Dom Casmurro
CLASSICS PRESS
A small, furious masterpiece of dominance and submission. A pair of lovers—a young female journalist and an older man who owns an isolated farm in Brazil—spend the night together. The next day they proceed to destroy each other. Amid vitriolic insults

and scorching cruelty, their sexual adventure turns into a savage power game between two warring egos. This intense, erotic masterpiece—written by one of Brazil’s most highly regarded modernists—explores alienation, arrogance, machismo meltdown, the desire to dominate, and the wish to be dominated.

Dom Casmurro Peter Lang Limited, International Academic Publishers
This study brings us

closer to understanding the relationship between fashion and literature. In Machado de Assis' *Dom Casmurro*, fashion serves as a literary strategy that supports the ironic approach of the book. This book gives insight into Brazilian society in transition at the end of the nineteenth century. *A Cup of Rage* Prabhat Prakashan "Dom Casmurro" from Machado de Assis. Escritor brasileiro, amplamente considerado como o maior nome da literatura nacional (1839-1908). *DOM CASMURRO* Macmillan New York Times Critics' Best of the Year A landmark event, the complete stories of Machado de Assis finally appear in

English for the first time in this extraordinary new translation. Widely acclaimed as the progenitor of twentieth-century Latin American fiction, Machado de Assis (1839-1908)—the son of a mulatto father and a washerwoman, and the grandson of freed slaves—was hailed in his lifetime as Brazil's greatest writer. His prodigious output of novels, plays, and stories rivaled contemporaries like Chekhov, Flaubert, and Maupassant, but, shockingly, he was barely translated into English until 1963 and still lacks proper recognition today. Drawn to the master's psychologically probing tales of fin-de-siecle Rio de Janeiro, a world populated with

dissolute plutocrats, grasping parvenus, and struggling spinsters, acclaimed translators Margaret Jull Costa and Robin Patterson have now combined Machado's seven short-story collections into one volume, featuring seventy-six stories, a dozen appearing in English for the first time. Born in the outskirts of Rio, Machado displayed a precocious interest in books and languages and, despite his impoverished background, miraculously became a well-known intellectual figure in Brazil's capital by his early twenties. His daring narrative techniques and coolly ironic voice resemble those of Thomas Hardy and Henry James, but more than either of these writers, Machado

engages in an open playfulness with his reader—as when his narrator toys with readers' expectations of what makes a female heroine in "Miss Dollar," or questions the sincerity of a slave's concern for his dying master in "The Tale of the Cabriolet." Predominantly set in the late nineteenth-century aspiring world of Rio de Janeiro—a city in the midst of an intense transformation from colonial backwater to imperial metropolis—the postcolonial realism of Machado's stories anticipates a dominant theme of twentieth-century literature. Readers witness the bourgeoisie of Rio both at play, and, occasionally, attempting to be serious, as depicted by

the chief character of “The Alienist,” who makes naively grandiose claims for his Brazilian hometown at the expense of the cultural capitals of Europe. Signifiers of new wealth and social status abound through the landmarks that populate Machado’s stories, enlivening a world in the throes of transformation: from the elegant gardens of Passeio Público and the vibrant Rua do Ouvidor—the long, narrow street of fashionable shops, theaters and cafés, “the Via Dolorosa of long-suffering husbands”—to the port areas of Saúde and Gamboa, and the former Valongo slave market. One of the greatest masters of the twentieth century, Machado reveals

himself to be an obsessive collector of other people’s lives, who writes: “There are no mysteries for an author who can scrutinize every nook and cranny of the human heart.” Now, *The Collected Stories of Machado de Assis* brings together, for the first time in English, all of the stories contained in the seven collections published in his lifetime, from 1870 to 1906. A landmark literary event, this majestic translation reintroduces a literary giant who must finally be integrated into the world literary canon.

