### Remaking Brazil Nabu Press

Comprising examples of artwork and a series of essays, this collection examines and assesses the current status of painting within global contemporary art. It sheds light on fine art as it is understood as a facet of a global culture and society dominated by Northern European and US power and history.

### The Portuguese in the Age of Discovery c.1340-1665 U of Minnesota Press

Reprint of the original, first published in 1856.

### Modern Brazil Macmillan

This volume examines Brazilian films released between 1995 and 2010, with special attention to issues of race, ethnicity and national identity. Focusing on the idea of the nation as an 'imagined community', the author discusses the various ways in which dominant ideas about *brasilidade* (Brazilian national consciousness) are dramatised, supported or attacked in contemporary fiction and documentary films.

### *Portugal and Brazil in Transition* University of Wisconsin Press

A fabled country with a reputation for danger, romance and intrigue, Brazil has transformed itself in the past decade. This title, written by the go-to journalist on Brazil, intimately portrays a country of contradictions, a country of passion and above all a country of immense power.

### *The Mansions and the Shanties* Read Books Ltd

Publisher Description

### **Envisioning Brazil** Berkeley : University of California Press

From humble beginnings, in the course of three centuries the Portuguese built the world's first truly global empire, stretching from modern Brazil to sub-Saharan Africa and from India to the East Indies (Indonesia). Portugal had established its present-day borders by 1300 and the following century saw extensive warfare that confirmed Portugal's independence and allowed it to aspire to maritime expansion, sponsored by monarchs such as Prince Henry the Navigator. During this nearly 300-year period, the Portuguese fought alongside other Iberian forces against the Moors of Andalusia; with English help successfully repelled a Castilian invasion (1385); fought the Moors in Morocco, and Africans, the Ottoman Turks, and the Spanish in colonial competition. The colourful and exotic Portuguese forces that prevailed in these battles on land and sea are the subject of this book.

### *Brazil on the Rise* Duke University Press

An unstructured genre that blends high aesthetic standards with nonfiction commentary, the journalistic *crônica*, or chronicle, has played a vital role in Latin American urban life since the nineteenth century. Drawing on extensive archival research, Viviane Mahieux delivers new testimony on how chroniclers engaged with modernity in Mexico City, Buenos Aires, and São Paulo during the 1920s and 1930s, a time when avant-garde movements transformed writers' and readers'

conceptions of literature. *Urban Chroniclers in Modern Latin America: The Shared Intimacy of Everyday Life* examines the work of extraordinary raconteurs Salvador Novo, Cube Bonifant, Roberto Arlt, Alfonsina Storni, and Mário de Andrade, restoring the original newspaper contexts in which their articles first emerged. Each of these writers guided their readers through a constantly changing cityscape and advised them on matters of cultural taste, using their ties to journalism and their participation in urban practice to share accessible wisdom and establish their role as intellectual arbiters. The intimate ties they developed with their audience fostered a permeable concept of literature that would pave the way for overtly politically engaged chroniclers of the 1960s and 1970s. Providing comparative analysis as well as reflection on the evolution of this important genre, *Urban Chroniclers in Modern Latin America* is the first systematic study of the Latin American writers who forged a new reading public in the early twentieth century.

### *The Brazilian Road Movie* The Monacelli Press, LLC

" 'A camera in the hand and ideas in the head' was the primary axiom of the young originators of Brazil's Cinema Novo. This movement of the 1960s and early 1970s overcame technical constraints and produced films on minimal budgets. In *Allegories of Underdevelopment*, Ismail Xavier examines a number of these films, arguing that they served to represent a nation undergoing a political and social transformation into modernity. Its best-known voice, filmmaker Glauber Rocha claimed that Cinema Novo was driven by an "aesthetics of hunger." This scarcity of means demanded new cinematic approaches that eventually gave rise to a legitimate and unique Third World cinema. Xavier stands in the vanguard of scholars presenting and interpreting these revolutionary films - from the masterworks of Rocha to the groundbreaking experiments of Julio Bressane, Rogério Sganzerla, Andrea Tonacci and Arthur Omar - to an English-speaking audience. Focusing on each filmmaker's use of narrative allegories for the "conservative modernization" Brazil and other nations underwent in the 1960s and 1970s, Xavier asks questions relating to the connection between film and history. He examines the way Cinema Novo transformed Brazil's cultural memory and charts the controversial roles that Marginal Cinema and Tropicalism played in this process. Among the films he discusses are *Black God, White Devil*, *Land in Anguish*, *Red Light Bandit*, *Macunaíma*, *Antônio das Mortes*, *The Angel Is Born*, and *Killed the Family and Went to the Movies*." -- Book cover.

