Nigeria, England, America, Jamaica; are you proud of where you're from? Dark skinned, light skinned, afro, weaves, who are your true brothers and sisters? When two brothers from different continents go down the street to buy a pint of milk, they lift the lid on a disunited nation where everyone wants to be an individual but no one wants to stand out from the crowd. A debut work produced at the Royal Court's Young Writers Festival, *Gone Too Far!* is a comic and astute play about identity, history and culture, portraying a world where respect is always demanded but rarely freely given. *Gone Too Far!* premiered at the Royal Court Theatre in 2007 where it was awarded the Laurence Olivier Award for Outstanding Achievement in an Affiliate Theatre, 2008. It is published here in an abridged form as part of Methuen Drama's Plays For Young People series.

Helena, Or, The Sea in Summer Houghton Mifflin Harcourt

A collection of three of Ray Bradbury's finest science fiction novels: FAHRENHEIT 451, THE MARTIAN CHRONICLES and THE ILLUSTRATED MAN.

A Long Way Down Penguin

The Neverending Story is Michael Ende's best-known book, but Momo—published six years earlier—is the all-ages fantasy novel that first won him wide acclaim. After the sweet-talking gray men come to town, life becomes terminally efficient. Can Momo, a young orphan girl blessed with the gift of listening, vanquish the ashen-faced time thieves before joy vanishes forever? With gorgeous new drawings by Marcel Dzama and a new translation from the German by Lucas Zwirner, this all-new 40th anniversary edition celebrates the book's first U.S. publication in over 25 years.

Sunday's Child HarperCollins UK

The classic novel by William Golding With a new Introduction by Stephen King "To me Lord of the Flies has always represented what novels are for, what makes them indispensable." -Stephen King Golding's classic, startling, and perennially bestselling portrait of human nature remains as provocative today as when it was first published. This beautiful new edition features French flaps and rough fronts, making it a must-have for fans of this seminal work. William Golding's compelling story about a group of very ordinary small boys marooned on a coral island has become a modern

classic. At first it seems as though it is all going to be great fun; but the fun before long becomes furious and life on the island turns into a nightmare of panic and death. As ordinary standards of behaviour collapse, the whole world the boys know collapses with them—the world of cricket and homework and adventure stories—and another world is revealed beneath, primitive and terrible. Lord of the Flies remains as provocative today as when it was first published in 1954, igniting passionate debate with its startling, brutal portrait of human nature. Though critically acclaimed, it was largely ignored upon its initial publication. Yet soon it became a cult favorite among both students and literary critics who compared it to J.D. Salinger's *The Catcher in the Rye* in its influence on modern thought and literature. Labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, even a vision of the apocalypse, Lord of the Flies has established itself as a true classic.

This Magic Moment Dedalus Euro Shorts

From bestselling writer Ray Bradbury and beloved author-illustrator duo Leo and Diane Dillon comes a unique, dreamy perspective on overcoming a fear of the dark. A lonely little boy who is scared of the dark sits in his room alone, with only light for company, until a little girl named Dark appears and shows him that light switches don't just switch off the light—they switch on the night. And to switch on the night is to switch on the stars, the moon, the crickets, and the frogs. With the Dillons' dreamlike illustrations, *Switch on the Night* is sure to reassure any child who has felt afraid of the unknown; the story will also impress adult readers with its imaginative approach to understanding that which is different. "Bradbury's story of a boy who conquers his fear of the night with the help of a child named Dark has been newly illustrated with appropriately mysterious, dramatic artwork, clearly influenced by M. C. Escher's work."—The Horn Book "The Dillons' interpretation works well intellectually and aesthetically."—Booklist *Muret-Sanders Encyklopädisches englisch-deutsches und deutsch-englisches Wörterbuch* Bloomsbury Publishing

