High & Low Chronicle
Books

From the author of
Inspiralized comes the
New York Times-
bestselling, ultimate guide
to spiralizing, with clean
meals that fit into any
diet, from paleo to vegan
to gluten-free to raw. As
the creator of the wildly
popular blog and the
author of the runaway
bestselling cookbook on
the topic, Ali is
indisputably the authority
on spiralizing. *Inspiralized
Everything* is organized
alphabetically by type of
produce, allowing you to
cook with whatever you
already have on hand,
what comes in your CSA
box, or what you find at
the farmer's market. Ali
highlights more than 20
vegetables and fruits,
detailing their nutritional
value and preparation
techniques, including the
more abundant beets,

butternut squash, and
carrots, but also the less
common chayote, jicama,
and kohlrabi. Each recipe,
complete with nutritional
information, was crafted
to become a well-loved
staple in your repertoire
with a focus not only on
healthy eating, but also
on easy cooking. Diet
customization options,
veggie swap suggestions,
and special attention paid
to one-pot, make-ahead,
and no-cook meals ensure
that *Inspiralized Everything*
will become a workhorse
in your kitchen. Want a
vegan dinner that's
minimal on cleanup? Try
Cheeseless French Onion
Soup. How about a hearty
meal that'll make great
leftovers for lunch
tomorrow? Winter
Lasagna with Butternut
Squash, Brussels Sprouts,
and Chicken Sausage is
for you. Need a super
detox to reset your
tastebuds? The
Watermelon Radish
Nourish Salad with
Lemon-Ginger Vinaigrette
is just the thing. Sweet
tooth satisfaction?
Proceed straight to the
Zucchini Noodle Bread
with Coconut Cream
Frosting. Whether you
have weight-loss goals,
follow a specific healthy
lifestyle, or just want to

make good-for-you food
at home, this book has
the answer. If you're a
spiralizing pro, this book
will become your recipe
bible; if you're just
starting out, it will teach
you everything you need
to know. Either way, get
ready to be inspiralized.

Seams Unlikely Flatiron
Books

From the author of the
successful blog,
mouthwateringvegan.com
, comes over 130
incredible recipes to
showcase how accessible,
varied, delicious and
nutritious vegan eating
can be. In this book you'll
find recipes for your
favourite comfort foods in
all their vegan glory. Here
are meat-free, egg-free
and dairy-free recipes
that combine the idea of
eating healthily, with food
that is immediately
satisfying, tastes great
and is easy to prepare.
From delicious dips,
appetizers and soups; to
main courses including
curries, pastas, stews,
burgers and salads. There
are a whole host of
recommended juices and
smoothies and--at the
sweeter end of scale--
cookies, cakes and
desserts. *Mouthwatering
Vegan* transforms home
cooking classics into

vegan-accessible, delicious dishes. Miriam challenges herself to replicate dishes that are usually impossible to include in a vegan diet and opens up the scope for what vegan eating can be. Included in the book are recipes for vegan cheese, cream and mayonnaise; Chilli Con 'Carne', Shepherd's Pie, Mince & Ale Pie, Stroganoff Supreme and the Perfect Roast. As well as delicious dishes that celebrate pulses and vegetables, such as Aubergine, Chickpea and Potato Curry; Stuffed Tomatoes and Zucchini Casserole; Red Bean Nut Burgers; Spicy Rice & Quinoa Eggplant Bake; and Super Mushroom & Walnut Loaf. Many of Miriam's recipes are inspired by the Mediterranean and the Far East, and all of them have the health benefits of vegan cooking without sacrificing the taste. Mouthwatering Vegan opens up new possibilities for vegan eating that will make you rethink vegan cuisine.

[Kandy Magazine December 2017](#) ABRAMS Features needlework from Guimaraes in northern Portugal. This title helps you to learn all you need to know to create your

We close it up with SONS ON FIRE, Music Detoxification for the women in your life Cardi B, Taylor Swith and Dixie Chicks thought poison.