**Posthumous
Memoirs of Brás
Cubas: A Novel**

Liveright Publishing
One night, coming from the city to Engenho Novo, I met on the Central train a

young man from the neighborhood, whom I know by sight and wearing a hat. He greeted me, sat next to me, talked about the moon and the ministers, and ended up reciting verses to me. The journey was short, and the verses might not have been entirely bad. It happened, however, that as I was tired, I closed my eyes three or four times; it was enough for him to stop reading and put the verses in his pocket. *Dom Casmurro* Google Play Public Domain “Is it possible that the most modern, most startlingly avant-garde novel to appear this year was originally published in 1881?”—Parul Sehgal, *New York Times* Now considered a progenitor of South

American fiction, Machado de Assis’s highly experimental novel is finally rendered as a stunningly contemporary work. Narrating from beyond the grave, *Brás Cubas*—an enigmatic, amusing and frequently insufferable antihero—describes his childhood spent tormenting household slaves, his bachelor years of torrid affairs, and his final days obsessing over nonsensical poultices. “Rejuvenated” (Pradeep Niroula, *Chicago Review of Books*) by Margaret Jull Costa and Robin Patterson’s fresh new translation, *Posthumous Memoirs of Brás Cubas* is a work of acerbic mockery and deep pathos that offers a bird’s-eye view of

how Machado de Assis launched the canon of modernist fiction. "Sprinkled with epigrams, dreams, gags and asides, the story teases, dances and delights."—Economist *Dom Casmurro* 2.13.61 Publications

Bem-vindo ao maravilhoso mundo de Machado de Assis. Nesta edição clássica do seu romance *Dom Casmurro*, trazemos até si esta admirável peça literária do final do século XIX e início do século XX. *Dom Casmurro* é um romance escrito por Machado de Assis em 1899. Foi escrito para sair diretamente em livro, o que ocorreu em 1900, embora com data do ano anterior. Completa a "trilogia realista" de Machado de Assis, ao lado de

Memórias Póstumas de Brás Cubas e *Quincas Borba*, tendo sido esses dois escritos primeiramente em folhetins. Seu personagem principal é Bento Santiago, o narrador da história que, contada em primeira pessoa, pretende "atar as duas pontas da vida", ou seja, unir relatos desde sua mocidade até os dias em que está escrevendo o livro. Entre esses dois momentos Bento escreve sobre suas reminiscências da juventude, sua vida no seminário, seu caso com Capitu e o ciúme que advém desse relacionamento, que se torna o enredo central da trama. Ambientado no Rio de Janeiro do Segundo Império, se inicia com um episódio que seria recente em

que o narrador recebe a alcunha de "Dom Casmurro", daí o título do romance. Machado de Assis o escreveu utilizando ferramentas literárias como a ironia e uma intertextualidade que alcança Schopenhauer e sobretudo a peça Otelo de Shakespeare. Ao longo dos anos, Dom Casmurro, com seus temas como o ciúme, a ambiguidade de Capitu, o retrato moral da época e o caráter do narrador, recebeu inúmeros estudos, adaptações para outras mídias e sofreu inúmeras interpretações, desde psicológicas e psicanalíticas na crítica literária dos anos 30 e dos anos 40, passando pelo feminismo na década de 1970 até sociológicas da década

de 1980, e adiante. Creditado como um precursor do Modernismo e de ideias posteriormente escritas por Sigmund Freud, o livro influenciou os escritores John Barth, Graciliano Ramos e Dalton Trevisan e é considerado por alguns a obra-prima de Machado de Assis. Além de ter sido traduzido para outras línguas, continua a ser um de seus livros mais famosos e é considerado um dos mais fundamentais de toda a literatura brasileira. Esperamos que tenha tanto prazer a ler esta obra clássica quanto aquele que nós, na Mogul Edições Clássicas, tivemos a trazer-lha até si. Dom Casmurro Yale University Press Retired Dreams

discusses Machado de Assis's *Dom Casmurro*, Brazil's greatest novel and one of the little-recognized masterpieces of all the Americas. Published precisely at the turn of the century, *Dom Casmurro* can be considered a literary milestone, giving the last word on the tradition of the realistic bourgeois novel and opening the door to the preoccupations of contemporary writers. The book is pervaded by a sense of change; its narrator/protagonist seems caught between a primitive mentality of archetype and a consciousness of the transitory modern world. *Retired Dreams* explores this tension. Dixon identifies the quest myth, highly displaced, as

