I Spy With My Little Eye - Christmas
 Cartwheel Books

“The undisputed king of the comic crime novel.” —Providence Journal Nobody does Florida weirdness quite like Tim Dorsey! Case in point: When Elves Attack, the New York Times bestselling author’s twisted Christmas present to his legion of adoring fans who can’t get enough of thrill-killer and Sunshine State historian Serge A. Storms, the most endearing psychopath since Dexter. Dorsey offers the perfect antidote for all those sappy feel-good holiday stories with this zany blockbuster extravaganza in which his wonderfully deranged serial killer Floridaphile delivers his special brand of Christmas cheer. More outrageous than Santa Claus in a Speedo, When Elves Attack serves up a Yuletide feast of the “pure gonzo humor” the New York Times Book Review enthusiastically attributes to this fearlessly funny writer.

Think Bad Santa and National Lampoon’s Family Vacation, blend in Dorsey’s trademark appetite for destruction, and you’ve got hilarious crime fiction black comedy that anyone would be thrilled to discover stuffed in their Christmas stocking.

An abandoned rock quarry, mysterious flying objects, and a valuable deposit of titanium lead the five Hollister children--Pete, Pam, Ricky, Holly, and Sue--into their latest thrilling adventure. When a package of instruments from a weather balloon is parachuted onto their front lawn, the Hollisters are baffled and very excited. Just what is the meaning of the orange parachute and its dangling white box? The Hollisters connect the balloon with the strange lights which have been appearing at night over their Shoreham home, and once again they start off on a trail of detection. A chance visit to a local "rock hound," a man who collects minerals, proves to be the clue to the puzzle. Then their detective work takes them to a fantastic, spooky rock quarry which turns

out to be the location of a hidden laboratory for weather experiments and also the scene of an attempt to steal some valuable titanium. As always, the Hollisters have several breath-taking experiences along the way to solving their mystery. Pam accidentally falls into the cold, green waters of the quarry pool where a monster is said to live! Pete and Ricky inspect an old-fashioned open cockpit airplane and suddenly find themselves flying in the sky without a pilot--without knowing how to land! As the Castle Rock mystery thickens, the Hollisters make an unexpected visit to New York where they see their old friend Hootnanny Gandy who helps them get to the bottom of another fascinating adventure.
