Lora Leigh does it--in the lair of a strange breed, part man, part wolf, on the hunt for the woman he craves--and needs--to fulfill a hunger clawing at him from within. Angela Knight does it--in the psychic realm of a woman attuned to the touch of strangers--and the powerful temptations of a seductive and mysterious protector. Emma Holly does it--in the fantastic Demon World where a powerful Queen rules--until she commits the sin of falling in love with the handsome son of her worst enemy. Diane Whiteside does it--in an alternate universe of Regency magic where two lovers are threatened by a vicious mage, and swept up in a turbulent war off the Cornish cliffs.

Walters and Ruth Rendell, *Half Broken Things* is a novel that peers into the lives of three dangerously lost people...and the ominous haven they find when they find each other. Jean is a house sitter at the end of a dreary career. Steph is nine months pregnant and on the run. And Michael is a thief. Through a mixture of deceit, good luck, and misfortune, these three damaged loners have come together at a secluded country home called Walden Manor. Now all three have found what they needed most: a new beginning, a little kindness, a little love. Living off the manor's riches, tending its grounds and gardens, they leave the outside world far behind and build a happiness so long denied them. That is, until the first unexpected visitor arrives...igniting a chain reaction that is at once spellbinding and disastrous. A stunning, thought-provoking crime novel of chilling moral complexity, *Half Broken Things* is a gripping, haunting exploration of love and our need for it, of the damage done when we go long without it, and the deeds we might be driven to in its name.

Two-Spirit people, identified by many different tribally specific names and standings within their communities, have been living, loving, and creating art since time immemorial. It wasn't until the 1970s, however, that contemporary queer Native literature gained any public notice. Even now, only a handful of books address it specifically, most notably the 1988 collection *Living the Spirit: A Gay American Indian Anthology*. Since that book's publication twenty-three years ago, there has not been another collection published that focuses explicitly on the writing and art of Indigenous Two-Spirit and Queer people. This landmark collection strives to reflect the complexity of identities within Native Gay, Lesbian, Bisexual, Transgender, Queer, and Two-Spirit (GLBTQ2) communities. Gathering together the work of established writers and talented new voices, this anthology spans genres (fiction, nonfiction, poetry, and essay) and themes (memory, history, sexuality, indigeneity, friendship, family, love, and

loss) and represents a watershed moment in Native American and Indigenous literatures, Queer studies, and the intersections between the two. Collaboratively, the pieces in *Sovereign Erotics* demonstrate not only the radical diversity among the voices of today's Indigenous GLBTQ2 writers but also the beauty, strength, and resilience of Indigenous GLBTQ2 people in the twenty-first century. Contributors: Indira Allegra, Louise Esme Cruz, Paula Gunn Allen, Qwo-Li Driskill, Laura Furlan, Janice Gould, Carrie House, Daniel Heath Justice, Maurice Kenny, Michael Kobayashi, M. Yosano Akiko (1878-1942) is one of the most famous Japanese writers of the twentieth century. She is the author of more than seventy-five books, including twenty volumes of original poetry and the definitive translation into modern Japanese of the Tale of the Genji. Although probably best known for her exquisite erotic poetry, Akiko's work also championed the causes of feminism, pacifism, and social reform. Akiko's poetry is profoundly direct, often passionate, exposing the complexity of everyday emotions in poetic language stripped of artifice and presenting the full breadth of her poetic vision. Included are ninety-one of Akiko's tanka (a traditional five-line form of verse) and a dozen of her longer poems written in the modern style.

The poets of classical India regarded

love as the first and deepest of passions. Translator and scholar Andrew Schelling perfectly encapsulates the history and passion of eighth-century India in this collection. "A single stanza of the poet Amaru," declared a ninth-century poetry critic, "may provide the taste of love equal to what's found in whole volumes." Graceful and yet remarkably playful, intensely passionate, and at times hinting of divine transcendence, the poems translated here offer poignant glimpses into the many faces of erotic love. This collection, known in Sanskrit as the *Amarushataka* ("One Hundred Poems of Amaru"), was compiled in the eighth century and remains to this day one of India's finest collections of love poetry. Legend connects the poetry's authorship to King Amaru of Kashmir, while present-day scholars generally consider it an anthology of the verses of many poets.

