CLARK CASSIUS

How to Build and Repair Your Own
Furniture Lorenz Books

This early manual is a fascinating read for any carpentry enthusiast or historian, but contains much information that is still useful and practical today. The primary aim is to furnish workers with information and practical suggestions, regarding the

repair and refinishing of Antique and all other types of furniture. It is written in a form which is easy to read and understand, and it is intended to be used as a manual during the work. A comprehensive and informative look at the subject illustrated by extensive diagrams and photographs. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions,

using the original text and artwork.

How to Restore Old Furniture Guide
Merz Press

This book is an essential guide to basic and advanced restoration techniques for antique chairs. Information is given on how each piece of furniture is constructed, and how it can be dismantled and reassembled. There is a section on all the tools and equipment needed for home furniture repair, followed by practical projects such as removing upholstery, French polishing, repairing a broken arm,

and restoring a scuffed foot. With its historical overview, professional instructions and more than 400 photographs, this book will enable any budding restorer to develop a true understanding of a range of antique chairs, and how to repair and restore them.

Furniture Repair and Renovation - Dealing with Practical Methods of Repairing and Renovating Furniture, Making Loose Covers, Modernising Old Furniture Creative Homeowner

A guide to restoring and finishing wood. The first part of the book covers the different types of wood, basic finishing techniques, as well as decorative finishes such as graining, ebonising, distressing, marbling, stencilling and the use of spray finishes. The second part of the book discusses renovation and restoration techniques.

Repairing and Restoring Antique Furniture
Read Books Ltd

This is a complete guide to repairing and re-finishing furniture for amateur restorers and a reference for people who have either inherited or acquired old pieces of furniture in desperate need of some care

and attention. The text covers all the key skills and techniques involved in buying, mending and restoring old furniture including: browsing markets and checking the condition; restoring and replacing finishes; basic wood repairs for chairs, tables and cabinets; basic upholstery; furniture finishing and preservation.

Furniture Repair & Restoration Taunton Press

A guide to furniture repair and refinishing for amateur restorers, offering advice on buying old furniture, explaining how to restore and replace finishes, and discussing the construction and repair of chairs, benches, tables, chests, and cabinets.

The Furniture Doctor Ortho Books

First published in 1954 as *The Repair and Restoration of Antique Furniture*, this work has been revised, expanded and reillustrated by V.J. Taylor, and is aimed at woodworkers, owners of traditionally crafted furniture, and antiques enthusiasts. It explains to the layman the professionals' techniques for repairing damaged furniture and restoring it authentically to prime condition. It describes systematically the six basic steps - dismantling, cleaning joints, restoring components, gluing up, levelling and sandpapering, and colouring and polishing. Included are not only the solutions to typical problems, but also some of the methods which the author devised to overcome more unusual difficulties.

All about Furniture Repair & Refinishing Lorenz Books

This comprehensive book answers every question on the subject of restoring furniture. How to fix a wobbly chair or a scratched table top; how to identify and repair finishes and veneers; how to stain wood or remove white ring marks; how to French polish or apply a wax finish.

A Book of Helpful Hints and Tips for Restoring Furniture Around the House

Lorenz Books

Readers will learn how to fix old furniture like a pro with this comprehensive handbook. Practical information to help woodworkers identify the problem, disassemble the furniture, make the repair, reassemble, and refinish.

The Furniture Doctor GMC Publications

This is a fully illustrated guide to furniture repair and restoration. All woodworking techniques likely to be needed are explained in detail and related to different styles of furniture. These techniques range from making varying types of joint, to glueing and fastening, carving, replacing veneer, woodturning and steaming wood to shape. There are also chapters on finishing, including preparation of wood and methods of applying the finishes.
