The A Team Sheet Music Hal Leonard Corporation

Encourage your children's sense of wonder and faith with I Can Only Imagine, inspired by the hit song by MercyMe. This beautiful picture book will capture your family's childlike faith and imagination. I Can Only Imagine asks questions a child might ask and invites families to wonder together: What is heaven like? What does God do? What would it be like to spend a day with Jesus? Children will see that although experiencing the glory of heaven may be far off, we can enjoy a friendship with Jesus every day - right here on earth. Whimsical, playful illustrations and thought-provoking questions make this a book that families will cherish. Fun and vibrant illustrations offer a vivid visual and will help your children see that God can be found everywhere, every day. I think about heaven as I look up at the sky And watch the fluffy clouds roll by. The more I imagine, the more I wish I knew. I wonder, would God like pancakes with extra syrup too? And if God and I spent the day together, what exactly would we do? The Christian worship song "I Can Only Imagine" touched countless lives with its glorious representation of being in the presence of God, and this beautifully illustrated picture book invites you and your children to imagine those same wonders. Share the joy of a personal relationship with the Lord with your family today through the creative, faith-filled book I Can Only Imagine.

Hal Leonard Corporation

"This volume represents the first ever collection of essays on Leonard Cohen to be published in the UK and one of the very first to be produced internationally. The essays range from unique insights offered by Cohen's award-winning, authorised biographer Sylvie Simmons through to discussions of major themes in Cohen's output, such as spirituality and desire, and include creative reflections from a filmmaker and poets upon their own creative response to his practice. Emerging from a one day symposium organised by Professor Peter Billingham at the University of Winchester, UK, to celebrate Cohen's 80th birthday, this Festschrift collection represents a uniquely stimulating, insightful and provocative discussion of the songs and poems of Leonard Cohen, combining academic rigour with serious engagement with this remarkable poet

and singer-songwriter. In the wake of the tragic news of Cohen's passing in late 2016, with a legacy of iconic favourites such as "Suzanne" and "Bird on the Wire" through to more recent worldwide

successes such as "Hallelujah" and "Anthem", this book is a must-read for cultural studies scholars and Cohen aficionados alike."