Bitter Spirits National Geographic Books

This modern spiritual classic highlights a trick we play on ourselves and offers a brighter reality: liberation by letting go of the self rather than working to improve it. The Tibetan meditation master Chögyam Trungpa calls attention to the commonest pitfall to which every aspirant on the spiritual path falls prey: what he calls spiritual materialism. "The problem is that ego can convert anything to its own use," he says, "even spirituality." The universal tendency is to see spirituality as a process of self-improvement—the impulse to develop and refine the ego when the ego is, by nature, essentially empty. Trungpa's incisive, compassionate teachings serve to wake us up from these false comforts. Featuring a new foreword by his son and lineage holder, *Cutting Through Spiritual Materialism* has resonated with students for nearly thirty years—and remains as fresh as ever today.

Catch the Fire!!! Penguin

For thousands of years, India has excelled at erotic love poetry, and the genius of its devotional poetry often harnesses great energy and mystical insight. It is in fact often hard to tell whether the poets are offering poems of

spiritual longing using the garment of love poetry, or writing erotic poems in the guise of devotion. Perhaps, in a country where erotic sculpture routinely ornaments its many temples and the gods are known for their explosive sexuality, this question has little meaning to these remarkable writers. In their devotional traditions, eroticism and mysticism seem inseparable. This wonderful selection spans 2,500 years, and includes work originally sung or recited by their well-known bards: Kabir, Mirabai, Lal Ded, Vidyapati and Tagore. There are also poems from the Upanishad, from ancient Sanskrit poetry and Punjab folk lyrics. The poets have largely emerged from the ranks of the dispossessed: leather workers, refuse collectors, maidservants, women, & orphans. Their vision is of a democratic society in which all voices count, much like American gospel and blues, Shaker songs, or the grand vision of Walt Whitman. Often they faced persecution for speaking candidly, or daring to speak of spiritual matters at all. The notes include profiles of these legendary lives. Several of these poets simply vanished, absorbed into a deity, or disappeared in a flash of purple lightning. A few produced miracles—most of them have clouds of mystery around them. Andrew Schelling has drawn on the work of 24 other translators, including Ezra Pound, Robert Bly, W. S. Merwin, Jane Hirschfield and Denise Levertov, to build what will be the finest anthology of India's erotic and spiritual poetry for the general read ever assembled.

Cutting Through Spiritual Materialism University of Arizona Press
The overwhelming power of the erotic imagination is brought to full flower in this masterful collection of African-American writings. With pieces from

more than seventy writers, *Dark Eros* explores the erotic possibilities as imagined and reported by authors both well-known and emerging. Using the literary to trace the range of the erotic impulse, this collection of writers and writings---poetry, fiction, and essays---covers the length and breadth of styles and emotions in contemporary African-American writing. As editor Reginald Martin notes, "The pieces collected in this volume throb with the tempo and tenor of writers who have defined the erotic verve of our urban times. Los Angeles, New York City, Miami, New Orleans---every place there is a bus line or dance club has produced African-American eroticism..." The result is a volume that is both compelling and necessary---an exploration of the African-American through the erotic.

Classical Sanskrit literature boasts an exquisite canon of poetry devoted to erotic love. In *Erotic Poems from the Sanskrit*, noted translator and scholar R. Parthasarathy curates a selection in a new verse translation that introduces readers to Sanskrit poetry in a modern English vernacular. The volume features works by seventy-two poets, including seven women poets and thirty-five anonymous poets, primarily composed between the fourth and seventeenth centuries. It includes a detailed introduction that guides readers through Sanskrit poetic forms and explains how to read and appreciate the poems in English. *Erotic Poems from the Sanskrit* seeks to represent the breadth of Sanskrit poetry through the ages and to present a cohesive, thematically unified selection when read as a whole. The works in this volume depict licit and illicit love, speaking to the joys and sorrows of consummation and separation and a

broader cultural celebration of the pleasures of the flesh. Often sexually explicit, they are replete with recurrent scenarios and striking tactile, visual, and olfactory images, whose resonance and use as motifs across eras are expertly explained. Parthasarathy shows that Sanskrit poets are our contemporaries despite the centuries that separate us, as they speak simply and passionately to a wide range of human experience.

Erotic Poems from the Sanskrit offers English-speaking readers an enticing and tantalizing initiation into the riches and beauty of this venerable poetic tradition.