the underlying narrative model and the shaper of the narrator's thinking. He devotes separate chapters to the function of time, to the rebirth motif, the role of matriarchy and patriarchy, the voyage motif and woman as anima, and symbols and primitivism. Particular attention is given to the role of the major tropes (metaphor, metonymy, synecdoche, and irony) as devices permitting both the connection and the distancing between the tradition of heroic discourse and the domesticated, unheroic reality of the novel's characters. Through this rhetorical-mythic lens, the book examines many of the factors that have continued to fascinate both general

readers and critics -
the work's
ambiguous plot and
characterization its
problematic ideology
its self-conscious
artistry and its cosmic
vision.

Machado de Assis ist
der unumstrittene
Leitstern unter den
Klassikern Brasiliens,
sein literarisches
Vermächtnis ein
Feuerwerk an Witz und

Originalität. Unterhaltsam und mit feiner Ironie erzählt er von einer großen Liebe, von Eifersucht und der Macht des Zweifels. Wie viele große Liebesgeschichten beginnt auch diese im Verborgenen: Nur heimlich dürfen Bento und Capitu sich treffen, denn der junge Mann soll in den Dienst der Kirche treten. Als es Bento gelingt, dem Priesterseminar zu entfliehen und Capitu zu heiraten, ist das Glück zunächst perfekt. Da fällt Bento plötzlich auf, dass sein Sohn seinem besten Freund Escobar verblüffend ähnlich sieht. Bento zieht seine Schlüsse... Hat Capitu ihn betrogen – oder hat sie nicht? Diese Frage treibt Bento immer noch um, als er im

fortgeschrittenen Alter sein Leben Revue passieren lässt. Und auch wenn er, der sich selbst für ein Muster an Tugendhaftigkeit hält, keinen Zweifel hegt: Der Leser wird bald misstrauisch, scheint «Dom Casmurro» – «Herr Griesgram», wie die Leute ihn inzwischen getauft haben – doch nicht gerade ein verlässlicher Zeuge der Vergangenheit. Machado de Assis (1839–1908) erzählt die Geschichte einer Ehe vor dem Hintergrund dramatischer Umbrüche. Die Moderne hält Einzug in Brasilien, und mit ihr die Unsicherheit und die Sehnsucht nach dem Altbewährten. «Dom Casmurro» handelt von Krisen und Veränderung. Es

handelt von den Sorgen der Brasilianer am Ende des 19. Jahrhunderts. Und indirekt auch von denen, die sich heute, in Zeiten globaler Schuldenkrisen, einstellen» (Kersten Knipp).

Machado De Assis

Liveright Publishing
A masterpiece of realism, Machado de Assis's *Dom Casmurro* probes the mind of a distrustful husband with delusions of grandeur. Originally published in 1899, *Dom Casmurro* is widely considered to be Joaquim Maria Machado de Assis's masterpiece and a

progenitor of twentieth-century Latin American fiction. This exuberant new translation captures all the hilarious, maddening, and utterly compelling idiosyncrasies of one of Machado's most complex characters. Bento Santiago, our charismatic yet exceedingly unreliable narrator, nicknamed by his enemies Dom Casmurro, has become a bit of a recluse in old age. He spends his days reading and mourning the past in a house built as a replica of his childhood home. One day, musing over the painted busts of Nero, Augustus, Masinissa, and Caesar, he is inspired to write his own story, a tale of equally epic proportions. Or so, at least, he thinks. "Yes,

let us begin by evoking a famous November afternoon, one I will never forget," he writes, recalling the day he fell in love with his childhood sweetheart, Capitu. Thus he transports readers back to his youth in a once fashionable neighborhood, when he and Capitu were neighbors playing innocently in the backyard. But after overcoming many obstacles, Bento's happy-ever-after ending proves short-lived when he is consumed by paranoia and jealousy. At once oblivious and obsessive, Bento becomes a strangely engaging antihero as he mines the repercussions of his suspicions against the backdrop of a rapidly

modernizing Rio de Janeiro. Eloquently translated by Margaret Jull Costa and Robin Patterson—the same duo that sparked a Machado renaissance with their brilliant translations of *The Collected Stories and Posthumous Memoirs of Brás Cubas*—and brimming with his signature charm, Dom Casmurro is a subversive and groundbreaking dark comedy from one of Brazil's greatest authors.

intrigue.