### Modern Brazil: A Very Short Introduction Cambridge Companions to Literature

This book examines how Gilberto Freyre's notion of *mestiçagem* (race mixing) became the overwhelmingly dominant narrative of national identity in twentieth-century Brazil. It will be of interest to scholars and students interested in Brazil, Latin America, race, nationalism, national identity, and popular culture.

### *The Human Tradition in Modern Brazil* Bravo Limited

Twentieth-century Brazilian furniture design is perhaps the last great largely unknown tradition of modernism, characterized by rich and sensually textured hardwoods and an ingenuity, grace, and simplicity that exemplify the national character of *brasiliadade*. With well over 400 historic images and new photography, *Brazil Modern: The Rediscovery of Twentieth-Century Brazilian Furniture*

surveys the history and legacy of this innovative design tradition. Featuring the work of the titans of Brazilian design—Lina Bo Bardi, Oscar Niemeyer, Joaquim Tenreiro, and Sergio Rodrigues—as well as numerous designers whose work and reputations only recently reached foreign shores, *Brazil Modern* is the first comprehensive guide to this untapped vein of modernist design.

**Hans Staden's True History** Rowman & Littlefield

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

**Allegories of Underdevelopment** IGI Global

*Modern Brazil*, a collection of original essays, views the largest country in South America through the multiple lenses of political science, economics, telecommunications, and religion. The editors, Michael L. Conniff and Frank D. McCann, have provided a frame for this analysis of a complex society by centering on the elites, those who run national affairs, and the masses, those poor and working-class people who have little direct influence on them. Discussing the political elites from regional, national, and military standpoints are, respectively, Joseph L. Love and Bert J. Barickman, Conniff, and McCann. The economic elites, notably businessmen and industrialists, are analyzed by Steven Topik and Eli Diniz. The masses are considered in chapters by Eul Soo Pang, Thomas Holloway, and Michael Hall and Marco Aurelio García. Sam Adamo views the historical situation of blacks and mulattos in Brazil. In the final section, examining connections between the elites and masses, Robert M. Levine writes about how the former perceive the povo, Joseph Straubhaas looks at the mass media; and Fred Gillette Strum ex-amines religion in Brazil. The editors have included a general introduction, an epilogue focusing on Brazil in the late 1980s, and a glossary.

*Modern Brazil* Cambridge University Press

Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and society of a particular country. It will help you to turn your visit-whether on business or for pleasure-into a memorable and enriching experience. Contents include \* customs, values, and traditions \* historical, religious, and political background \* life at home \* leisure, social, and cultural life \* eating and drinking \* dos, don'ts, and taboos \* business practices \* communication, spoken and unspoken "Culture Smart has come to the rescue of hapless travellers." Sunday Times Travel "...the perfect introduction to the weird, wonderful and downright odd quirks and customs of various countries." Global Travel "...full of fascinating-as well as common-sense-tips to help you avoid embarrassing faux pas." Observer "...as useful as they are entertaining." Easyjet Magazine "...offer

glimpses into the psyche of a faraway world." New York Times From the Trade Paperback edition. [Becoming Brazilian](#) Bloomsbury Publishing USA

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1967.

