Jazz Journal International Mel Bay Publications

First published in Germany in 1929, *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Muhlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Muhlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

From its earliest manifestations on the street corners of nineteenth-century Buenos Aires to its ascendancy as a global cultural form, tango has continually exceeded the confines of the dance floor or the music hall. In *Tango Lessons*, scholars from Latin America and the United States explore tango's enduring vitality. The interdisciplinary group of contributors—including specialists in dance, music, anthropology, linguistics, literature, film, and fine art—take up a broad range of topics. Among these are the productive tensions between tradition and experimentation in tango nuevo, representations of tango in film and contemporary art, and the role of tango in the imagination of Jorge Luis Borges. Taken together, the essays show that tango provides a kaleidoscopic perspective on Argentina's social, cultural, and intellectual history from the late nineteenth to the early twenty-first centuries. Contributors. Esteban Buch, Oscar Conde, Antonio Gómez, Morgan James Luker, Carolyn Merritt, Marilyn G. Miller, Fernando Rosenberg, Alejandro Sustri
Palmer-Hughes Accordion Course, Book 1 Liverpool University Press

Vile Bodies is a 1930 novel satirising the bright young things: decadent young London society after World War I. The title appears in a comment made by the novel's narrator in reference to the characters' party-driven lifestyle: "All that succession and repetition of massed humanity... Those vile bodies..."

Billboard Duke University Press

A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

Billboard Kids Can Press Ltd

Tango: A ballroom dance of Latin-American origin characterized by long pauses and stylized body positions. This musical form was subsequently adopted by other countries, primarily France, Spain and Italy. Many prominent composers have applied it to a wide variety of compositions. Using piano scores in both the Latin-American and Spanish rhythmic traditions, Gary Dahl has skillfully compiled and arranged French Tangos for Accordion. the music in this anthology was originally published from the late 1930's to 60's and is characterized by its romanticism, rich harmonies, and emotive melodies. These arrangements are orchestral in nature, befitting the accordion's various timbres and capabilities. In standard notation.

(Accordion). If you're new to the accordion, you are probably eager to learn some songs. This book

provides 50 simplified arrangements of popular standards, folk songs and showtunes that accordion players like to play, including: All of Me * Beer Barrel Polka * Carnival of Venice * Edelweiss * Hava Nagila (Let's Be Happy) * Hernando's Hideaway * Jambalaya (On the Bayou) * Lady of Spain * Moon River * 'O Sole Mio * Sentimental Journey * Somewhere, My Love * That's Amore (That's Love) * Under Paris Skies * and more.

Das Schweizer Buch

"Sometimes a story comes along that just plain makes you want to hug the world. The Remarkable Journey of Coyote Sunrise is Dan Gemeinhart's finest book yet — and that's saying something. Your heart needs this joyful miracle of a book." — Katherine Applegate, acclaimed author of *The One and Only Ivan* and *Wishtree* Five years. That's how long Coyote and her dad, Rodeo, have lived on the road in an old school bus, criss-crossing the nation. It's also how long ago Coyote lost her mom and two sisters in a car crash. Coyote hasn't been home in all that time, but when she learns that the park in her old neighborhood is being demolished—the very same park where she, her mom, and her sisters buried a treasured memory box—she devises an elaborate plan to get her dad to drive 3,600 miles back to Washington state in four days...without him realizing it. Along the way, they'll pick up a strange crew of misfit travelers. Lester has a lady love to meet. Salvador and his mom are looking to start over. Val needs a safe place to be herself. And then there's Gladys... Over the course of thousands of miles, Coyote will learn that going home can sometimes be the hardest journey of all...but that with friends by her side, she just might be able to turn her "once upon a time" into a "happily ever after."