**The Braziliam
Othello of Machado**

de Assis Univ of California Press
The Good Soldier A Tale of Passion by Ford Madox Ford At the fashionable German spa town Bad Nauheim, two wealthy, fin de siecle couples - one British, the other American - meet for their yearly assignation. As their story moves back and forth in time between 1902 and 1914, the fragile surface propriety of the pre - World War I society in which these four characters live is ruptured - revealing deceit, hatred, infidelity, and betrayal. "The Good Soldier" is Edward Ashburnham, who, as an adherent to the moral code of the English upper class, is

nonetheless consumed by a passion for women younger than his wife - a stoic but fallible figure in what his American friend, John Dowell, calls "the saddest story I ever heard."

Dom Casmurro

Macmillan
Set in the highlands of the Mexican state of Chiapas, The Book of Lamentations tells of a fictionalized Mayan uprising that resembles many of the rebellions that have taken place since the indigenous people of the area were first conquered by European invaders five hundred years ago. With the panoramic sweep of a Diego Rivera mural, the novel weaves together dozens of plot lines, perspectives, and characters. Blending a wealth of historical

information and local detail with a profound understanding of the complex relationship between victim and tormentor, Castellanos captures the ambiguities that underlie all struggles for power. A masterpiece of contemporary Latin American fiction from Mexico's greatest twentieth-century woman writer, *The Book of Lamentations* was translated with an afterword by Ester Allen and introduction by Alma Guillermoprieto.

Resurrection Univ of California Press
Machado de Assis is among the most original creative minds in Brazil's rich, four-century-long literary tradition. Caldwell's critical and biographical study

explores Machado's purpose, meaning, and artistic method in each of his nine novels, published between 1872 and 1908. She traces the ideas and recurrent themes, and identifies his affinities with other authors. In tracing Machado's experimentation with narrative techniques, Caldwell reveals the increasingly subtle use he made of point of view, sometimes indirect or reflected, sometimes multiple and "nested" like Chinese boxes. Caldwell shows the increasing sureness with which he individualized his characters, and how, in advance of his time, he developed action, not by realistic detail, but by the boldest use of allusion and symbol. Each novel is shown to

be an artistic venture, and not in any sense a regurgitation from a sick soul as some critics have argued. In searching out the unity of his novels, Caldwell explores the other aspects of Machado's intellectual life--as poet, journalist, playwright, conversationalist, and academician. Of particular interest is her attention to his shift away from the social criticism of his early novels into the labyrinth of individual psychology in the last five--all of which rank among the world literature. But this perceptive account never loses sight of the one element present in every piece of Machado's fiction, in every one of his personages; that is, superlative comedy, in

its whole range: wit, irony, satire, parody, burlesque, humor. Altogether, Caldwell reveals to us a writer, in essence a poet, who is still the altus prosator of Brazilian letters. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1970.

Introducing Dom Casmurro by Machado de Assis Experience one of the greatest Brazilian novels of all time with the new edition of Dom Casmurro by Machado de Assis. This literary masterpiece is now available in an improved format that will transport you straight into the story. For over a century, Machado de Assis' "Dom Casmurro" has enraptured readers with its gripping tale of love, betrayal, and suspicion. Set in Rio de Janeiro, this Brazilian classic follows the life of Bento Santiago, also known as Dom Casmurro, as he