Kandy Magazine January 2018 Ten Speed Press New York Times Bestseller The profound and compelling story of a personal quest for meaning and faith from Wally Lamb, #1 New York Times bestselling author of She's Come Undone and I Know This Much Is True "The beauty of The Hour I First Believed, a soaring novel as amazingly graceful as the classic hymn that provides the title, is that Lamb never loses sight of the spark of human resilience. . . . Lamb's wonderful novel offers us the promise and power of hope." —Miami Herald When 47-year-old high school teacher Caelum

Quirk and his younger wife, Maureen, a school nurse, move to Littleton, Colorado, they both get jobs at Columbine High School. In April 1999, Caelum returns home to Connecticut to be with his aunt who has just had a stroke. But Maureen finds herself in the school library at Columbine, cowering in a cabinet and expecting to be killed, as two vengeful students go on a murderous rampage. Miraculously she survives, but at a cost: she is unable to recover from the trauma. Caelum and Maureen flee Colorado and return to an illusion of safety at the Quirk family farm back east. But the effects of chaos are not so easily put right, and further tragedy ensues. In *The Hour I First Believed*, Wally Lamb travels well beyond his earlier work and embodies in his fiction myth, psychology, family history stretching back many generations, and the questions of faith that lie at the heart of everyday life. The result is an extraordinary tour de force, at once a meditation on the human condition and an unflinching yet compassionate evocation of character.

August Reverie Penguin
A photographic look into

the world of vinyl record collectors—including Questlove—in the most intimate of environments—their record rooms. Compelling photographic essays from photographer Eilon Paz are paired with in-depth and insightful interviews to illustrate what motivates these collectors to keep digging for more records. The reader gets an up close and personal look at a variety of well-known vinyl champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

How to Be a (Young) Antiracist Harper Collins
New York Times Bestseller
Discover the critical link between your brain and the food you eat and change the way your brain ages, in this cutting-edge, practical guide to eliminating brain fog, optimizing brain health, and achieving peak mental performance from media personality and leading voice in health Max Lugavere. After his mother was diagnosed

with a mysterious form of dementia, Max Lugavere put his successful media career on hold to learn everything he could about brain health and performance. For the better half of a decade, he consumed the most up-to-date scientific research, talked to dozens of leading scientists and clinicians around the world, and visited the country's best neurology departments—all in the hopes of understanding his mother's condition. Now, in *Genius Foods*, Lugavere presents a comprehensive guide to brain optimization. He uncovers the stunning link between our dietary and lifestyle choices and our brain functions, revealing how the foods you eat directly affect your ability to focus, learn, remember, create, analyze new ideas, and maintain a balanced mood. Weaving together pioneering research on dementia prevention, cognitive optimization, and nutritional psychiatry, Lugavere distills groundbreaking science into actionable lifestyle changes. He shares invaluable insights into how to improve your brain power, including the nutrients that can boost your memory and

improve mental clarity (and where to find them); the foods and tactics that can energize and rejuvenate your brain, no matter your age; a brain-boosting fat-loss method so powerful it has been called "biochemical liposuction"; and the foods that can improve your happiness, both now and for the long term. With *Genius Foods*, Lugavere offers a cutting-edge yet practical road map to eliminating brain fog and optimizing the brain's health and performance today—and decades into the future.

Grounded in research and extensive experience in schools, this engaging book describes practical ways to combat bullying at the school, class, and individual levels. Step-by-step strategies are presented for developing school- and districtwide policies, coordinating team-based prevention efforts, and implementing targeted interventions with students at risk. Special topics include how to involve teachers, parents, and peers in making schools safer; ways to address the root causes of bullying and victimization; the growing problem of online or cyberbullying; and approaches to evaluating intervention effectiveness. In a large-size format with convenient lay-flat binding, the book features helpful reproducibles, concrete examples, and questions for reflection and discussion. This book is in *The Guilford Practical Intervention in the Schools Series*, edited by T. Chris Riley-Tillman.

