In its examination of parenthesis in Biblical Hebrew, this book presents a linguistic description of Biblical Hebrew parenthetical units through integration of several research disciplines and scholarly approaches: linguistics, discourse studies, text linguistics, textual philology, comparative Semitics, Bible translations, and literature.

Annihilation of Caste Verso Books

Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.

Throughout India's history, religion has been the most powerful single factor in the development of her civilization. Today, despite her religious tradition, India is emerging as a secular state. In this book, Donald E. Smith explores the origin of the concept of secularization as it is found both in Indian culture and in the example of the western nations. He emphasizes the important role of secularization in India's total democratic experiment and points out that the degree of its realization will undoubtedly affect the eventual character of democracy in India. In addition, the success or failure of the secular state in India cannot fail to influence the attitudes of her neighbors. Professor Smith considers the many aspects and implications of India's attempt to secularize her government. Originally published in 1963. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Lives of the Jain Elders is the standard synthesis of source material for the early history of Jainism by the great twelfth-century Jain scholar-monk, Hemacandra, also a key figure in the wider context of Sanskrit literature. An epic poem written in an allusive and ornamental style, it relates the pupillary succession of the early monastic Jain community, their teaching and the legendary spread of their influence, the asceticism of the Elders, and their eventual liberation from the cycle of death and rebirth. Abounding in memorable characters, and providing a rich compendium of Indian folk-tale, The Lives of the Jain Elders offers fascinating insight into the social life of medieval India. This new translation makes the complete work available for the first time in a European language and is complemented by a full introduction illuminating Jain belief and history.

Chandi Paath Simon and Schuster

'Durgeshnandini' is the first novel of Bankim Chandra. It refers to the beloved daughter of the master of Fort Mandaran, Birendra Singh. Fort Mandaran was an estate near Bishnupur of United Bengal, constructed by Pathan Sultan Hussain Shah's commander-in-chief Ismail Ghazi. After the Pathans were driven away by Mughal Emperor Akbar, by turn of historical events, the estate came under the control of Hindu commander Jaidhar Singh. Birendra was his natural heir, who before taking it over, had served in Akbar's army as a commander himself. The novel unfolds a saga of Pathan Sultan Katlu Khan's repeat attempts to enter and conquer the Banga province. To crush him and his ambition, Emperor Akbar had sent his most trusted and valiant courtier Raja Man Singh to take charge of Banga and rescue people from Pathans' tyrannous atrocities. Raja Man Singh sent his valorous son Jagat Singh to crush the Pathans. While growingly successful at the job in many small guerrilla-type battles, by turns of events, Jagat Singh encounters Tillottama and both fall in love at first sight. How, due to an inadvertent move, both of them came under captivity of the marauding

Pathan Sultan and later earned their freedom, have been described in a captivating style of desanskritised idioms.

Yesterday's Shadow Princeton University Press

Originally published in 1990 and drawing on extensive research, this book provides an evaluation of the impact of the growth of home ownership in the UK, and of the claims and counter-claims made for its social significance. The book examines critically the evidence for and against the proposition that mass home ownership is contributing towards a more equal society. Wide-ranging in its coverage, the book discusses the changing nature and role of home ownership, wealth accumulation and housing, the relationship between social class and housing tenure, and policy development.

"The Tale of Grandfather Mole" is a children's book written by Arthur Scott Bailey. Arthur Scott Bailey was an American author known for his numerous children's books featuring animal characters and their adventures. "The Tale of Grandfather Mole" is part of his "Sleepy-Time Tales" series, which includes stories about various animals and their escapades. In this particular book, the central character is Grandfather Mole, an elderly mole who lives underground. The story revolves around Grandfather Mole and his experiences as he navigates the subterranean world. Young readers are taken on a journey with Grandfather Mole as he encounters various challenges and makes new friends in the underground world. Arthur Scott Bailey's stories often contain moral lessons and values that are suitable for young readers. "The Tale of Grandfather Mole" is likely to include themes of perseverance, friendship, and the importance of family. Through the adventures of Grandfather Mole, Bailey provides an engaging and educational experience for children. While "The Tale of Grandfather Mole" may not be as well-known as some other classic children's books, it remains a charming and wholesome addition to the genre, and it is part of Arthur Scott Bailey's larger body of work that has entertained and educated generations of young readers.

