Longman Active Science 8 Addison-Wesley

The Longman Textbook Reader enables instructors to supplement their main textbook with sample chapters drawn from college textbooks. Six full textbook chapters drawn various disciplines offer students more practice with actual college material and prepare them for readings they will encounter in later semesters. Each chapter includes additional comprehension quizzes, critical thinking questions, and group activities to help students develop schema and to reinforce their learning.

Science In Action: Biology 6 Longman Publishing Group
 Pearson Foundation Series, Biology, is a much awaited addition to the existing Foundation Series and is particularly designed for aspirants of medical entrance examinations. Each title provides authentic and class-tested content for effective preparation and

competitive readiness. Conceptual clarity and gaining mastery over the art of critical thinking are the central themes and to ensure this, the series has lucid content along with neatly-sketched diagrams, illustrations, concept-maps and real-life images. These books are an indispensable companion for all aspirants aiming to succeed in key entrance examinations, like The National Eligibility cum Entrance Test (NEET), Olympiads, Kishore Vaigyanik Protsahan Yojana (KVPY), etc. The series covers classes 7 to 10.
