Best of Creedence Clearwater Revival (Songbook) IGI Global
An Anthology of Australian Albums offers an overview of Australian popular music through the lens of significant, yet sometimes overlooked, Australian albums. Chapters explore the unique qualities of each album within a broader history of Australian popular music. Artists covered range from the older and non-mainstream yet influential, such as the Missing Links, Wendy Saddington and the Coloured Balls, to those who have achieved very recent success (Courtney Barnett, Dami Im and Flume) and whose work contributes to international pop music (Sia), to the more exploratory or experimental (Curse ov Dialect and A.B. Original). Collectively the albums and artists covered contribute to a view of Australian popular music through the non-canonical, emphasizing albums by women, non-white artists and Indigenous artists, and expanding the focus to include genres outside of rock including hip hop, black metal and country.

Uncommon People Hal Leonard Corporation

The editors of this legendary and hilarious anthology write: "It would seem at a hasty glance that to make an anthology of Bad Verse is on the whole a simple matter . . . On the contrary . . . Bad Verse has its canons, like Good Verse. There is bad Bad Verse and good Bad Verse. It has been the constant preoccupation of the compilers to include in this book chiefly good Bad Verse." Here indeed one finds the best of the worst of the greatest poets of the English language, masterpieces of the maladroitness by Dryden, Wordsworth, and Keats, among many others, together with an index ("Maiden, feathered, uncontrolled appetites of, 59;. . . Manure, adjudged a fit subject for the Muse, 91") that is itself an inspired work of folly.