**The Colonial Background of Modern Brazil** Univ of California Press

A series of lectures on the ethnic and social fusion that makes Brazil the country it is today. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

*The Cambridge Companion to Modern Latin American Culture* Bloomsbury Publishing

This second edition offers an unparalleled look at Brazil in the twentieth century, including in-depth coverage of the 1930 revolution and Vargas's rise to power; the ensuing unstable democratic period and the military coups that followed; and the reemergence of democracy in 1985. It concludes with the recent presidency of Luiz Inacio "Lula" da Silva, covering such economic successes as record-setting exports, dramatic foreign debt reduction, and improved income distribution. The second edition features numerous new images and a new bibliographic guide to recent works on Brazilian history for use by both instructors and students. Informed by the most recent scholarship available, *Brazil: Five Centuries of Change, Second Edition*, explores the country's many blessings--ethnic diversity, racial democracy, a vibrant cultural life, and a wealth of natural resources.

[Brazil - An Interpretation](#) Cambridge University Press

The Human Tradition in Modern Brazil makes the last two centuries of Brazilian history come alive through the stories of mostly non-elite individuals. The pieces in this lively collection address how people experienced historical continuities and changes by exploring how they related to the rise of Brazilian national identity and the emergence of a national state. By including a broad array of historical actors from different regions, ethnicities, occupations, races, genders, and eras, *The Human Tradition in Modern Brazil* brings a human dimension to major economic, political, cultural, and social transitions. Because these perspectives do not always fit with the generalizations made about the predominant attitudes, values, and beliefs of different groups, they bring a welcome complexity to the understanding of Brazilian society and history.

[Critical Perspectives on Contemporary Painting](#) Oxford University Press

In 1550 the German adventurer Hans Staden was serving as a gunner in a Portuguese fort on the Brazilian coast. While out hunting, he was captured by the Tupinambá, an indigenous people who had a reputation for engaging in ritual cannibalism and who, as allies of the French, were hostile to the Portuguese. Staden's True History, first published in Germany in 1557, tells the story of his nine months among the Tupi Indians. It is a dramatic first-person account of his capture, captivity, and eventual escape. Staden's narrative is a foundational text in the history and European "discovery" of Brazil, the earliest European account of the Tupi Indians, and a touchstone in the debates on cannibalism. Yet the last English-language edition of Staden's True History was published in 1929.

This new critical edition features a new translation from the sixteenth-century German along with annotations and an extensive introduction. It restores to the text the fifty-six woodcut illustrations of Staden's adventures and final escape that appeared in the original 1557 edition. In the introduction, Neil L. Whitehead discusses the circumstances surrounding the production of Staden's narrative and its ethnological significance, paying particular attention to contemporary debates about cannibalism. Whitehead illuminates the value of Staden's True History as an eyewitness account of Tupi society on the eve before its collapse, of ritual war and sacrifice among Native peoples, and of colonial rivalries in the region of Rio de Janeiro. He chronicles the history of the various editions of Staden's narrative and their reception from 1557 until the present. Staden's work continues to engage a wide range of readers, not least within Brazil, where it has recently been the subject of two films and a graphic novel.

**The Colonial Background of Modern Brazil** University of Wales Press

This Companion provides a chronological survey of Latin American poetry, analysis of modern trends and six succinct essays on the major figures.

*Móvel moderno no Brasil* Oxford University Press, USA

Brazil is associated in many people's minds with conviviality, sensuality, and natural beauty. Yet the country behind these images and associations is something of an enigma. It is alternately praised as

the "country of the future", a rising power ready to take its place at the top tables of global governance, or written off as a perennial disappointment, a country forever failing to reach its potential, mired in corruption, inequality, poverty, and violence. These oscillations between euphoria and despair obscure a country with its own unique trajectory through the 20th and 21st centuries. This Very Short Introduction offers an account of modern Brazil that covers some of the major features of the country's transformation, including the rise of the modern state in the mid-20th century, the violent repression of dictatorship, the domestic economic, political, and social challenges faced by the country today, and the role Brazil plays in dealing with some of the most important contemporary global problems. In doing so, Anthony Pereira highlights some of the peculiar features of Brazil's development, such as the tendency of its political leaders to engage in complicated, informal political deals; the state's welfare institutions that often exacerbate, rather than improve, the country's deep economic inequalities; and Brazil's long history of peaceful relations with its neighbours despite a high level of state violence against citizens. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