navigates the complexities of his tumultuous marriage to childhood love, Capitu. What makes "Dom Casmurro" such a beloved work of literature is its unbridled exploration of the human psyche. De Assis' unparalleled attention to detail forces the reader to consider the nature of truth and the fallibility of memory. Bento's quest to uncover the truth about his wife's fidelity forces the reader to question everything they once believed about the characters they've grown to love. It's this level of emotional complexity that sets "Dom Casmurro" apart from other works of classical literature. The novel's deeply human story resonates with readers of all

backgrounds and experiences, as we are all subject to the unpredictable twists and turns of love and betrayal. But what truly cements "Dom Casmurro" as a classic novel is de Assis' masterful and timeless prose. His vivid descriptions evoke the lush and vibrant streets of Rio de Janeiro, while his insightful commentary on the nature of society leave a lasting impact on the reader. As you delve into the world of "Dom Casmurro", you'll find yourself unable to put the book down. It's a work of fiction that delves into the depths of the human experience, leaving you breathless and spellbound until the very last page. Step into the World of Dom

Casmurro with Our Exclusive Book Layout With its chapters and numbered sections, clear language, and exclusive indexes, our edition of Dom Casmurro is the perfect way to dive into this complex and multi-layered novel. Comprehensive Indexes and a Detailed Table of Contents for Easy Reading Unlike other editions, our version features four exclusive indexes: a subject index, a characters index, an events index, and a places index. This makes it easy to track the important people,

places, and themes throughout the novel.

A Companion to Latin American Literature

CreateSpace

The Brazilian Joaquim Maria Machado de Assis, born in Rio de Janeiro in 1839, is regarded as the greatest Latin-American novelist of the nineteenth century. Dom Casmurro (1899) is one of his most important works. Its narrator, Bento, who is also its central character, sets out to convince the reader, on insufficient grounds, of the adultery of his wife, Capitu. The complexity and irony which results from this mode of presentation have led critics to see Dom Casmurro as a precursor of the fictional experimentation of the

twentieth century. This book argues, against the critical consensus, that Machado's work is in essence realist, and that Dom Casmurro in particular offers a coherent and disenchanted vision of Brazilian society in the reign of Pedro II. Slavery, the "religious question", the relationship between traditional values and developing capitalism, even the Paraguayan War - all lie ominously concealed in the background to the domestic history of Bento and Capitu. John Gledson begins his analysis of Dom Casmurro by negotiating the labyrinth of Bento's narration; in the first chapter he shows that there is not only another possible version of the events

related by Bento, but also another Bento, a sinister representative of his social class. The second chapter establishes the "true" plot of the novel, drawing its origins both from Machado's earlier fiction and from the patriarchal and paternalistic society of the period. Chapters three and four explain how various key episodes must be allegorically understood as part of Machado's vision of the politics and ideology of the Second Reign. The concluding chapter, summing up the main strands of the argument, points out that the habits of thought which govern the narration are also those which govern the class and society to which Bento belongs. The argument

throughout is supported by extensive quotations from the Portuguese, with English translation. This study of Dom Casmurro lays the basis for a more "realistic" and comprehensive understanding of a major novelist. It has important implications for the general study of the late nineteenth-century and early twentieth-century novel, as well as for the history of Brazilian and Latin-American literature.

The Good Soldier Globo Livros
 Novelist, poet, playwright, and short story writer Joaquim Maria Machado de Assis (1839–1908) is widely regarded as Brazil's greatest writer, although his work is still too little read

outside his native country. In this first comprehensive English-language examination of Machado since Helen Caldwell's seminal 1970 study, K. David Jackson reveals Machado de Assis as an important world author, one of the inventors of literary modernism whose writings profoundly influenced some of the most celebrated authors of the twentieth century, including José Saramago, Carlos

Fuentes, and Donald Barthelme. Jackson introduces a hitherto unknown Machado de Assis to readers, illuminating the remarkable life, work, and legacy of the genius whom Susan Sontag called "the greatest writer ever produced in Latin America" and whom Allen Ginsberg hailed as "another Kafka." Philip Roth has said of him that "like Beckett, he is ironic about suffering." And Harold Bloom has remarked of Machado that "he's funny as hell."
