LETICIA EWING

Scenes of Familiar Life Didier Jeunesse

A beautiful book that showcases how circus figures and artifacts have been portrayed in art over the past two centuries. The circus is a dazzling world filled with acrobats and harlequins, tumblers and riders, monsters and celestial creatures. Now this engaging book sets that world in a new light, examining how painters, sculptors, and photographers from the eighteenth century to the present have used the circus as a springboard for their imaginative expression and have envisioned the clown as a metaphor for the modern artist. The book presents more than 175 works by such artists as Degas, Toulouse-Lautrec, Rouault, Picasso, Chagall, and Léger. Some of these are masterful works shown for the first time; these range from the 18-meter stage curtain Picasso designed in 1917 for Erik Satie's ballet *Parade* to more intimate works such as Nadar and Tournachon's photographs of Pierrot as played by celebrated mime Charles Debureau.

'O': *cirque du soleil at Bellagio* Walker Childrens

When Father Neal deciphers a voodoo message with a dire warning, he reveals he is part of the Order of the Five Sorrows—a group dedicated to fighting evil with the use of holy objects present at Christ's crucifixion—and Aidan is destined to become a member. The supernatural unleashed . . . Still reeling from Father Neal's revelation, Aidan assists his friend Brian by investigating a series of unexplained events at his farm, including eerie lights in the fields at night and his daughter's fixation with an invisible friend. After women with mysterious powers, who are hunting down a witch from the 1600s, appear, the group embarks on a perilous journey to destroy the Dark Bride before the Grinning Man's true purpose can come to pass . . . but they will be drawn into a horrific battle that some will not survive.

The Circus Pony ; Le Poney Du Cirque iUniverse

"From the author of *The Missing Bishop* and *Monastery Nightmare* comes one of the most memorable heroes since the eponymous protagonist of *Fletch*. Birch Kirby is a middle-aged private eye

with a penchant for drinking too much, singing Irish barroom songs, and befriending \$25-a-night ladies-of-the-night. He is not exactly the smoothest private eye in Chicago. But the CIA has noticed Kirby. They like his style. Nobody can be as genuinely inept as Kirby pretends to be, and they need someone with his imagination. After all, strange things are going on in the town of Grizzly Gulch, Illinois. The KGB keeps transmitting secret messages that, when decoded, read "SAMD+23." The CIA has been scratching their heads over that one, but they expect Kirby to break the case. Three months behind in his rent, Kirby answers the call of duty and goes into deep cover as the bullpen catcher for the Grizzly Gulch No Sox, only to end up fighting off the No Sox's nymphomaniacal owner, Matilda Richwell, instead of the KGB. But through bumbles and accidents that would make Chevy Chase blush, Birch Kirby learns the meaning of SAMD+23. The struggle to save the world from ultimate catastrophe becomes the dramatic mainspring of this crisply written, cracklingly entertaining novel of high jinks and serious conniving."

Dark Bride Bloomsbury Publishing

Pierre Pony has a dreamy life on a farm in the South of France until hard times come and he must be courageous. Pierre does not give up. He works very hard to accomplish his dream. This book is an inspirational children's story that shows courage, kindness, and friendship in a beautiful setting. Colorful images and descriptions will captivate the reader.

Cirque Du Soleil Magellan et Cie

Au Bazar Circus, c'est la panique ! Le roi a décidé d'assister à la représentation du soir. et chacun en fait un peu trop ! Angelo, l'homme canon, est même envoyé si loin qu'il ne retombe pas. Le roi, furieux, décide alors de bannir le cirque de son royaume...

The Complete French Class-book L'Ecole des Loisirs

In response to popular demand comes the French edition of the adorably illustrated *My Circus*. Any parents who hope to encourage bilingual learning from the start will want this edition, which introduces clowns, magicians, trapeze artists, and many more familiar stars of the big top in French. With the same squeezably soft cover and high-contrast art that is perfect for babies and toddlers, readers will be learning French in no time!

The Century Dictionary and Cyclopedia Odyssey Books & Maps

#1 NATIONAL BESTSELLER • Two starcrossed magicians engage in a deadly game of cunning in the spellbinding novel that captured the world's imagination. • "Part love story, part fable ... defies both genres and expectations." —The Boston Globe The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of breathtaking amazements. It is called *Le Cirque des Rêves*, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be left standing. Despite the high stakes, Celia and Marco soon tumble headfirst into love, setting off a domino effect of dangerous consequences, and leaving the lives of everyone, from the performers to the patrons, hanging in the balance.

Jean Dufy Yale University Press

This book analyses two features of the traditional circus that have come under increasing attack since the mid-20th century: the use of wild animals in performance and the act of clowning. Positioning this socio-cultural change within the broader perspective of evolutionary semiotics, renowned circus expert Paul Bouissac examines the decline of the traditional circus and its transformation into a purely acrobatic spectacle. *The End of the Circus* draws on Bouissac's extensive ethnographic research, including previously unpublished material on the training of wild animals and clown make-up, to chart the origins of the circus in Gypsy culture and the drastic change in contemporary Western attitudes on ethical grounds. It scrutinizes the emergence of the new form of circus, with its focus on acrobatics and the meaning of the body, showing how acrobatic techniques have been appropriated from traditional Gypsy heritage and brought into the fold of mainstream popular entertainment. Questioning the survival of the new circus and the likely resurgence of its traditional forms, this book showcases Bouissac's innovative approach to semiotics and marks the culmination of his groundbreaking work on the circus.

Scenes of Familiar Life AuthorHouse

Né en 1888 au Havre, le peintre Jean Dufy est aujourd'hui beaucoup moins connu que son frère, Raoul Dufy, et son oeuvre est pourtant extrêmement riche et variée. Nombre de ses œuvres ont été exposées à Paris et New York durant les années 1920. Les thématiques qu'il aborde sont très diverses mais l'on constate un intérêt particulier pour les arts et plus particulièrement pour le cirque. Puisant son inspiration lors des représentations des cirques parisiens tel que le Cirque d'hiver ou le Cirque Medrano, il tente de saisir les spécificités de cet art et donne vie aux écuyers, aux acrobates et aux clowns. Il s'attache à peindre ce qu'il voit, tant les artistes que l'ambiance des représentations auxquelles il assiste. Les couleurs vives et éclatantes, caractéristiques des costumes et des lumières donnent aux tableaux une dimension vivante et joyeuse. Cet ouvrage est l'occasion de rendre

hommage à cet artiste souvent méconnu et à son travail, véritable voyage à travers les arts du cirque. Pascal Jacob, auteur de nombreux ouvrages et historien du cirque, a su mêler l'histoire de Jean Dufy à celle de son art permettant ainsi au lecteur d'entrer pleinement dans cette oeuvre et de se familiariser avec le monde foisonnant du cirque et de tous ses grands artistes.