Desi Khana Oxford University Press, USA

In his ambitious survey of the Indo-Aryan languages, Colin Masica has provided a fundamental introduction which will interest not only general and theoretical linguists but also students of one or more of these languages who want to acquaint themselves with the broader linguistic context. Generally synchronic in approach, concentrating on the phonology, morphology and syntax of the modern representatives of the group, the volume also covers their historical development, areal context, writing systems and aspects of sociolinguistics. The survey is organised not on a language-by-language basis but by topic, so that salient theoretical issues may be discussed in a comparative context.

Sir Martin Mar-all YOUTH COMPETITION TIMES

"What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India." —Anand Teltumbde, author of *The Persistence of Caste*. B.R. Ambedkar's *Annihilation of Caste* is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world's best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of *Annihilation of Caste* in "The Doctor and the Saint," examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi's political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar's emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar's anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

The Origin of Species by Means of Natural Selection, Or, The Preservation of Favored Races in the Struggle for Life BRILL

Reasoning enhances the logical thinking skills. It determines one's aptitude which is why many competitive examinations ask questions from it. Be it, banking, SSC, railway, IAS/PCS, or any other government recruitment exams, candidates have to score better in Reasoning Test which is a hard nut to crack for many. How to Crack Test of Reasoning is a perfect study resource to learn the problem solving skills of reasoning to make a proper preparation for the competitive examinations. It has been revised carefully according to the latest examination pattern and is divided into key

chapters of Verbal Reasoning, Analytical Reasoning, and Non-Verbal Reasoning. It facilitates a complete coverage of the theory followed by exercises graded into base level and expert level for self-evaluation. Each chapter covers the latest exam questions. Also, it carries more than 2500 objective questions as a whole to boost the preparation level. Written in an easy to read manner and incorporated with complete study material, it is an amazing book to climb the ladder of success in your forthcoming competitive exams. TOC Verbal Reasoning, Analytical Reasoning, Non-Verbal Reasoning

Encyclopaedia of Indian Literature CreateSpace

Shingo, whose work at Toyota provided the foundation for JIT, teaches how to implement non-stock production in your JIT manufacturing operations. The culmination of his extensive writings on efficient production management and continuous improvement, this book is an essential companion volume to his other landmark books on key elements of JIT, including SMED and poka-yoke. It includes: Fundamental flaws in European and American production philosophies. Basic concepts for improving production systems. The "scientific thinking mechanism" -- a new approach to improvement. Implementing a production method in an age of authorized stock production. Development of production functions in the age of non-stock production. Significance of the different production systems.

Non-Stock Production Oxford University Press, USA

In the present edition, authors have made sincere efforts to make the book up-to-date. A notable feature is the inclusion of two chapters on Power System. It is hoped that this edition will serve the readers in a more useful way.

Letters from a Father to His Daughter Motilal Banarsidass Publ.

Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in systems and procedures for the containment of malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.

A Grammar of Oriya Motilal Banarsidass Publ.

The Present Book, *New History Of Ancient India*, Is An Attempt To Present The Indian History In The Light Of Recent Discoveries And Excavations Made In This Field. The History Of India Before The Invasion Of Alexander The Great In 328 B.C. Has Been Generally Considered A Myth. Accordingly, Brahma, Vishnu And Mahesh, Manu And Mandhata, Harishchandra And Bhagirath, Shri Rama And Shri Krishna, All Have Been Treated Non-Historical, Mythical Personages. But The Recent Discoveries Like Those Of Dwarika Of Shri Krishna In The Sea And Lanka Of Ravana In Orissa As Well As The Authentic Determining Of The Date Of Floods, That Find Mention In The Purana, Have Outrightly Refuted The Past Presumptions. With New Things Coming To Light, It Is Desirable That History Be Rewritten. It Is With This View That The Present Book Has Been Written. It Aims At Presenting The Information In An Analytic Manner And Also In Chronological Order. Beginning From The Vedic Yuga, The Book Presents An In-Depth Study Of Devasura Yuga, Satya Yuga, Dwapar Yuga And Kaliyuga. All The Information, Both Conventional And Recent, Provided In The Book Are Authentic As They Are Taken From The Authoritative Sources. The Book Is Unique In Its Presentation As It Richly Provides Maps Of Ancient States, Photographs And Figures, Which Not Only Give A Glimpse Of The Related Age Or Yuga But Also Facilitate Easy Understanding Of Information. Since Miracles, Exaggerations, Mysteries And Supernatural Powers Find No Reference Here, The Book Can Be Held A Complete, Authoritative Text On Ancient Indian History. It Is Hoped That The Students, Research Scholars And Even Teachers Of Indian History Will Find This Book Highly Useful And Indispensable For Having A Thorough And Updated Knowledge Of Ancient India. Even The General Readers Will Find This Book Extremely Interesting And Informative.
