Baby Shower Guest Book - Other Detail: Great gift idea 6" x 9" - perfect versatile size Beautifully designed cover with SOFT Velvety Matte finish. Made in the USA We know that planning the perfect baby shower can be a daunting task. Whether you're the mommy-to-be or her best friend, it seems like everything's been done before. Don't let that get you down. Even though someone else came up with that awesome baby shower idea you saw on the internet, you can use it as inspiration for your own party. Record the names of the special guests attending your baby shower and the descriptions of all the thoughtful messages, cards, and gifts awaiting

the sweet baby arrival. Baby showers can be playful and fun, or relaxed and elegant. It really depends on what mom wants and what she's feeling up to. Even though mom doesn't usually plan her own baby shower, it's always good to ask for her thoughts on the activities that are being planned. At the end of the day, the most important thing is for mom -- and dad, if it's a co-ed baby shower -- to enjoy the day and to receive lots of love, gifts, and good wishes. After all, the new baby will be here in no time, and a baby shower is a wonderful way to spend some time surrounded by loved ones before the big day is here! Welcome Baby

Bouncing back fast after having a baby is absolutely possible for anyone! Affectionately known as The FAB Mom on-air and online, Jill Simonian uses her trusted and entertaining expertise to set expecting and new moms on a distinctive, no-frills journey to help them "get over the bump" and bounce back fast after having a baby. Jill's frank tricks, somewhat against-the-grain tips, and laugh-out-loud tales involving famous names provide first-time moms a unique roadmap for managing and conquering the lifestyle challenges a newborn often brings. The FAB Mom's Guide offers a motivational style and practical solutions to inform, inspire, and empower even the most uncertain of new moms. From hanging an oversized mirror in your kitchen to opting out of nursing to spending entire days wearing only your underwear and beyond, Jill Simonian can help a new mother get

organized, have fun, and feel in-control, happy, and reinvented within six months of having a baby. Encouraging women to tune out the drama and arming them with useful talk and tools to minimize exhaustion and maximize focus, Jill uncovers and reshapes the status quo for how FAB (an acronym for: Focused After Babies) a new mom's sense of self and life can truly be.
