of the
 kingdom.
 While some
 chapters
 touch the
 doctrinal and
 objective side,
 the primary
 burden is the
 life side. May

these chapters cause the Lord's children to soberly consider their responsibility toward the kingdom and to aspire to live today in the reality of the kingdom by the divine life so that they may enter into the enjoyment of the kingdom in its manifestation with the Lord in the coming age.

conceptual foundation for kingdom entrepreneurs hip and explores its development using case studies of kingdom businesses and reflecting on the lessons kingdom entrepreneurs have already learned.

If the church is God's agent to change people and communities, then what could be hindering our churches from experiencing and engendering

transformation in their surrounding communities? What is most needed for the church today is a commitment to the timeless process of following Jesus' mission. In Kingdom Church, the focus shifts back to Jesus and His rule. As we lead our lives and congregations to follow God's plan, His eternal Kingdom will come and restore all things. "Rarely do you find a book that the common

person and theologian can pick up and find refreshing and inspiring. ...Kingdom Church is timely. Kingdom Church is great as a personal read or for group study." REV. KIMBERLY WRIGHT, Pastor, Church of the Resurrection, New York City, NY "In Kingdom Church, Pastor David Washington clearly articulates the force of our mission and the influence we possess. It could not

come at a more critical time. Read it and take courage." DR. CHARLIE DATES, Senior Pastor, Progressive Baptist Church, Chicago, IL "I am so excited about Kingdom Church. This book delivers a compelling vision for churches to put the Kingdom first. It's challenging and practical and I recommend every church leader read it and put its principles into practice."

PATRICK O'CONNELL, Global Director of NewThing, Naperville, IL David A. Washington is the founding pastor of Kingdom Covenant Church Chicago. He engages ministry in the urban context with the goal of life and community transformation through the gospel. In addition to his pastoral work, he uses motivational speaking, workshops and preaching to empower people for the

work of God's kingdom. He is a graduate of Moody Bible Institute and North Park Theological Seminary. He and his wife, Vernee have two teenage children and reside in Chicago, Illinois.

"This book is a game changer and will teach you what it means to be part of This Kingdom."

?Pastor Marilyn Bailey, Teleios Church, Johannesburg, South Africa

"There is perhaps no greater time to revisit the spiritual and practical understanding of the kingdom of God than right now. Apostle Scantlebury addresses and corrects, common misconceptions, explains the

contrasts in the Kingdom of God and the kingdom of darkness, properly aligns the Kingdom and the Church, and propels us toward a holistic understanding of Kingdom life in the earth. With great patience and clear articulation, Apostle Scantlebury lays out a compelling case for the people of God to give priority to understanding and walking in the principles of the Kingdom of

God in life and ministry. Do yourself a favour; set aside some time to read through and study this transformative volume. You will be challenged, changed, and equipped to be a proper representative of the kingdom of God. ?Apostle Eric L. Warren, Eric Warren Ministries, Charlotte, North Carolina, USA

 The Church gets into trouble

whenever it thinks it is in the church business rather than the Kingdom business. In the church business, people are concerned with Kingdom activities, all human behavior and everything God has made....
 Church people think about how to get people into the church; Kingdom people think about how to get the church into the world.

 A 'kingdom' is

a group of people ruled by one person, the 'king', who makes all the laws himself without their votes or approval. The concept is anathema to contemporary democracy and its confidence in government by the people, the naive assumption that majorities will always get it right. History does not encourage optimism. There have been more bad kings than good, even in God's chosen people Israel.

Behind our world's problems, which baffle our finest politicians and philosophers, lies a fundamental, racial and fatal error of having chosen the wrong king. Born into his kingdom, he has deceived us into thinking we can each of us be our own kingdom, inevitably clashing with each other, as individuals or nations. The only solution is to find the right king and become his loyal citizens. One day all

other kingdoms will be shaken to pieces but this will remain, for ever. Only then will the conflict, in which every one of us is involved, be resolved. *What the Kingdom Is to the Believers* Elevate Publishing DEVELOPING KINGDOM MENTALITY By RONALD G. HAIRSTON, SR. What Did Jesus Preach: Church or Kingdom? Taking on the mindset of being a citizen of the kingdom of God is

accessible to us as believers in Jesus Christ. The challenge to obtain the mind-set of the Kingdom is that first we must review our interpretation concerning the word church. In reading this book, you will find that our aim as believer in Christ is to seek the Kingdom first. With Kingdom Mentality we will exercise dominion in our lives and reflect Kingdom living while on earth. With

World Outreach, Bangalore, India Geerhardus Vos devotes this work to a discussion of Jesus' greatest focus in ministry -- the "kingdom of God" (and the "kingdom of heaven," which Vos takes to be referencing the same thing.) Vos begins by connecting Christ's teaching on the kingdom to the Old Testament and its concepts of a Messianic king. Then he moves into the conception of the kingdom during the New Testament with a cursory analysis of the pertinent Greek phrases (but largely accessible to a layman). From there, he moves into the kingdom as it is now, and as it will be in the new heavens and the new earth. Finally, the remaining chapters detail specific aspects and characteristics of the kingdom as it currently exists including the church as it is also compared to the kingdom, and as the means by which one gains entrance into the kingdom. Vos' enlightening treatment of this important theme in the Scriptures ought to be read, particularly by pastors, to assist in preaching and teaching on passages dealing with this vital subject.

There's a

reason Jesus taught us to pray “Thy Kingdom come . . .” and not “Thy church come.” The church clearly plays an important role in God’s plans. It was established by Christ, and he is its Head. But have we put too much emphasis on the church? Have we confused a means of participating in God’s Kingdom with the Kingdom itself? In Kingdom Come, church ministry consultant Reggie

McNeal reveals why it’s crucial to realign the church’s mission with God’s ultimate Kingdom agenda. You’ll discover how you can get in on—and help lead—the Kingdom movement currently underway. Join the mission to help the Kingdom break into our hearts . . . and break out into the world.