Flatiron Books

The peoples of Sri Lanka have participated in far-flung trading networks, religious formations, and

Asian and European empires for millennia. This interdisciplinary volume sets out to draw Sri Lanka into the field of Asian and Global History by showing how the latest wave of scholarship has explored the island as a 'crossroads', a place defined by its openness to movement across the Indian Ocean. Experts in the history, archaeology, literature and art of the island from c.500 BCE to c.1850 CE use Lankan material to explore a number of pressing scholarly debates. They address these matters from their varied disciplinary perspectives and diverse array of sources, critically assessing concepts such as ethnicity, cosmopolitanism and localisation, and elucidating the subtle ways in which the foreign may be resisted and embraced at the same time. The individual chapters, and the volume as a whole, are a welcome addition to the history and historiography of Sri Lanka, as well as studies of the Indian Ocean region, kingship, colonialism, imperialism, and early modernity. *The Hour I First Believed* Open Road + Grove/Atlantic

Lindsey Pelas is one of the most popular social influencers with more than 7 million Instagram followers. In the January 2018 Kandy magazine edition Lindsey discusses what she considers before going on a first date as well as releasing for the first-time new photos captured in Beverly Hills. Dust & Grooves Grove/Atlantic, Inc. The #1 New York Times bestseller that sparked international dialogue is now a book for young adults! Based on the adult bestseller by Ibram X. Kendi, and co-authored by bestselling author Nic Stone, *How to be a (Young) Antiracist* will serve as a guide for teens seeking a way forward in acknowledging, identifying, and dismantling racism and injustice. The New York Times bestseller *How to be an Antiracist* by Ibram X. Kendi is shaping the way a generation thinks about race and racism. *How to be a (Young) Antiracist* is a dynamic reframing of the concepts shared in the adult book, with young adulthood front and center. Aimed at readers 12 and up, and co-authored by award-

winning children's book author Nic Stone, *How to be a (Young) Antiracist* empowers teen readers to help create a more just society. Antiracism is a journey--and now young adults will have a map to carve their own path. Kendi and Stone have revised this work to provide anecdotes and data that speaks directly to the experiences and concerns of younger readers, encouraging them to think critically and build a more equitable world in doing so.

Genius Foods CRC Press
Two New York
Times--bestselling authors unveil new research showing what meditation can really do for the brain. In the last twenty years, meditation and mindfulness have gone from being kind of cool to becoming an omnipresent Band-Aid for fixing everything from your weight to your relationship to your achievement level. Unveiling here the kind of cutting-edge research that has made them giants in their fields, Daniel Goleman and Richard Davidson show us the truth about what meditation can really do for us, as well as exactly how to get the most out of

it. Sweeping away common misconceptions and neuromythology to open readers' eyes to the ways data has been distorted to sell mind-training methods, the authors demonstrate that beyond the pleasant states mental exercises can produce, the real payoffs are the lasting personality traits that can result. But short daily doses will not get us to the highest level of lasting positive change—even if we continue for years—without specific additions. More than sheer hours, we need smart practice, including crucial ingredients such as targeted feedback from a master teacher and a more spacious, less attached view of the self, all of which are missing in widespread versions of mind training. The authors also reveal the latest data from Davidson's own lab that point to a new methodology for developing a broader array of mind-training methods with larger implications for how we can derive the greatest benefits from the practice. Exciting, compelling, and grounded in new research, this is one of those rare books that has the power to change us at the deepest level.

Understanding Media

Createspace Independent Publishing Platform
If the soaring quotes of Elizabeth Gilbert, Marianne Williamson and other contemporary and classic creative luminaries were to fly together in a beautifully minimalist landscape amongst vintage-inspired dresses, holy boots and top hats, you would have this book. Part memoir, part fairy tale and all inspiration, Magnolia Pearl's "And the Stars go With You" is far beyond your typical fashion tome. Delving deep into creator-visionary Robin Brown's childhood, influences and ethos, the book is a vital volume on a mission to spark a revolution. The fashion is featured in context amidst landscapes and showrooms dotting the countryside in Fredericksburg, Texas that Brown and the Magnolia Pearl family inhabit. 240 pages of images richly convey Magnolia Pearl's aesthetic as a sense of time and place as opposed to a blip on the radar of an industry. Timely quotes from beloved masters and contemporary seers tie the pages together into a narrative with the feel of a movement; contributions

from Magnolia Pearl's rebel sidekicks such as Donavon Frankenreiter sail this movement further towards the horizon.