The tale of the combat between the Storm-god and the Sea that began circulating in the early second millennium BCE was one of the most well-known ancient Near Eastern myths. Its widespread dissemination in distinct versions across disparate locations and time periods - Syria, Egypt, Anatolia, Ugarit, Mesopotamia, and Israel - calls for analysis of all the textual variants in order to determine its earliest form, geo-cultural origin, and transmission history. In undertaking this task, Noga Ayali-Darshan examines works such as the Astarte Papyrus, the Pisaisa Myth, the Songs of Hedammu and Ullikummi, the Baal Cycle, Enuma elis, and pertinent biblical texts. She interprets these and other related writings philologically according to their provenance and comparatively in the light of parallel texts. The examination of this story appearing in all the ancient Near Eastern cultures also calls for a discussion of the theology, literature, and history of these societies and the way they shaped the local versions of the myth.

The Black Album Harper Collins

New York Times bestselling author Stephanie Laurens presents a brash, bold new series. They're battle-hardened, sinfully wealthy, completely unstoppable—and all male: Four officers of the Crown, fighting against a deadly foe known only as the Black Cobra. He is a man who has faced peril without flinching, determined to fight for king and country. She is a bold, beautiful woman with a scandalous past, destined to become an untamed bride. Together they must vanquish the ruthless enemy, while confronting the dangers of the heart . . .

The Little Ghost Little, Brown Books for Young Readers

Why the card catalog—a "paper machine" with rearrangeable elements—can be regarded as a precursor of the computer. Today on almost every desk in every office sits a computer. Eighty years ago, desktops were equipped with a nonelectronic data processing machine: a card file. In *Paper Machines*, Markus Krajewski traces the evolution of this proto-computer of rearrangeable parts (file cards) that became ubiquitous in offices between the world wars. The story begins with Konrad Gessner, a sixteenth-century Swiss polymath who described a new method of processing data: to cut up a sheet of handwritten notes into slips of paper, with one fact or topic per slip, and arrange as desired. In the late eighteenth century, the card catalog became the librarian's answer to the threat of information overload. Then, at the turn of the twentieth century, business adopted the technology of the card catalog as a bookkeeping tool. Krajewski explores this conceptual development and casts the card file as a "universal paper machine" that accomplishes the basic operations of Turing's universal discrete machine: storing, processing, and transferring data. In telling his story, Krajewski takes the reader on a number of illuminating detours, telling us, for example, that the card catalog and the numbered street address emerged at the same time in the same city (Vienna), and that Harvard University's home-grown cataloging system grew out of a librarian's laziness; and that Melvil Dewey (originator of the Dewey Decimal System) helped bring about the technology transfer of card files to business.

Wider den Faschismus Dragonfly Books

1989. Shahid left his middle-class family to study in London. There he joins a group of young, apparently conservative Muslims who turn out to be book-burning fanatics. At the same time, he also engages in an intellectual and sexual relationship with his drug-addicted professor. Shahid is undecided and torn until he witnesses and ultimately becomes the victim of the violence of fanatical Muslims.

"Plague stories remind us that we cannot manage without community . . . Year of Wonders is a testament to that very notion." – The Washington Post

An unforgettable tale, set in 17th century England, of a village that quarantines itself to arrest the spread of the plague, from the author The Secret Chord and of March, winner of the Pulitzer Prize

When an infected bolt of cloth carries plague from London to an isolated village, a housemaid named Anna Frith emerges as an unlikely heroine and healer. Through Anna's eyes we follow the story of the fateful year of 1666, as she and her fellow villagers confront the spread of disease and superstition. As death reaches into every household and villagers turn from prayers to murderous witch-hunting, Anna must find the strength to confront the disintegration of her community and the lure of illicit love. As she struggles to survive and grow, a year of catastrophe becomes instead annus mirabilis, a "year of wonders." Inspired by the true story of Eyam, a village in the rugged hill country of England, Year of Wonders is a richly detailed evocation of a singular moment in history. Written with stunning emotional intelligence and introducing "an inspiring heroine" (The Wall Street Journal), Brooks blends love and learning, loss and renewal into a spellbinding and unforgettable read.