Seek first the kingdom of God and His righteousness. There are few dreams more spiritually intoxicating than the dream of being used by God to start a new community of Christ that skillfully brings the restorative gospel to a lost and broken city. Something which feels like a spiritual landslide that starts with lostness and ends in an avalanche of new congregations multiplying

and transforming community after community into which they unmistakably seep. Authors Jeff Christopherson and Mac Lake call readers to imagine a movement that vividly remembers the insubstantial days of a mustard seed with a sense of awe and wonder when looking at the indescribable harvest that stands all around. Though the kingdom of

God can't be forced by superficial methods, the good news is that when you move past the threshold of your competency and comfort, you find yourself in the very spot where God can use you like no other. What wouldn't you sacrifice to be a part of something that only could be described as a God-honoring gospel movement? *The School of Kingdom Ministry First Year Manual,, Second*

Edition Great Christian Books I wrote this book quite suddenly, feeling a deep sense of conviction and inspiration within me. In a day where everything is about 'image' and 'trend' and where it is incredibly challenging to stay rooted and established in the truth of what we believe the Heart of our King and His kingdom to look like, I felt a sense of urgency to write. This kingdom life

that we long for and deeply desire is not easily gained, even those with a true heart and pursuit after Jesus can find it challenging to stay the course especially when there are so many gimmicks and easier ways to 'do church'. (Although I have great admiration for everyone who's desiring to see anything of the God-Life on earth!) Initially, I've written it for 'sons and daughters' who have

taken up the mantle to build the kingdom as well as bless the world. We must be able to see signs of kingdom life as well as measure its depth. This book is written as an encouragement to keep going especially when it seems to be going slowly -- we are in a metamorphosis and our hearts and minds are becoming more like He is. It's all very good news and we have it! We are not

alone. We are part of something that flows from before. What we hold and carry is a unique vision. Don't ever give up, don't ever trade away a lifelong gift in order to satisfy a short term appetite!

 In Equipping Christians for

Kingdom Purpose in Their Work, Tom Lutz and Heidi Unruh offer advice to those who seek to influence the faith of people outside the church. Pastors, Christian educators, life coaches, workplace mentors, college professors, and any Christian who considers their vocation to be one of discipleship will find nourishment in this book. Few resources are designed for personal

disciplers—those who connect with other believers on a personal basis with a deep interest in their spiritual growth. This book fills the gap. This one-of-a-kind resource shows how to disciple others in and for their work. Most “faith and work” books focus on pastors and church programs, or they speak directly to workers. But this resource comes to the aid of those who offer spiritual

guidance to working Christians. This guide makes faith-and-work discipleship accessible to anyone who influences the faith of another. With short, readable chapters filled with case studies, examples, and practical resources, readers will learn how to equip others to fulfill their kingdom purpose in their work. Sample topics include: Principles for Effectively Connecting

with Adult Learners
 Structure for One-on-One Discipleship Meetings
 Research on Vocational Discipleship and Kingdom-Centered Spiritual Maturity
 Various Leadership Models
 Scripture Passages on Being an Image-Bearer
 Selected Scriptures for Faith and Work

 The kingdom of God is the called out people of God (Col. 1:1314) from the world of darkness as the spiritual family of Christ. The kingdom of God is bound up in the age of grace and truth and is the fulfillment of Gods promise to

Abraham to bless all nations of people. The kingdom of God in prophecy started during the Roman rule (Dan. 2:44) with the Jews at Pentecost in Jerusalem (ca. 33 AD) and then to the Gentile world to include our present age. Jesus reigns as Lord and Christ over His church / the kingdom of God in the twenty-first century and continues to call people of every nation to walk with Him by faith,

repentance, and baptism in His name until the consummation of all things and His second return. The Christian Age is the eschatology (Last Day events) of Jesus's reign under the leadership of the Holy Spirit through the preached Word. The salvation of the Gentile nations is the final work of God to restore what was lost in heaven through Satan and his angels (Rev. 12:7-10). When Jesus appears, his

reign ends, and the spiritual family and the church of Christ / kingdom of God will go home. *Kingdom Come Living Stream Ministry*
Are You Ready to be Immersed in the Waters of Innocence? Do you find yourself circling the same mountain, going through the same basic struggles with no forward momentum? Are you critical of others' lives or

ministry? You may need a baptism of innocence. In our pursuit of the kingdom of heaven, we often leave the place of humility and innocence by complicating God's grace; we can't forgive ourselves and hold others to a standard not held by God. By receiving the baptism of innocence, we return to the state of childlikeness that brings us into right relationship with Him and the body of Christ. The Baptism of

Innocence is a life-changer-- or more correctly, a kingdom-changer. Innocence will restore a measure of the kingdom of God that has been missing, and can actually be used as a powerful weapon against the enemy. What if we could get this? What would it do if we embraced innocence? The body of Christ would immediately become safer, more pleasing to the Father, and would have an

aroma that would attract the world to the church. This revelation will open the church up to receive both the purity and the power of Christ. Charlie has a powerful revelation of grace that makes all things new and reveals the bride adorned in the glory she was born for. -- Bill Vanderbush

 Men and

women have very different gifts, talents and perspectives, and we should celebrate these differences as we learn how they complement each other. Since God's design for all culture and society is family (growing out of the primary relationship of marriage), it

makes sense that the basic building block of God's Kingdom, the church, would also depend on both male and female leadership.