Magnolia Pearl is a "horizontal" brand—a work in progress instead of a destination, an elusive sense of a beauty that adheres to a curve even as others insist on a line. "And the Stars go With You" is a pair of binoculars and a backstage pass to the journey. You're already on it anyway, might as well bring a friend.

"America's nerviest journalist" (Newsweek) trains his satirical eye on Modern Art in this "masterpiece" (The Washington Post) Wolfe's style has never been more dazzling, his wit never more keen. He addresses the scope of Modern Art, from its founding days as Abstract Expressionism through its transformations to Pop, Op, Minimal, and Conceptual. The Painted Word is Tom Wolfe "at his most clever, amusing, and irreverent" (San Francisco Chronicle).

Sky High Independently Published

Over two billion people

live in tropical lands. Most of them live in intimate contact with the immediate geological environment, obtaining their food and water directly from it. The unique geochemistry of these tropical environments have a marked influence on their health, giving rise to diseases that affect millions of people. The origin of these diseases is geologic as exemplified by dental and skeletal fluorosis, iodine deficiency disorders, trace element imbalances to name a few. This book, one of the first of its kind, serves as an excellent introduction to the emerging discipline of Medical Geology. *More Myself* Annie's The controversial chronicle of a motel owner who secretly studied the sex lives of his guests by the renowned journalist and author of *Thy Neighbor's Wife*. On January 7, 1980, in the run-up to the publication of his landmark bestseller *Thy Neighbor's Wife*, Gay Talese received an anonymous letter from a man in Colorado. "Since learning of your long-awaited study of coast-to-coast sex in America," the letter began, "I feel I have important information that I could contribute to

its contents or to contents of a future book." The man—Gerald Foos—then divulged an astonishing secret: he had bought a motel outside Denver for the express purpose of satisfying his voyeuristic desires. Underneath its peaked roof, he had built an "observation platform" through which he could peer down on his unwitting guests. Over the years, Foos sent Talese hundreds of pages of notes on his guests, work that Foos believed made him a pioneering researcher into American society and sexuality. Through his *Voyeur's* motel, he witnessed and recorded the harsh effects of the war in Vietnam, the upheaval in gender roles, the decline of segregation, and much more. In *The Voyeur's Motel*. "the reader observes Talese observing Foos observing his guests." An extraordinary work of narrative journalism, it is at once an examination of one unsettling man and a portrait of the secret life of the American heartland over the latter half of the twentieth century (Daily Mail, UK). "This is a weird book about weird people doing weird things, and I wouldn't have put it down if the house were on fire."

—John Greenya,
Washington Times

SPECIAL PREVIEW! A
hilarious and
heartwrenching story
about a bullied girl whose
search for a new
beginning takes a dire
wrong turn. Newcomer
Kammie Summers has
fallen into a well during a
(fake) initiation into a club
whose members have no
intention of letting her
join. Now Kammie's

trapped in the dark,
growing increasingly
claustrophobic, and
waiting to be rescued—or
possibly not. As hours
pass, the reality of
Kammie's predicament
mixes with her memories
of the highlights and
lowlights of her life so far,
including the reasons her
family moved to this new
town in the first place.
And as she begins to run
out of oxygen, Kammie
starts to imagine she has
company, including a

French-speaking coyote
and goats that just might
be zombies. Karen Rivers
has created a unique
narrator with an
authentic, sympathetic,
sharp, funny voice who
tells a story perfect for
fans of Flora and Ulysses,
Reign Rein, and Counting
by 7s. The Girl in the Well
Is Me will have readers
laughing and crying and
laugh-crying over the
course of its physically
and emotionally
suspenseful, utterly
believable events.
