RODERICK DOUGLAS

Chicago Trip Planner John Wiley & Sons

Any parent in search of novelty or time-saving hints and tips to help plan the perfect party should look no further! The ultimate celebration guide, Complete Party Planner will help you finesse life's special occasions, from birthday parties to Mother's Day, Fourth of July to Christmas. You'll find an assortment of fanciful party foods -- Avocado Frog Dip, Apple Smiles, and Cucumber Crocodiles -- easy and creative recipes that embody Annabel's signature attention to your child's health and tastes. Punches and cookies, dips and skewers, these party-tested crowd-pleasers are sure to be instant hits. Also included is Annabel's step-by-step introduction to mastering the basics of cake decorating, helping you create cakes that will impress children and parents alike. From the playful Burger and Fries cake to the delightful Princess cake, these recipes will transform any child's birthday into a memorable affair. Alongside the expansive collection of recipes are directions for cute invitations, party themes, silly games, hilarious contests, and neat party favors that will appeal to both boys and girls of all ages. Once you've conquered birthday parties, Annabel has included ideas for making holidays year-round easy, tasty, and above all, child-friendly. Whether it's choreographing the perfect Easter egg hunt or whipping up a cauldron of spooky witch's brew and some Dead Man's Fingers sandwiches, these no-fail activities will help assure that all your holiday celebrations are a smash.

The Party of Your Life Edda USA

Party planning can be stressful and overwhelming with all the logistics. When I set out to plan my son's 5th birthday party, I ran into many obstacles trying to find everything I needed from ONE PLACE. That's when I knew I had to share with others (the designated partyplanners) how to make party planning simple, stylish, and fun. This book is meant for anyone tasked to plan a party. This Party Planning Kick Start Guide will help you with just enough information to get you from start to finish with the party planning experience. This book is filled with ideas and templates to help guide you through the party planning journey and set you up for success for party execution!

The Art of Gathering Cedar Fort Publishing & Media

The Ultimate Disney Party Book is your perfect partner when throwing a party. Whether it's a birthday party, baby shower, celebration of a milestone, or barbeque, this book will make it a very special event. The book is divided into eight chapters based on Disney themes, including Aladdin, Disney Princesses, Toy Story, Mickey and Minnie, Monsters, Inc., Wreck-it Ralph, Planes, and Captain Hook. Each chapter contains instructions for invitations, decorations, crafts, activities, and recipes -- all celebrating favorite characters and films Flying Carpet Invitations, a Hidden Mickey Scavenger Hunt, Mike Wazowski Cupcakes, the "I'm Gonna Wreck It!" Penthouse Pinata, and Belle's French Baguette Sandwiches are just a sampling of the projects that are presented with detailed, easy-to-follow instructions and photographs. This unique book makes any party a celebration to remember for a lifetime.

Two Peas & Their Pod Cookbook Grand Central Publishing

What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of Understanding by Design. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have

greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of Understanding by Design apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of Understanding by Design offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

Party Time Artisan

"Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive—which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Party Like a Rock Star Capstone

Event Planner Because Badass Miracle Worker Isn't an Official Job Title Entrepreneur Press

A top Hollywood party planner on how to design a wide range of fabulous fêtes Jes Gordon knows that girls just want to have fun. In *Party Like A Rock Star*, she shows them how. Gordon—a party-planner extraordinaire who has helmed events for the likes of Madonna, Barbra Streisand, Nicolas Cage, and Jennifer Lopez—presents a fun, comprehensive guide to event planning that reveals her tried-and-true secrets, culled over twenty years in the biz. With color photos throughout, but with

step-by-step details that make the book much more than another impossibly perfect photo shoot, Gordon shows readers exactly how to create a unique event, one that reflects their own personalities and individual aesthetics. This hip, easy-to-follow guide will transform anyone's approach to entertaining—from birthday parties to baby showers to anniversaries. Topics include: *Creating a concept for any party—a concept that reflects you *How to budget—from a small soiree to a big bash *Stocking a home bar and whipping up smart cocktails *Whetting guests' appetites—with insider secrets from chefs *Being a flawless host—or guest *Etiquette guidelines and gift ideas *How to produce a party from beginning to end—colorful case studies and detailed instructions

Kara's Party Ideas Rowman & Littlefield

Incite 2nd grade students enthusiasm to learn using technology in the curriculum! You'll enhance learning and encourage high-order thinking by incorporating a technology project for every week of the school year. Students will develop key technology skills in word processing, spreadsheets, multimedia presentations, and using the Internet while you teach regular classroom content. Lessons are divided among content areas, and the flexible projects are great for computer centers, labs, or one-computer classrooms. The easy-to-follow teacher instructions and step-by-step student directions make this resource a hit in the classroom. The included Teacher Resource CD contains sample projects, templates, and assessment rubrics. 160pp.

Clever Girl Finance Simon and Schuster

Filled with sleepover tips, tricks, and party planning ideas, this novelty book comes with an exclusive Littlest Pet Shop pet. Full color. Consumable.

Complete Party Planner Penguin

Gardening YouTube sensation Huw Richards shows how to inexpensively grow year-round vegetables from just one raised bed. Keyed to a temperate coastal climate but adaptable to variations in temperature and rainfall, Huw's clear, practical advice will help you produce a bountiful harvest with minimal space and effort. In just one raised bed, green thumb wunderkind Huw Richards shows you how to grow vegetables easily, organically, abundantly, and inexpensively so you have something to harvest every month of the year. Month by month, discover what you need to do and how to do it. Try it in your yard, a small garden, or even on a roof terrace. Everything is explained in clear, photographed steps: building your bed, growing from seed, planting, feeding, and harvesting. Huw shows how to guarantee early success by starting off young plants on a windowsill. He suggests what to grow in each part of the bed and provides alternative vegetables to swap in or out depending on what you like eating. No-dig gardening methods remove most of the back-breaking work, too. Veg in One Bed goes beyond the inspiring demonstrations on his YouTube channel Huw's Nursery. In this book, he organizes all of his ideas and suggestions into a blueprint for growing your own vegetables month by month. Very little growing experience? Only a small space? No matter--with Veg in One Bed, you can still eat food you have grown throughout the year.

Party Planning Kick Start Guide Santa Monica Press

Based on the column of the same name that appeared in *The Toast*, *Hey Ladies!* is a laugh-out-loud read that follows a fictitious group of eight 20-and-30-something female friends for one year of holidays, summer house rentals, dates, brunches, breakups, and, of course, the planning of a disastrous wedding. This instantly relatable story is told entirely through emails, texts, DMs, and every other form of communication known to man. The women in the book are stand-ins for annoying friends that we all have. There's Nicole, who's always broke and tries to pay for things in Forever21 gift cards. There's Katie, the self-important budding journalist, who thinks a retweet and a byline are the same thing. And there's Jen, the DIY suburban bride-to-be. With a perfectly pitched sardonic tone, *Hey Ladies!* will have you cringing and laughing as you recognize your own friends, and even yourself.

How to Have So Much Fun the Kids Don't Know They Are Learning Createspace Independent Publishing Platform

This cool title introduces kids to planning different kinds of slumber parties such as spa, art, camping and more.