Momo Scholastic UK

Shahid, a clean-cut young man from the provinces, comes to London after the death of his father. In the capital he falls in love with Deedee Osgood, a college lecturer, and finds himself passionately embroiled in a spiritual battle between liberalism and fundamentalism. The Black Album is set in the London of 1989, the year after the second summer of love and the year of the infamous fatwah was imposed on Salman Rushdie. It is a thriller for the rave generation by one of the most praised and influential writers of the times.

Switch on the Night Methuen Publishing

This bestselling first book in the Tapper Twins series is a hilariously authentic showcase of what it's like to be in middle school in our digitally-saturated world, told as a colorful "oral history" with photos, screenshots, text messages, chat logs, and online gaming digital art. Twelve-year-old twins, Claudia and Reese, who couldn't be more different...except in their determination to come out on top in a vicious prank war. But when the competition escalates into an all-out battle that's fought from the cafeteria of their New York City private school all the way to the fictional universe of an online video game, the twins have to decide if their efforts to destroy each other are worth the price. In a starred review, Publishers Weekly declared "This uproarious series opener... is packed with both laugh-out-loud moments and heart." Don't miss the further adventures of the Tapper Twins in *The Tapper Twins Tear Up New York*, *The Tapper Twins Run for President*, and *The Tapper Twins Go Viral*.

Become enchanted with #1 New York Times bestselling author Nora Roberts's *This Magic Moment* when a woman casts a spell to open the heart of a man who's tricked himself into believing that love doesn't exist. Master magician Pierce Atkins has made a career conjuring realistic illusions and escaping elaborate traps, mystifying audiences around the world. Mesmerized by his seemingly otherworldly abilities, Ryan Swan is desperate for a peek behind the curtain of the brooding, attractive genius—only to uncover a personal tragedy his magic cannot fix. And as she watches Pierce engage in one death-defying act after another, Ryan finds herself becoming spellbound by the man, not the magician.

"A guide to the stages and issues in boys' development from birth to manhood"--Provided by publisher.

The Untamed Bride LP Faber & Faber Limited

Return to the golden age of adventure with this gorgeously wrought, action-packed, globetrotting tale that combines the bravura storytelling of Kipling with the irresistible, illustrative style of Hergé's *Adventures of Tintin*. Behind the staid public rooms of an old world gentlemen's club operates a more mysterious organization: The Explorers Guild, a clandestine group of adventurers who bravely journey to those places in which light gives way to shadow and reason is usurped by myth. The secrets they seek are hidden in mountain ranges and lost in deserts, buried in the ocean floor and lodged deep in polar ice. The aim of The Explorers Guild: to discover the mysteries that lie beyond the boundaries of the known world. This beautifully produced combination graphic novel and adventure tale, set against the backdrop of World War I, concerns the Guild's quest to find the golden city of Buddhist myth. The search will take them from the Polar North to the Mongolian deserts, through the underground canals of Asia to deep inside the Himalayas, before the fabled city finally divulges its secrets and the globe-spanning journey plays out to its startling conclusion. "With its colorful cast, exotic locales, and intertwined fates, the book slowly addicts. A rousing throwback whose spinning plates never stop, even at the end," (Kirkus Reviews), *The Explorers Guild* is perfect for fans of the adventures of J.J. Abrams and C.S. Lewis.

The Crucible in History and Other Essays McSweeney's

First English translation of a 1952 Spanish masterpiece by an award-winning translator, this Spanish classic evokes the childhood transition to adolescence. .,."Aunt Josefina's fat white legs under the water; a child standing on a grown-up's shoulders and plunging into the waves; eating lunch on the beach, the food gritty with sand; a late afternoon swim in the delicious water; getting changed behind the rocks, shivering in the suddenly cold wind; then walking home singing and picking sun-warm blackberries"

Beton- und Stahlbetonbau MIT Press

In a locked chest in the dusty attic of castle Eutenstein lives little ghost. At the stroke of midnight he wakes up and happily haunts the castle. It has been like this for as long as little Ghost can remember. But his greatest wish is to see the world in daylight, just once. How can he make his wish come true? And what will the townsfolk make of a ghost in a daytime?
